Beavers Advance Another Notch in Percentage Column When Oldham Wins Fourth Straight

OLDHAM PILOTS BEAVERS DOWN VICTORY TRAIL

Yippers Vainly Battle Against Relentless Offensive of Speed, and After Sixth Frame Counter Attempt They Look on With Dull Optical Orifices.

By George Bertz

TOHN "RED" OLDHAM, former lieutenant in Uncle Sam's fighting forces, has his opponents marking time to his southpaw slants nowadays. Yesterday he set Bill Rodgers' Yippers from Sacramento down by a 7 to 2 count, annexing his fourth straight victory in the last three weeks.

Oldham slipped his hooks past the Yippers in great fashion, save in the second frame, when Griggs, McGaffigan and Orr hit in a row, and in the sixth, when Orr and Murray landed safe ones.

Bill Piercy, who used to perform for the Vernon Tigers in these parts several years ago, hurled for the Senators and he was touched up pretty lively, but his own wildness and boot, coupled with one by Murray in the first frame, assisted the Beavers in piling up their markers.

Getting back to Oldham, he start-ed his string against San Francisco May 22, when he shut out the Seals, 9 to 0, and he beat Charley Graham's tossers three days later, 5 to 3. He gave a 3 to 1 win over Seattle in the second game of the Decoration, day double-header, at Seattle, and came back strong against Rodgers' gang on their first appearance here this season. SIGLIN BOTTLES FIRST

McCredie's men lost no time in getting started against the Yippers, after a great catch by Paddy Siglin, which resulted in a double play, killed a first inning for Sacramento. Wisterzil drew a walk and stole second and legged it to third on Blue's hit to right field, Blue going to second on the throw-in. Maisel poked a short one to right field, scoring Wisterzil, and Blue counted when Murray let Wolters' peg to the plate get away.

The Yippers tied the count in the second, when Art Griggs, ex-Beaver, slapped one to the center fence for two sacks. He scored on Mc-Gaffigan's hit to center and Marty reached third on Maisel's error. Orr's hit down the third base line scored McGaffigan.

CINCHED IN THIRD

In the third Portland sewed up Baker singled bethe, contest. tween first and second, and Cox hit a fast one over second, which Orr barely managed to reach. Oldham sacrificed but went safe when Piercy fumbled the ball. put Baker and Cox over the pan with a crack over McGaffigan's Wisterzil drew another pass, filling the sacks. Blue flied to Middleton for the first out, and Maisel forced Wisterzil at second, Oldham scoring on the play. Siglin was hit by a pitched ball, but Walker forced him at second.

Piercy settled down and did not allow a hit until the sixth, when Wisterzil doubled with two Hits by Baker, Cox and Oldham, and Wisterzil's long fly to Eldred gave the Beavers two markers in the

Sacramento had two men on the sacks in the fourth and again in the eighth, but Oldham's curves was too much for the Yippers. The score:

THYE WINS W. MILLER'S MAT TITLE

Seven-Year Title Holder Forced to Forfeit Match When Shoulder Is Injured in Fall.

TED THYE is the new world's middleweight wrestling champion. He annexed the title from Walter Miller, who has held the title for a number of years, Wednesday night in one of

staged in Portland. The lone fall of the match came after two hours and four minutes of grappling, when Miller, after having injured his right shoulder in a fall to the mat, signalled Referee Greenland to award the fall to Thye.

Thye fastened a wrist lock on Miller's left arm and when Miller spread his legs apart Thye tripped him and the champion fell to the mat with Thye on top, of him. Miller succeeded in breaking the wrist lock and when Thye was pressing down on his injured shoulder Miller put out his other hand to signal Greenland and Thye grabbed his wrist, which resulted in him nodding his head and calling to Greenland.

Miller laid on the mat a couple of minutes before he was able to go to his dressing room where, upon examination, it was discovered that the acromonal end of the clavicle in the right shoulder was badly bruised or

JAMES TO TAKE TURN WITH REGS

Former Star Hurler of Boston Nationals Appears to Be Ready to Mound Again.

By H. C. Hamilton JEW YORK, June 5 .- (U. P.) -- Every

once in a while someone enthuses over the performance of an old timer, pitcher or batter or shortstop or somehing, who has come back with a vigo that foreshadows again great worth as star ball player. Once in a while the thing lasts, as in the case of Larry Doyle or Jack Quinn.

Bill James walked to the center of the infield at Braves field yesterday and pitched five and a part of the sixth innings against the Dodgers who, despite their clubbing reputation, were able to reach the former champion speed ball demon of the National league for only six hits, a solitary run romping home the ninth inning. He fanned a couple of opponents.

The game already was lost was any good, and he evidently proved that he was. The rival National league clubs are at liberty to get all the con-solation they can out of the probability that James doubtless will be taking his regular turn now for the Braves.

There is no enthusiasm over James uccessful appearance just yet, but turn your memory back to the closing days of the 1914 season when three pitchers, working in regular turn, lifted a club from last to first place barely before the season's end. That Sensitive Spot Under Your Lip

No Stropping-No Honing

The Shaving Service-for Every Man-Everywhere

THE man who is just adopt-

ing the Gillette could hardly find a better place to prove out the Gillette Blade than that little hollow under his lip.

Probably for the first time, he will shave it really clean.

In fact, the stiffer the problems a man puts up to his Gillette, the more clearly he sees the all-round practical advantages of that scientific Gillette principle, embracing No Stropping-No Honing. This modern principle also signifies simplicity and case in

shaving—economy of time, saving of trouble. It signifies the hard-tempered, Gillette Blade—the blade that

holds its edge through shave after shave—the shaving edge you can depend on always. -Gillette
