

BOY AND GIRL PRIZE WINNERS TO BE KEPT OCCUPIED AT O. A. C. Agricultural and Home Economics Subjects to Be Taught During Two Weeks.

Oregon Agricultural College, Corvallis, June 19.—That there will be "something to do" all the time from June 23 to July 4 for the 30 boys and girls who, as prize winners in gardening, poultry, food preparation and other activities, are named by those in charge of the course.

They will receive instruction in agriculture and home economics subjects. Lectures will be given at general assemblies, the features of which will be the singing under the direction of Dr. D. V. Poling, formerly of Portland and now "The Secretary" of the live boys in the Alpha Rho clubhouse and the boys in Waldo hall.

State winners, together with counties from which they come and specialties, are as follows: Vera Owens, Jackson, corn growing; Gertrude Hardt, Polk, gardening; Helen C. Lester, Douglas, poultry, division 1; Russell Jones, Polk, poultry, division 2; Celena Tremayne, Clackamas, poultry, division 3; Donald Dillow Smith, Tillamook, dairy record keeping; Frances Johnson, Wasco, baking; Ruth Green, Multnomah, canning, division 1; Marie Gienger, Glass, Killehan and Pauline Gienger, Tillamook, canning team; Ella Kirby, Wasco, sewing, division 1; Dora Jackson, Wasco, sewing, division 2; Helen Gaffney, Clackamas, food preparation; Otto Blume, Linn, farm and home handicraft; Evelyn Glad, Tillamook, rural home beautification; Constance Bordwell, Jackson, Belgian hare raising; Elmer Roth, Marion, pork production, sow and litter; Nichols Brinkley, Marion, market hog; Theodore Resch, Clackamas, pure bred hog.

COMPREHENSIVE COURSE FOR MILITARY TEACHERS PLANNED

Oregon Agricultural College, Corvallis, June 19.—What is considered a comprehensive course of study has been mapped out by Colonel Joseph K. Partello, professor of military science and tactics at the college, for the Oregon teachers who wish to prepare to give military instruction in high schools next year. The course will start Monday. The war department has detailed Colonel Partello, Major E. C. Hanford and Captain Edward J. Gully to conduct the work.

O. A. C. Man Accepts Pittsburg Position

Oregon Agricultural College, Corvallis, June 19.—Fred A. Motz, a graduate of the college in 1917, majoring in pomology, has accepted a position with Crutchfield & Woolfolk of Pittsburg, Pa., one of the largest fruit-handling firms in the world. He will be one of their field representatives. Motz has been employed by the University of Virginia as extension specialist in horticulture. He was also offered the position of state horticulturist in one of the southern states.

Japanese Firm Pays Big Profits Taxes

Seattle, June 19.—(U. P.)—The internal revenue collector at this port has received a check for \$2,941,000 from the Nippon Yusen Kaisha, Japanese steamship company, for its excess profits tax for 1918. This is said to be one of the largest excess profits taxes levied on any foreign company doing business in the United States.

JOHN P. WALSH RAILROAD MAN TELLS TROUBLE

Had Suffered From Indigestion—Gains Fifteen Pounds on Tanlac.

"You will have to go a long way to find a medicine to equal this Tanlac," said John P. Walsh, a well known fireman on the Oregon-Washington Railroad & Navigation company, and whose residence is 974 Union avenue, Portland, while in the Owl Drug Store a few days ago.

"I suffered more or less with indigestion and stomach troubles for about ten years," he continued, "but this never gave me any very serious trouble until after I got up from a spell of 'flu' last winter. I was in a very weak, run-down condition, and it just seemed impossible for me to get started uphill again. My appetite was no good, and what little I did eat would sour on my stomach and cause me to be bloated up with gas for hours at a time. I was so restless and nervous at night that I never slept very much, and would just be 'all in' when time came to get up in the mornings. Then I got rheumatism in my shoulders, and from that time on I simply suffered more than I am able to express in words.

