

World's Best Auto Race Ready for the Starter's Flag in Indianapolis 500 Mile Classic

FASTEST RACING CARS IN COUNTRY IN SPEED CONTEST

Jules Goux, Winner of 1913 Race, Qualifies at 95 Miles Per Hour After Replacing Engine in Peugeot; Dave Lewis Forced to Withdraw; 33 Cars Will Start in 500-Mile Event.

INDIANAPOLIS, May 30.—(I. N. S.)—Pilots who will drive cars in the 500 mile race here tomorrow were busy at the track today with their mechanics putting their cars in shape for the long grind, following the close of the qualification tests late yesterday.

The 33 fastest cars that ever faced a starter on an American race track will start off in the five century spin tomorrow. The 33 cars qualified for the race at speeds ranging from 86.5 to 104.7 miles an hour, seven of the cars making better than 100 miles an hour and only three less than 90.

Jules Goux, winner of the 1913 race, whose Peugeot was broken Wednesday, put in a new motor and qualified at 95 miles an hour late yesterday afternoon. Dave Lewis, while qualifying in a Dusenberger yesterday afternoon, met with an accident to his motor and withdrew from the race.

F. W. Monaghan withdrew his Taylor special because of engine trouble, and H. C. Simmons did not attempt to qualify his Hudson special for the same reason. A. C. Cotter failed to put his Owen special around the track fast enough to come in the first 33 cars, and J. M. Reynolds and his Hudson were forced below that mark when Goux qualified. George Buzana was unable to get his premier ready for the race.

Freshmen May Go After Relay Record in P. N. A.

Oregon Agricultural College, May 30.—The Oregon Aggie freshmen relay team will attempt to shatter the national half mile record in the Pacific Northwest association championships to be staged in Portland June 14. The team will be selected from the following: Maurice Snook, Kellogg, Green, Johnson and Bumbaugh. Plans are being considered for a dual meet between the freshmen and a squad composed of Washington and Jefferson high school athletes at Portland.

Oldfield Predicts Race Will Be Close

By Barney Oldfield
(Written Exclusively for the Universal Service.)
INDIANAPOLIS, May 30.—After a week as a rail bird watching work-outs and intimate talks with drivers, Saturday's international 500-mile race looks the hardest and greatest ever run in the world. There are at least 100 cars with excellent chances to win.

Betting has been heavy. The French Ballot team is the favorite with Chevrolet team of four Frontenacs next and DePalma leading the string below.

With the Ballot cars showing more speed than anything else the public is going for them strongly. Rene Thomas broke every record for the speeding in qualifying his Ballot at 104 miles per hour.

Then Louis Chevrolet turned 100.

All the Ballots and Frontenacs qualified with better than 100 and it seems certain the race will not average 90, so skill, insurance, tire luck and engine trouble will play a big part.

The Ballots are eight cylinder and absolutely new, while the Frontenacs have been campaigned three years.

There are others with fine chances, notably Tommy Milton, Roscoe Searles, Earl Cooper and Howard Wilcox.

LINCOLN SQUAD LOSES CONTEST TO FRANKLIN, 3-2

Washington Beats Hill Team 11 to 1, Scott Allowing Cadets but One Bingle.

Two games in a row have been dropped by the Lincoln high school baseball team after many followers of the Portland interscholastic league had figured the Railspitters were a cinch to run off with the 1919 championship without a defeat. Early in the week the Hill Military Academy won from the west side high 5 to 3 and Thursday afternoon Franklin high added another humiliation to Coach Dewey's boys 3 to 2 on Vaughn street grounds.

The contest had to be called at the end of the sixth inning because of a bankers league game. With two men out in the first frame the Quakers put across a run on Harry Thomas' double and Cole's error. The score was tied in the fifth. Harris singled, went to third on Leggett's hit and scored on a passed ball. The tie did not remain long for in the sixth inning the Quakers registered twice. Lincoln made one in the sixth but could not muster a third out.

