

### MRS. JEANNE M'CRACKEN REPLACES MRS. BURKE ON MUSIC COMMITTEE

Instructor Will Help Pass on Work of Pupils in Music in High Schools.

Salem, May 21.—Mrs. Jean P. McCracken of Portland has been appointed to succeed Mrs. Thomas Carrick Burke, resigned, as a member of the committee of music teachers to pass upon the credentials of the teachers in the state who wish the work of their pupils accredited in the high schools of the state. The appointment was announced Tuesday by J. A. Churchill, state superintendent of public instruction. Other members of the committee are Dr. John Landsbury of Eugene, chairman, and Frederick Goodrich of Portland. Under the plan which has now been in operation for a year, high schools of the state are permitted to give three credits toward graduation of pupils who have successfully completed the required work in music outside of school under the direction of an accredited teacher. Credentials of teachers who wish their work accredited must be approved by the committee before a certificate is issued by the state superintendent. Practically all the high schools of the state are now accepting the work of students in music completed outside of school, provided the work has been done under an accredited teacher.

To be accepted for full credit, a pupil must take not less than two 20 minute lessons or one 60 minute lesson a week. The pupil must practice not less than seven and a half hours a week. A pupil may be accepted for half credit by taking one 30 minute lesson and practicing four hours a week in vocal instruction assignments for physical exercises and theoretical studies which bear directly upon the development of the voice, will come within this requirement. The music lesson must be taken during the entire semester for which credit is desired. Music teachers wishing their work accredited must be graduates of recognized standard conservatories, having pursued therein the branch of study they wish to teach; or have had five years of training under competent teachers, such training to be shown elementary instruction in the subjects to be taught; preparation for teaching to include a satisfactory knowledge of harmony and methods of teaching.

Excess Liquors Costly  
Vancouver, Wash., May 21.—Carl Strato was convicted of being drunk and fined \$15 and costs of \$4.20 by Judge Derr.

### BOXING

LOS ANGELES, May 21.—(U. P.)—Fans agreed today that a Vernon referee had a good decision. He called last night's main event, scheduled as a four-round match between Herb Brodie and Eddie Pinkman, a fine footrace and stopped the fight in the third for lack of bloodshed. Pinkman was the best runner.

Memphis, May 21.—(U. P.)—Johnny Griffiths, Akron welterweight, spotted Len Rowlands several pounds last night and then gave the Milwaukee battler a neat lacing in eight rounds.

Terre Haute, Ind., May 21.—(U. P.)—The Flynn brothers were victorious here last night. Maurice Flynn won over Freddie Enck in 10 rounds. Thus encouraged, Clint Flynn gained the decision over Don Curley in 10 rounds.

San Francisco, May 21.—(U. P.)—Jeff Clark against Soldier Elder and Battling Savage against Joe Carroll will be the double main event at tonight's association club smother. Freddie Hartwell will meet Walter Poirach and Willie Carlo will oppose Pete Dailey.

### RICKARD WOULD HAVE JUDGES TO SELECT WINNER

Plan of Promoter Is Halted by Refusal of Lord Lonsdale to Serve.

By H. C. Hamilton  
New York, May 21.—(U. P.)—Tex Rickard, reports here it today, wants to do something new when he stages the bout between Jess Willard and Jack Dempsey at Toledo, July 4. He is considering the plan of placing a couple of judges outside the ring to give a decision as is done in amateur bouts. In case the judges disagree, the report goes, Tex intends the referee to give a decision.

It seems the good old American way of deciding winners of bouts is about to be man-handled. However, there is a ray of hope in the refusal of Lord Lonsdale, English sportsman to accept the offer of Rickard to act as one of the judges. Major A. J. Drexel Biddle of Philadelphia, it was reported, has practically agreed to be one of the outside referees.

The matter of a referee is worrying the promoter. There is difficulty in finding a man who not only will be suitable to everyone but also competent to handle a bout of this importance

### OFFICIALS FOR HI SCHOOL MEET ARE SELECTED

Morris Dunn Will Referee Annual Track and Field Championships Friday.

Officials for the annual Portland Inter-scholastic league track and field meet were announced today by C. E. Meeteer, secretary of the league. T. Morris Dunn, life secretary treasurer of the Pacific Northwest association of the Amateur Athletic union has been named referee and will have full charge of the annual gathering Friday afternoon on Multnomah field.

All the high schools of the city will be dismissed at noon Friday to enable the students to attend the meet. Jefferson High, who has won it the last three years, is confident of running off with first honors again but there will be tough opposition from the other members of the circuit to keep the points well divided.

The first event will be called at 1:30 o'clock.

Following are the officials selected: Referee, T. Morris Dunn; starter, George Philbrook; timers, William H. Hayward, A. B. McAlpin, Mike Butler; judges of finish, Albert D. Wakeman, Martin W. Hawkins, Graham Glass, Jr., Oliver B. Huston; chief judge of field events, Dow V. Walker; judges of weight events, javelin and discus, Frank Harmar and W. S. Poulsen; judges of pole vault, high jump and broad jump, Eddie J. O'Connell and John Cody; clerk of course, George Anderson; assistant clerk of course, Earl R. Goodwin; inspectors, Harry Fischer, Paul R. Dickinson, George Young, R. C. Dart, Walter A. Hummel, E. R. Holt; announcer, Phil Patterson; scorer, A. H. "Bert" Allen; assistants to scorer, Richard Roscoe Sharp, Don Thompson and Lou Kennedy.

without becoming rattled. Matt Hinkle of course, is acceptable to the battlers and is competent. There is strong opposition to him in Toledo, and this may result in both boxers and promoter deciding not to ask him to serve.

