

STAGE FOR FOUR DAY PROGRAM OF GREETERS READY

Some Delegates Already Are Here, but Majority Will Arrive on Opening Day of Convention.

SALMON BAKE TO BE HELD

Julian Eltinge and Company Will Be at High Jinks in Chamber of Commerce Wednesday Night

There are smiles from Jolly old Los Angeles from Denver and El Paso too as true, but old Portland stands here with a welcome and a smile for the bunch of you.

Glenn Hite of the Washington hotel is responsible for this, but every hotel man in Portland will back it when the greeters' special, bearing some 500 delegates from over the entire country, reaches Portland at 7 o'clock Tuesday morning.

The stage is all set for the four-day program with which Oregon Greeters will entertain their visiting delegates. President Charles Schreier this morning received word from Salem that the greeters would ship cherries enough to Portland for every greeter. The cherries will be distributed on the Eagle Creek campgrounds Friday when a big salmon bake will be held.

Julian Eltinge and his company will appear at the high jinks at the Chamber of Commerce Wednesday night. A portion of the delegates has arrived. The San Francisco delegation reached the city this morning; some of the Los Angeles visitors are on hand; V. S. Warriner, national secretary, is driving from Denver and is expected some time today. John T. Faxon, chairman of the board of governors, is here; the bulk of the visitors, however, will come with the special Tuesday morning.

RESERVATIONS MADE The visiting greeters will be housed at the following hotels: Portland, all national officers, Colorado, Kansas City, Utah, New England, Wisconsin; Multnomah—New York, San Francisco, Ohio, Chicago, California; Imperial—St. Louis, Spokane, Minnesota, Dakota, San Diego; Washington—Illinois, Des Moines, Iowa; Carlton—Iowa, Nebraska; Oregon—Alabama, Texas, Oklahoma, Pittsburg; Nortonia—Seattle; Seward—Michigan.

The convention will open at 10 o'clock Tuesday morning at the Portland hotel with addresses of welcome by Governor Olcott and Mayor Baker.

NATIONAL OFFICERS The national officers of the Greeters of America are: R. D. McFadden, Fremont, Neb., president; R. Gould, Newport, Me., vice president; San Francisco: J. F. Downey, New York; F. W. Eltemiller, Kansas City, Mo.; C. D. Schreier, Portland, and Robert Fischer, Atlanta, Ga., vice presidents; V. S. Warriner, Denver, secretary; E. Keith, Denver, treasurer; James G. Cleary, New York, national counsel; E. J. Hennessy, St. Louis, sergeant at arms. The officers of the Oregon Greeters are: Charles D. Schreier, Portland, president; Charles Q. Van Duyn, Carlton, Charles G. Miller, Hotel Marion, Salem, and H. Scott Wheeler, Hotel Impiqua, Roseburg, vice president; G. O. Madison, Nortonia, secretary; A. N. Hite, Washington, sergeant at arms.

OREGON COMMITTEE The following Oregon Greeters are in charge of the convention: Executive committee, officers and board of governors, consisting of A. E. Holcombe, Ray W. Clark, Edward H. Goudy, W. T. Newman, Ross Finnegan, J. L. Weaver, E. T. Farrell, L. L. Snodgrass and Lefe Compton. Registration: C. Q. Van Duyn, Glenn B. Hite, W. T. Newman. Program: F. W. Beach, Al Holcombe,

COLUMBIA SLOUGH TO COST MORE THAN THE ORIGINAL ESTIMATE

Owing to High Prices of Material and Labor Costs, \$50,000 More Needed.

Fifty thousand dollars in addition to the original estimate of \$273,000 will be required to construct the channel from Columbia slough to the Columbia river for drainage purposes. City Engineer Laurgaard told the city council this morning. The added cost, Laurgaard states, is due to increase in the cost of materials, equipment and labor since the estimates were made on March 15. The total estimate for cost of construction is now placed at \$298,950 and the probable price of right of way is fixed at \$25,000, calling for an expenditure of \$323,950 for the channel. Bids for construction were opened at the council meeting Wednesday and the Pacific Bridge company, the only bidder, asked for approximately \$100,000 more than the estimate of the city engineer. The bid was rejected and the city is now advertising for new bids. The council asks that all remonstrators be present at the opening of bids, which will be advertised in the daily papers.

Leave for Beach W. H. Raabe, accompanied by his wife and son, Howard C. Raabe, and four guests from Wisconsin, has departed for Long Beach, Wash., where the party will occupy one of Mr. Raabe's cottages for the season.

WILLARD P. ANDRUS, WELL KNOWN MASON, IS DEAD AT 70 YEARS

Lodgeman Was Born in New York; Held Offices in Fraternal Circles Here.

