THRIFT STAMPS WAR SAVINGS STAMPS On Sale at Business Office, The Journal,

Colonel Bowen Will Retire-Lieutenant Colonel Raymond C. Baird, assistant professor in military science and tactics at the University of Oregon, is to succeed to the command of the R. O. T. C. on the retirement of Colonel W. H. C. Bowen, present commander. Colonel Bowen retired in 1914 after 38 years active service in the United States army, and reentered the service at the commencement of the war. Colonel Baird came to the university from Camp Taylor, Kentucky, where he had stationed since October, 1918. While there he organized the 64th pio-

former fire marshal for Portland, now at in Pacific coast, with headquarters at San time to conduct an educational campaign for fire prevention. J. L. Fuller, president of the San Francisco bureau, has written Governor Olcott that since Mr. Stevens' work in Oregon made him available for the services of the bureau he will be glad to allow him to return to this state long enough to conduct the contemplated campaign.

Airplanes to Make Stops-Orders have been given by Colonel Milton Davis of squadron detailed at the Rose Festival at Portland to stop for exhibits at Ashland, Medford, Eugene and Salem. The stops will be made on the way from Mather field, Sacramento, to Portland. Colonel Davis says that efforts will be made to establish airplane bases in Ore- They predict that the wooden yards will gon this summer for the protection of national forests from fire.

Oregon Oil Survey Planned-A review is to be made of all oil indications in Oregon, according to advices recently received from George Otis Smith, director of the United States geological survey. This investigation is to be made cooperation with the Oregon state bureau of mines and geology.

The regular meeting of the organization will be held tonight at Foresters' hall, where final preparations for the festival will be

No Clue to Safe Crackers-The crackpolice. No clue has been found, the detectives say. The restaurant safe was blown open, while the lumber company safe was blown where it stood. About \$500 in Liberty bonds and \$300 in cash are missing from both places. The restaurant is at 171½ Third street and the lumber office at 1002 Willamette boulevard.

Hawley Predicts Revenue Bill-A bustness session or a panic is the situation that will confront the next congress, according to Representative W. C. Hawley, in an address to the members of the Salem Commercial club. He predicted that the ways and means committee, of which he is a member, will prepare a revenue bill providing for \$1,500,000,000 in duties at ports of entry. and thereby relieve the burden of taxa-

Bradshaw Buys Peach Orchard— George H. Bradshaw of Portland has purchased the W. I. Huxtable five-acre ach orchard at Yakima, Wash., for \$16,000. The improvements on the place consist of a house valued at something under \$5000. Deducting this sum from the sale price, it makes the orchard land bring about \$2500 an acre. Huxtable a few years ago bought 20 acres, including the above five sold to Bradshaw,

Wicks Convicted at Spekane-Harry M. Wicks, alleged radical from Portland, and his secretary, Mrs. Emma Lee Lamb, were convicted of immoral con-duct in police court at Spokane and fined \$100 each and sentenced to 30 days in jail. Wicks is under sentence of \$100 and 30 days in jail on conviction of violating a city criminal syndicalism ordinance by preaching a "political" strike, and faces still another charge of violating the Mann act.

Three Boys Arrested-Inspectors Coleman and Morak and Patrolman Day arrested three boys Saturday evening, who, they say, have confessed to rebbing automobiles of their spotlights. The police say they have recovered three lights. The in the city. boys were sent home and the case turned over to the juvenile court. The names given are George Ceney of East Tenth and Harrison streets, 17; William Roberts, 17, and Ernest Roberts, 16, of 404 East Eleventh street.

Clarke Prune Crop Sold-Almost all of the 1919 prune crop of Clarke county has been purchased by prune buyers during the past few days. The average price paid was 14 cents a pound. This is the highest price paid for prunes in Clarke county in recent years. Last year's price was set by the government at 1114 cents for the base, but prune packers were not able to make over 4 per cent profit.

What Are You Going to Do About It! -Stick around home this fine weather just because you haven't a car, or will you get busy, read The Journal "Want" ads, and select one of the scores of exwaiting for lower prices, you've got a long wait ahead of you. Meantime your family will be denied lealth and wholesome enjoyment.-Adv.

The two girls were allowed their freedom, but the two boys, Robert Sleight, who owned the machine, and J. Allory, who was driving it, were held by the police. Allory, who is but 19 years of age and who was found with cigarettes in his possession, was also charged with illegally having tobacco.

Woman Falls or Throws Self From Window of Home

Either falling, or throwing herself from a window at her home, 64714 First street, Sunday afternoon, Mrs. Joe Pepplas, 37 years of age, suffered a broken leg and severe cuts and bruises. Lying inconscious on the street she was picked up by an automobilist and taken to the police station. Motorcycle Officers Schad and Gouldstone, who investigated the case, reported that she had been suffering from melancholis following an attack of influenza and had thrown herself from the window. When questioned, however, she denied that she had attempted self destruction and said she fell from the window, She was taken to St. Vincents hospital where her condition is said to be satisfactory.

Fatal Auto Spill To Be Investigated

A coroner's inquest into the death of Guy Switzer, who was killed Friday in an automobile accident near Linneman, A crib for babies has been invented that folds so compactly that it can be carried about and used by tourists in an automobile or hotel room.

A automobile accident near Linneman, will be held this evening. L. G. Jones, who was driving the machine, is reported to be recovering at Good Samaritan hospita. Chief Deputy Coroner Goetsch said charges of manslaughter would be filed against Jones if he lives.

AMERICAN FLAGS FLY OVER BALKAN STATE

Two Big Relief Agencies Now, Furnishing Food to People of Montenegro.

Cettinie .- (By Mail.) - Montenegro, smallest, poorest and most barren of the Balkan states, is tasting the fruits of American enterprise and generosity. The United States food administration and dreds of tons of flour, clothing, shoes and medicines into this desolate little country, which has never yielded sufficient from its soil to support the 300,000 sturdy mountaineers who make their The presence of America's two big re-

lief agencies not only has ameliorated conditions among the destitute, but it has resulted in a 100 per cent decrease in the prices of all the necessaries of life. The food administration is selling a part of its flour at cost. To those Imperial, has just returned from Vannot able to pay the flour is given free. couver, B.