It is up to the boxers to agree on a third man but Rickard has left a loophole for himself in the articles of agreement by withholding the privilege of naming a referee.

Bair Leads in Gun Shoot  
Los Angeles, May 21.—(U. P.)—Fred S. Bair of Eureka is high gun among the amateurs participating in the Los Angeles Gun club's trap shooting tournament. Bair broke 195 out of 200 birds in yesterday's events. Leonard Hawkhurst won the professional honors with the same score as Bair made.

### Baseball

CHESTER LOWRY has been named manager of the Hesse-Martin Iron Works baseball team and he is out to "challenge the world." The players held a meeting Tuesday night and decided to work out every night on the Franklin high grounds. Several well-known Portland semi-pros have been lined up with the iron works, and they want games. Call Manager Lowry at East 7900 any time during the day and at B-1184 after 6 o'clock p. m.

President Max Walther of the Commercial league has scheduled two games for his circuit Saturday afternoon, the Forest Grove section. Hood River and the Dalles are billed to play two weeks from Sunday at Hood River. These games have been arranged by the A. G. Spalding & Bros. booking agency.

The Oregon Aggie ball tossers will make their first appearance on a Portland diamond in several years, when Coach Jimmy Richardson sends them against the Multnomah Amateur Athletic club representatives on Multnomah field tonight at 6 o'clock. Keene is Jimmy's best bet as a pitcher. If the old arm is working right, otherwise Miller, a southpaw, will start the engagement. Lieutenant Besson, who only last week returned from overseas duty with the 81st division, is doing most of the twirling for the Winged "M." Sil Johnson is Besson's assistant, and he may get a chance to open the game against the Aggies.

The fourth straight win of the season for the Peninsula Baby Beavers was secured over the Oregon City nine, 11 to 4, at Oregon City. Young and Feldman worked for the Baby Beavers while Baker, Berry and Harkey formed the battery for the losers. Sunday the Beavers will go to Beaverton, Ore.

Lewis to Come to Coast  
Chicago, May 21.—(U. P.)—Ed "Strangler" Lewis, wrestler, announced today he will leave for San Francisco to make his home there after he has finished his eastern engagements. Lewis, who Monday night defeated Wladek Zbyzsko for the world title, declared he needed a rest after a long period of training for the big battle.

### OREGON'S TRACK PROSPECTS GET A BIG SETBACK

Dow Wilson Will Be Out for Remainder of Season on Account of Heart Injury.

University of Oregon, Eugene, May 21.—Oregon's track prospects in the Northwest conference meet, scheduled for next Saturday, and the Pacific Coast meet the following week received a setback yesterday when it was learned that Dow Wilson, star hurdler, and dash man will not be able to don the spikes again this season.

Wilson injured his heart in the Washington-Oregon meet last Saturday and will be unable to participate in any meets during the remainder of the season. This is the second time Wilson has been forced to retire from athletic activities, and it may mean that he will be lost to the university football team next fall.

Bill Hayward is putting his men through a series of hard workouts in preparation for the Northwest meet, and with the exception of Captain Foster, who will enter the sprints and broad jump events, Don Belding, Starr, Runquist and Anderson are the only men selected for the team.

### Anglers Will Open Casting Season at Sellwood Tonight

The first of a series of nine fly and bait-casting tournaments in the new casting pool at Sellwood park will be held by the Multnomah Anglers' club this afternoon. Three events are on the program, half ounce bait casting, half ounce accuracy and distance fly casting.

Following are the tournaments listed for the months of June and July: June 1—Accuracy fly, dry fly, unknown distance, half ounce accuracy, half ounce distance, quarter ounce accuracy.

June 17—Fisherman's plug for distance, distance fly, accuracy fly.

June 18—Dry fly accuracy, miss and out fisherman's plug, half ounce accuracy, half ounce distance.

June 23—Accuracy fly casting, distance fly casting, half ounce accuracy, half ounce distance, fisherman's plug for distance.

July 16—Dry fly accuracy, miss and out fisherman's plug, half ounce accuracy, accuracy fly.

July 27—Quarter ounce accuracy, half ounce accuracy bait, dry fly accuracy, distance fly, half ounce bait, fisherman's plug for distance.

### Enterprise Forms Rod Club

Organization of a new rod and gun club at Enterprise, Willowa county to be known as the Enterprise Sportsmen's club, has been announced at the fish and game commission headquarters.

Ben Weathers has been elected president and Fred Savage, secretary of the new club. Both of these men are well known Eastern Oregon sportsmen. The club headquarters will be at Enterprise.

### Frank Troeh Leads Trap Men in Shoot On Spokane Traps

Spokane, Wash., May 21.—Frank M. Troeh of Vancouver, Wash., dropped but one target in yesterday's events of the

Inland Empire handicap, his score being 149 out of 150. Monday, Troeh broke 144, giving him a total of 293 out of 300. C. C. Hedger of Oroville, shooting in his first registered tourney, scored 147, which with his Monday score, gives him a mark of 292 out of 300 birds.

Guy Chiesman of Lewiston and W. K. France of Arlington, Or., each scored 146 yesterday.

Leslie Reld of Seattle was high professional with a total of 147.

# MURAD

## THE TURKISH CIGARETTE

**Oriental Turkish tobacco charmed the natives hundreds of years ago.**

And when travelers visited the Orient, a new delight awaited and thrilled them—in smoking Turkish cigarettes.

The tobacco in Murad is 100% Turkish and is gathered from those famous lands—and Murads are both charming and thrilling.

True they are a little more expensive than ordinary cigarettes—but oh, such a difference!