Willard P. Andrus died Sunday at his apartments in the Campbell hotel in his seventeenth year. Mr. Andrus was a well-known member of the Masons and was secretary of Imperial lodge No. 159; treasurer of Multnomah council No. 11, Royal and Select Masters; a member of Oregon commandery No. 1, Knights Templar and Al Kader temple, Mystic Shrine; secretary of Portland temple No. 3, Royal Arch Masons, and a member of other organizations. Mr. Andrus was born in New York state, October 10, 1849, and resided in Minneapolis for a number of years before coming to Portland 15 years ago. He was made a Mason in New Jersey in 1878 and had been actively identified with its work since then. Mr. Andrus was an accountant for Morris Bros. and was well known to many friends and fraternal brothers in this city and throughout the state. He is survived by two brothers, P. Andrus and Rev. J. C. Andrus, both of New York, and a daughter, Mrs. C. N. Swazer of Minneapolis, Minn. Funeral arrangements are in charge of J. P. Finley & Son.

Funeral of John Clark The funeral of John Clark, pioneer Portland business man, who died June 14, was held Saturday morning at the home of J. P. Finley & Son, Dr. John Boyd officiating. Mrs. Lulu Dahl Miller sang "Crossing the Bar" and "Beautiful Isle of Somewhere." The following were the pallbearers: Active: S. E. Helliway, E. Bisbee, John Schnell, Peter Yost, Charles French, John Spicker, Ace Adamson, Honorary: Ambrose Cronin, Edward Sharkey, Dr. A. J. Geisler, Herman George Duncan, John Hall. Final services were at the Portland crematorium. Mr. Clark was a residence of Oregon for 57 years and actively engaged in the saddlery business. He founded the John Clark Saddlery company. He is survived by a widow and five children.

Mrs. Sarah Jane Merrideth Mrs. Sarah Jane Merrideth, aged 81, a native of Michigan, died Sunday at the Emmanuel hospital. Mrs. Merrideth is survived by one daughter, Mrs. W. W. Merrideth, of Astoria, and several grandchildren of Couer d'Alene, Idaho. Funeral services will be held at the Portland crematorium Tuesday at 2 p. m. Rev. Joshua Stansfield officiating.

Angry Wife 'Tears Into' Woman Found With Her Husband

Holland Matthews, 701 First street, a streetcar conductor, is said by the police to have been found with his wife and his wife's companion at home Sunday afternoon. Mrs. Matthews was anywhere but at home, the police say. She found her husband at sixteenth and Gileas streets in company with Vernoa Polsimbe, 175 North Seventeenth street.

The greeting was unusually boisterous, officers who were called by neighbors declare. Mr. Matthews' companion is said to have been a repeat target for Mrs. Matthews' fists and in the altercation her eye glasses were smashed, her hair disheveled and an attempt at flight was caused by the loss of the heel of one shoe. Motorcycle Officer Goldstone interfered and arrested the "other woman" and turned her over to the police. A protective bureau on a charge of disorderly conduct. Mr. and Mrs. Matthews were released to return to their home.

Labor Convention Indorses Wilson's Stand on Liquor

Atlantic City, N. J., June 23.—(I. N. S.)—The radical element in the American Federation of Labor was again overwhelmingly defeated here today. A resolution introduced by James Duncan of Seattle, leader of the radicals, criticized President Wilson severely for asking the suspension of national prohibition July 1. The resolution created a furore on the floor and was voted down amid cheers. President Gompers will appoint a committee to confer with Walker D. Hines, director-general of railroads, and ask him to recall his recent order prohibiting railroad workers from engaging in politics.

Last Battalion of 310th Engineers Is To Leave Archangel

Washington, June 23.—(I. N. S.)—The last battalion of the 310th engineers will leave Archangel Wednesday, the American consul there this afternoon called the state department. The members of the 339th infantry, which recently left that sector, were given friendly farewells by all the villages in which they were stationed and through which they passed, it was stated. Peasantry and officials of all grades expressed regret at the departure of the Americans, "who had aroused the admiration of the allied and Russian commands, especially for their morale and enthusiasm in difficulty and in dangerous undertakings," the dispatch added.

Truck Driver Hit By Street Car Dies

John Campbell, 44 years of age, who was injured Saturday when a truck which he was driving was struck by a streetcar at East Seventh and Multnomah streets, died Sunday afternoon at St. Vincent's hospital. The injured man suffered a fractured skull in the smash-up. His body was turned over to the coroner and an inquest will be held.

Russ Ship Sunk Washington, June 23.—(U. P.)—The Russian cruiser Oleg was reported sunk June 18 during a fight between British and Bolshevik ships operating off Kronstadt. Finnish advices to the state department announced today.

Ambitious Youth Exonerated His Chickens Have Feathers

Believing that the chickens which an ambitious youth is raising in a back yard at Fremont street, might be of the human variety, an unidentified neighbor called the police Saturday and demanded that Chief Johnson investigate. A placard bearing the words, "Stop: A club member lives here; see my chickens," was the cause of all the trouble. The club, fostered by the public schools, was intended to stimulate the interest of children in raising chickens and pigs and the invitation carried on the placard, which was hung in front of the rear of the club, was the club, was intended to cause the children to view one another's efforts in poultry raising. But the indignant neighbor, knowing nothing of the children's work, had vague suspicions that some person was maintaining a brood of human "chickens" on the premises and, in righteous wrath, demanded the investigation. Two members of the merc squad visited the premises, saw the chickens and reported the facts to Chief of Police Johnson. Nothing further has been heard from the suspicious neighbor.