The scores: R. H. E.
Lincoln.....2 0 0
Franklin.....3 4 4
Batteries—Lincoln, Pearlman, Wright and Helmcke; Franklin, Thomas and Hobson. Umpire, Ed Rankin.
Hill Military Academy weakened before the Washington high tossers on Multnomah field Thursday afternoon and when the ninth inning was over the high schoolers were leading 11 to 1. The Cadets managed to nick Kenneth Scott for one hit while the little Washington twirler was tying the strike out record for the season in the interscholastic league. Eighteen Hill batters fanned.
Soreby of the winners hit one so far in the first inning that the two runners on the bags scored and he ambled home before the ball was returned to the infield. Four more runs were added in the second, three in the fourth and one in the ninth.
Johnson made the only hit scored on Scott.
The score: R. H. E.
Washington.....11 10 1
Hill.....1 1 5
Batteries—Washington, Scott and Priestly; Hill, Pendleton, Johnson and Berger. Umpire, Burton.

SPARRING PARTNERS CAN WORK

Willard's Manager After Lot of Heavies to Box With Champion in Training Camp.

TOLEDO, Ohio, May 30.—(I. N. S.)—Even if Tex Rickard is not successful in his ambition to have royalty as his guests at the big fight here July 4, he is at least certain of entertaining high army and navy personages. It was said today that Major General Leonard Wood and Admiral Sims would be here to represent the doughboys and jacker.

No reply has been received to the cable invitation to King Albert of Belgium and the Prince of Wales.

Ray Archer, Willard's manager, today was busy wiring all of the aspiring heavyweights who want to help in training the champion to pack their "trunks" and come to Toledo "toot sweet."

CANT BE TOO MANY
"There can't be too many of 'em," said Archer when it was suggested that all of the fighters in the country would respond to his invitation "they've got to be big ones, though, and willing to get banged up because Jess is going like a whirlwind when he gets here. Willard has already taken off 10 pounds through dieting and he is going to make 250 before he enters the ring."

Doings at the Dempsey camp slowed up today. The holiday was more or less observed, although it brought a big crowd out to watch the challenger play around.

DEMPSEY LOSES ONE
Dempsey's trainers have decided to eliminate boxing next week but will put Jack through a course calculated to increase his speed to the proverbial "chained lightning." Disgusted at that Dave of Buffalo hid himself here from the Oakland club today. "That wasn't in the bargain," he complained to Manager Jack Kearns after the second knockout. "I'm going to quit."

Portland Tennis To Go North for Tourney June 22

June 21 and 22 are the proposed dates for the inter-city tennis tournament between the Multnomah Amateur Athletic club, Tacoma tennis club and the Seattle racquet wielders. Word has been received in Portland to the effect that both the northern clubs had accepted the challenge of the Winged "M," and June 21 and 22 have been made aside for the Portlanders to invade Washington territory.

The idea is to play Tacoma on June 21 and then go to Seattle the following day, so as to "kill two birds with one stone." This was done to curtail expenses. Just when the Sound clubs will send their squads to Portland for the return matches will be determined later, according to Chairman James H. Mackie.

Bumbaugh Is Named Frosh Track Captain

Oregon Agricultural College, Corvallis, May 30.—Harold L. Bumbaugh of San Diego, Cal., prominent freshman athlete, has been unanimously elected captain of the freshman track team.

Young Bumbaugh's work on the cinders this season has been exceptionally brilliant. He has made a record of 10.1 in the 100-yard dash, has done the 220 in 22 2-5 seconds, and has been broad jumping 21 feet. He has also been elected as president of the sophomore class next year.

Rifle Tourney for Marines

Vallejo, Cal., May 30.—(U. P.)—Marines from all Pacific coast stations will be represented by teams in the "Keene" rifle tournament to open at the Mare Island rifle range June 15. Winners have a chance of making the marine corps team in the Caldwell, N. J., nation shoot.

Driscoll Released by Angels

Los Angeles, Cal., May 30.—Paddy Driscoll, who was turned over to Los Angeles by the Chicago Cubs, was released by Manager Killifer yesterday.

