Blood Transfusion Saves Woman; Hero Is Belmont Youth

Hood River, June 19.—Verties Smith of Belmont, learning that Mrs. Sam Campbell was critically ill and that good blood was wanted to tide her over the crisis, volunteered to submit to the operation. The transfusion was successful and the patient is improving.

In Twenty-third Term Hood River, June 19.—For the twenty-third time, M. H. Nickelsen was named Hood River school clerk at the annual meeting of the school board. J. W. Crites was elected a school director, in place of E. O. Blanchard.

Mrs. Newham in England Hood River, June 19.—Mrs. E. C. Newham, wife of the Rev. E. C. Newham, who left here with her infant daughter to visit her parents in England, has arrived at her destination.

Noted Physician Dies Chicago, June 19.—(I. N. S.)—Preparations are being made here today to receive the body of Dr. Harry J. Haiselden, noted Chicago physician, who died at Havana, Cuba, where he had gone to spend a vacation. Cerebral hemorrhage was the cause of his death. Dr. Haiselden was best known for his defiance of medical ethics in 1915, when he refused to operate to save the life of Baby Dollinger, a defective infant.

GLICKMAN'S Salvage Store
Alder, Corner Second—The Store With the Yellow Front

THE NEW RECIPE. The culinary delight in the days of yesteryear—redolent of the sweet memories of domestic joys. What delicious anticipation attended the creation of the new delicacy—the new dish—the dainty, delectable morsel that tickled the palate and gave the finishing touch to a sumptuous dinner!

Some women are good bread bakers. Others aren't. Under identical conditions one makes light bread, the other heavy. Even if the materials used by different bakers were the same, *Betsy Ross* would be better bread.

Our superior facilities, our modern equipment, our skilled bakers, our efficient methods—would result in better bread. But bakers don't all use the same quality of materials. There is perhaps more skimping now than ever before. Don't take chances. You can be sure of full value in nourishment and in money's worth in *Betsy Ross*. It's a saving loaf. It's size represents a big saving in materials and labor over the smaller loaf. Keeps better, too. Be sure to use *Betsy Ross*.
