WAR SAVINGS STAMPS On Sale at Business Office, The Journal

Retarians in Charge-The Rotary club has agreed to take over the local mem-bership campaign for the Boy Scouts during the national Boy Scout week of June 8-14. H. C. Ewing has been placed in charge of the canvassing of the business district. He will work in conjunction with Mrs. Sarah Evans, head of the women's committee, who will have charge of the residential portions of the The figure for association memberships to be secured during the week has been placed at 3000. These associate members will be both men and women who will furnish a backing to the Boy Scout movement.

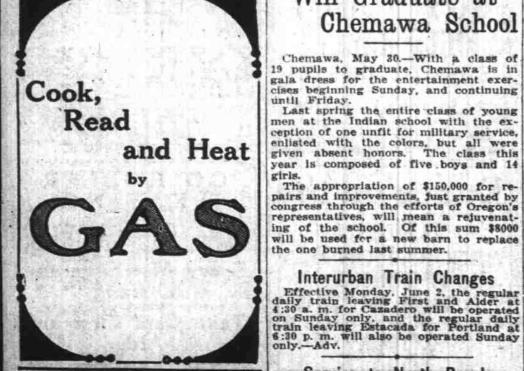

Flouring Mills to Put Up New Buildings-Plans for the construction of a new mill and warehouse for the Portland Flouring mills were filed at the office of the building inspector in the city hall Thursday by the Hurley-Mason occupy the block East First, East Second, East Stark and Washington streets. Plans call for the expenditure of approximately \$200,000. Foundations for the building already have been completed and work on the superstructures will be rushed, according to officials of the Hurley-Mason company.

Professor Reads Own Writings-Professor Charles Wilber Snow, instructor in English at Reed college, Thursday evening, read from his own writings, ideas gathered in wide ex perience in American colleges, in Alaskan travel, and in a year and a half of army experience as a commissioned artillery officer. The recital was in the men's dormitory. Professor Snow has conducted a Reed extension course in modern poetry at the city library for

Labor to Name Investigators-Governor Olcott is to appoint a commission of nine men to investigate the conduct of the compensation commission and three of them will be named by organized labor. The Central Labor council has asked the governor to allow it to name the three. The governor has intimated that he will consult the State Federation of Labor in making his ap-