BOXING

SAN FRANCISCO, May 30.—(U. P.)—Johnny Ray of Pittsburg and Lieutenant Earl Baird, army aviator and ex-lightweight amateur champion, fought to a draw in their fourth round match last night, one of the best bouts seen here in months. Both men fought hard and the going was fast and clever throughout. Baird shaded the easterner in the first two rounds, while the last round was to Ray's advantage. Steve Dalton and Billy Shadle drew. Willie Robinson won over Allie Nack. Soldier Woods lost to Joe Coghlan by a decision the fans protested the rest of the evening.

Denver, May 30.—(U. P.)—Johnny Griffiths of Akron and Harvey Thorpe of Kansas City, cross punches in a 15-round fight to a decision at the Stock Yards stadium here tonight. Both men finished off their training yesterday and reported being safely under the 145-pound weight requirement. Griffiths depends on his lightning left to stop Thorpe.

Chicago, May 30.—(U. P.)—Al Bloom, ticket seller here for the Willard-Dempsey rumput, stated he had sold \$85,000 worth of pasteborders in a week. Most of the admissions were of the \$50 denomination.

Columbus, O., May 30.—June 27 has been set as the date for consideration of Representative Duntz's bill which will give Governor Cox power to stop the Willard-Dempsey contest.

Varnell Declares Idaho Winner of Conference Meet

Spokane, Wash., May 30.—George Varnell, referee of the conference meet at Washington State college last Saturday, as sporting editor of the Spokane Chronicle, said:
"The University of Idaho is the Northwest conference track and field champion for the 1919 season.
"The protest made by the University of Idaho following the running of the relay race at the annual meet at Pullman Saturday, has been upheld by the advisory committee of the Intercollegiate Association of Amateur Athletes of America, and instead of W. S. C. winning the meet with 44 points to 42 for Idaho, the Moscow team is given the victory with 43 points to 41 for W. S. C."

The baton which should have been carried by Parker, the final relay runner of W. S. C., was found on the track following the race, and C. W. Bleamaster of Idaho made a formal protest to the officials.

"Doc" Stewart Quits Post

Lincoln, Neb., May 30.—Dr. E. J. Stewart, athletic director of the University of Nebraska, has resigned. Stewart has acted as football, basketball and track coach for the past three years. He was formerly football coach at the Oregon Agricultural college.

Driscoll Released by Angels

Los Angeles, Cal., May 30.—Paddy Driscoll, who was turned over to Los Angeles by the Chicago Cubs, was released by Manager Killifer yesterday.

BOSTON IS OUT AFTER NEW STARS

Red Sox Seeking Right-Handed Hitting Outfielder; Yanks Need Lead-Off Man.

By H. C. Hamilton
NEW YORK, May 30.—(U. P.)—There are vague rumors that something is about to happen among the Boston Red Sox. The very unsatisfactory showing made this spring by the team which was picked by many to run away with the American league pennant is causing concern to I. D. Barrows, manager, and Harry Frazee, president of the club.
Those whispers which have been wafted around baseball men, say that Bobby Roth, outfielder for the Athletics, and captain of that club, is about to be traded to Boston for Jack Barry, and some other changes also are mentioned.
BARRY MAY GO BACK
Roth, it is said, has disappointed Connie Mack and Barrows has been told by Barry on the bench most of the time to give Dave Shean the second base job.
Barrows has been badly in need of a right handed outfielder. Every fly chaser now performing in the garden for the world's champions swings from the left hand side of the plate with the sole exception of Del Gainer, who plays infrequently. And Gainer can hardly be classed as an outfielder.
Ed Barrows knows far too much baseball to continue as the club is going now. If the dope as presented here doesn't turn out it only means that the deal has been abandoned and that some other roll of the dice will be tried.
The Yankees are after an outfielder who can adequately fill the roll of lead off man. They have an excellent young outfielder in Sam Vick and also own a surplus of Del Gainer. Something might happen between the Yanks and Red Sox.

Keene Is Named O. A. C. Captain

University of Oregon, May 30.—Roy Keene of Salem was elected captain of the 1920 Oregon Agricultural college baseball team yesterday. The final game of the series between O. A. C. and Oregon was called off an account of rain.