"I had been reading the different statements about Tanlac, and had heard several people say that they had been greatly benefited by it, so I decided to give it a trial. The first bottle didn't seem to do me very much good, but before I had finished the second bottle I began to feel a whole lot better. My appetite came back, and I soon noticed that my food agreed with me, and that I didn't have indigestion and sour stomach like I had been having. Well, I just continued to take Tanlac until I am now on my sixth bottle, and I don't believe there is a man in this country who enjoys better health than I do. I have gained fifteen pounds in weight, and am so well and strong that I never lose any time at all from my work. I am not nervous and restless like I used to be, and I sleep like a rock every night. In fact, Tanlac has completely overcome all my troubles, and I am as sound and robust now as I ever was in my life, and I speak a good word for Tanlac every time I have a chance to do so."

Tanlac is sold in Portland by The Owl Drug Co.—Adv.

Semi-Centennial to Be Celebrated by Washington Lodge

Washington lodge No. 46 of Masons is 50 years old. It will celebrate its semi-centennial Saturday afternoon at Gladstone park. A program of picnic sports, with a literary, musical and historical program in the evening is arranged. Arrangements have been made for a special train to leave East Water at 1:30 p. m. There will be trains at regular intervals during the afternoon and evening. It is expected that Judge M. C. George will preside. He has been a member longer than any other now living. The late Dr. Charles H. Rafferty held that honor for a number of years. Judge George was made a Mason in 1872 in Washington lodge. The first master was M. L. Pratt, a well known educator of early days. The celebration will be attended by Judge Earl C. Bronaugh, grand master; J. E. Richmond, grand high priest of the Royal Arch Masons, and others. Washington lodge has nearly 1000 members and is the largest "blue lodge" of Ancient, Free and Accepted Masons in the state.

EXCEPTION TAKEN TO RULING IN FISH CAR RATE REDUCTION CASE

Public Service Commission Points Out Oregon Car Brings in Revenue to Railroads.

Salem, June 19.—The stereotyped reply of the federal railroad administration to the request for a reduced freight rate on Oregon's fish distributing car is not at all applicable to Oregon's case, although it might apply to some other states operating their own fish car, according to the state public service commissioners, who have taken exception to the arbitrary action of the railroad administration in a letter asking further consideration of the case on its merits.

The commission takes exception to the attempt by the railroad administration to place Oregon in the same class with Missouri and Iowa in its consideration of the fish car case.

"We do not agree that the situation is identical" or even comparable to any

great extent," reads Chairman Buchtel's letter. "First, Oregon has a national reputation for the excellence of its trout and salmon fishing, and sportsmen come here from all sections of the country to take advantage of the opportunities afforded for superior fishing. Second, the commercial salmon fishing (not angling) is an immense industry, requiring the expenditure of hundreds of thousands of dollars and employing thousands of men, the pack being distributed to all parts of the civilized world, placing Oregon in a class by itself, especially in so far as comparison with Iowa and Missouri is concerned."

The letter also takes exception to that part of the administration's reply in which they seek to place the fish car in the same class as mine rescue, Red Cross, public health and similar types of special cars. While contending that it is at least a debatable question as to whether these cars might not reason-

St. Helens Gets Oil Distributing Plant

St. Helens, June 19.—A \$20,000 oil distributing station is to be erected here by the Standard Oil company, which was granted permission to put in the plant by the city council. The tanks will be erected in Railroad addition. The station will serve Columbia City, Scappoose, Warren, St. Helens and Goble.

Oregon Had 53 Fires During Month of May

Salem, June 19.—Fifty-three fires of varying origin—the cause of 24 of them unknown—in Oregon during the month of May resulted in losses totalling \$89,160, according to figures compiled by State Fire Marshal Harvey Wells. Pendleton suffered the heaviest loss, a barn and contents valued at \$18,000, while Haines, with a fire in which a barn was destroyed and several head of horses were burned to death, is second on the list with a loss of \$12,000. Thirty of the fires were in dwellings and seven were in barns in which 48 animals, mostly mules, were burned to death.

THEY'RE LOOKING FOR -JACK KING- IS LOOKING FOR THEM. CAN YOU BEAT THIS?

They come from all parts of the Pacific coast. When you have tried everything on the Rheumatic Calendar, and give up as a hopeless case, come and see Jack King. No cure, no pay. I have cured nearly one thousand cases to date, without a single miss. It is the world's greatest rheumatic cure, and no one can dispute it. It is my own discovery. Over 30 years' experience.
