The Adventures of Jimmy Coon

ON a little hillock there stood a tall bare pine tree. Underneath stood out like arms and stretched out on either side. Cousin Bruin examined the lower part of the tree for several minutes; Jimmy Coon stood on his hind legs and smelled all over the bare trunk of the tree, and then said to Teddy Possum, "Cousin Bruin is sick or crazy. He has eaten all that stuff from the man's board and it has gone to his head. There are no grubs in that tree!"

The Club Calendar

Wednesday, May 14
Willamette chapter, Daughters of the American Revolution, at 2:30 p. m., with Mrs. W. W. McCredie as guest.

Prune all plants by cutting the flowers with generous stems.

Encourage the children to take an interest in gardening. They are Portland's future gardeners.

Cut off the flowering stems of rhubarb as soon as they appear; the plant needs its strength for making leaf stalks.

Thinning seedling plants should go on from the first; do not wait until there is crowding in the rows; they need plenty of room at all times.

It is thinning bests the extra plants may be transplanted with no bad effects, but they will be a little later than the plants that have not been disturbed.

English walnut trees set this season may be a little late in leafing out, but there is no cause for worry. Trees are often slow after transplanting.

Young trees planted in the parking will need to be staked if they are to be straight of trunk in later years. The young sapling should never be allowed to whip about in the wind.

Parent-Teacher Program Draws Big Crowd

Evening Gathering at Glencoe School One of Most Successful Ever Held.

ONE of the largest and most enthusiastic audiences of Parent-Teacher people ever known in Portland assembled at the Glencoe school Friday evening in response to invitations sent out by the president of the association, Mrs. William H. Buxton. The program was unusual for an affair of this kind and was greatly appreciated by the 400 adults who were present.

The first number was the singing of "America," led by Miss Harriet Leach, who followed by singing two solos. Her accompanist was Miss Vera Munro, the sixth grade teacher of the school. Miss Margaret Garrison, a member of Franklin high school faculty, gave two readings which called for much applause.

Miss Louise Hatfield, clever dancer, delighted the audience in two numbers. She was accompanied at the piano by Claf Jonasson. Mrs. J. P. Chapman, past president of the P. T. A., concurred briefly of the purpose of the association and a score or more of new members were added to the roll as a result of her talk.

A triple trio from the Monday Musicians club gave generously of their time and talent in vocal numbers. The club was represented by Mesdames Ira Kimmona, A. W. Claxon, Mrs. E. C. Reed, L. T. Hansen, Anton Glimsch, J. E. Bonbright, Glen Boukes, J. T. Leonard and Scott Kent. Their accompanist was Mrs. Florence Jackson Youney.

Ellet Benjamin, a senior of Washington high school, gave violin solos and responded graciously to repeated encores. Mr. Jonasson was at the piano as his accompanist.

The informal program closed with an address by Rabbi Jonah B. Wise on the teachers' salary question. Mr. Harris of the Harris candy company contributed to the pleasure of the social hour with 15 gallons of peanut brittle. Many enjoyed the dancing.

The presence of D. A. Gross, city superintendent, together with his family, and many city principals with their wives, added a pleasant feature to this interesting meeting.

Bitter or Better Baking

A letter makes a great difference in a word. A word makes a great difference in baking powders.

If the little word "alum" appears on the label it may mean bitter baking.

If the word ROYAL stands out bold and strong, it surely means BETTER baking.

This is only one reason why it pays to use