DECISION IN PAVING SUITS AT ILWACO S AGAINST BOND FIRM

Must Pay Part of Zindorff Claims but City Is Found to Owe Contractor \$3839.55.

South Bend, Wash., June 23.—Ilwaco paving suits, which have been in the superior court of Pacific county many months, have just been decided by Judge H. W. E. Hewen, favorable to various claimants and against the Massachusetts Bonding company. The action was the result of a paving contract which the city let to M. P. Zindorff, who sublet the job to L. L. Cline. Zindorff was bonded by the Massachusetts Bonding company for a sum of \$10,959.40, for faithful performance of the contract. Creditors of Cline brought suit against him and the legal settlement of the case was in the hands of Judge Hewen's decision. The Ilwaco Lumber and Supply company is given judgment for the amount of \$38,395.55, with interest and an attorney fee of \$25. George W. Sanborn & Sons recover \$1,009.34, with interest and an attorney fee of \$125. The Brookfield Quarry & Tawage company recovers \$147,710, with interest and an attorney fee of \$130. The claims of The Columbia Digger company and the Niekum Sand & Gravel company are denied. The town of Ilwaco is denied its claim of \$25 for water furnished. The town of Ilwaco is directed to pay over to the register of the court \$3839.55, being a balance in its favor against the contractor, Zindorff, this amount to be prorated on the claims allowed. The balance is to be recovered from the bonding company.

GO AHEAD ON LEAGUE, SAYS HALE

(Continued From Page One) time or any circumstances," had he described the League of Nations as a partisan question. Cummings added that he considered the League of Nations an American issue. KNOX WILL WAIT Senator Knox declared this afternoon that it was not his intention to abandon his resolution calling for consideration of the League of Nations by the American people after the Senate of peace. "Of course, I intend to press my resolution to a vote, but a vote after July 1 will be just as good as a vote now," Knox said. "The single question raised by the resolution is, as to us, that the league should receive further consideration by the people before the senate advises its inclusion in the treaty. This cannot be done without delaying peace a moment, and can be accomplished by exchange of diplomatic notes at any time. "It will be remembered this proposition of separate consideration was presented to the senate December 3, 1918, before the president left for Europe and was pigeonholed in the committee on foreign relations, then under Democratic control. The lull in the storm of the League of Nations controversy promised by the abandonment of the Knox resolution, for the present, the senator said, is not an endorsement of the league plan and other anti-league senators from continuing to insist that league opposition be made an out-and-out Republican issue, it was ascertained today from an authoritative source. Borah was openly dissatisfied with the trend of events. He was among the uncompromising foes of the league plan who had anticipated a fight all along the line as a result of the Knox resolution. He has repeatedly stated that he would "rather go down fighting than compromise." The Lodge announcement that the Knox resolution was not to be presented until the pending appropriation bills were disposed of by the senate was not to his liking. In France experiments are being made with a view of utilizing dead leaves in the manufacture of paper.

ACTION TO RECOVER \$20,000 IS STARTED AGAINST ATTORNEYS

Aged Woman Alleges That Money Was Secured From Her Through Fraud.

Suit to recover \$20,000, said to have been obtained from Mrs. Permelia Tyler, aged 85, by John N. Selvers and George A. Hall, attorneys, through fraud, was started by Circuit Judge Kavanaugh today. Mrs. Tyler charges that the attorneys urged her into signing away the money, in the shape of stock certificates, in order that a \$100,000 suit for alienation of affections, pending against her, might be dismissed. The suit was brought by Harry Henderson, who charged that Mrs. Tyler had bought his wife valuable gifts in order to win Mrs. Henderson for William Tyler, Mrs. Tyler's son. William Tyler and Mrs. Henderson were arrested on a statutory charge and the alienation suit resulted.

BOY ASKS FOR ATTORNEY

Lester Satterwhite Escaped From Jail in 1916 After Confessing Crime. Lester Satterwhite, 18, charged with robbing a tailor shop in the Railway Exchange building in November, 1918, and who escaped from the city jail where he was confined following his confession, asked Circuit Judge Gatens today to appoint an attorney for him as he had no funds. Morris Goldstein volunteered to handle the case, being touched, as he said, by the boy's youthful and innocent appearance. Satterwhite was caught a few weeks ago and held in the old charge because he had escaped from the city jail after his original confinement. It is expected that Mr. Goldstein will ask for an indefinite continuance of the case revocable at any misbehavior on the part of the boy.

I. W. W. Leader Up Monday

In spite of numerous objections from George Vanderveer, counsel for I. W. W., and held on the petition of Deputy District Attorney Barnett Goldstein was granted by Federal Judge Bean this morning, setting the hearing in the case of Neill Guiney, alleged I. W. W. leader, for next Monday. Mr. Vanderveer objected to the delay, claiming that the government attorneys had already had sufficient time to prepare their case, and stating that it was impossible for him to be here next Monday because of engagements in Spokane and Montana. Mr. Goldstein requested the delay because certain important documents bearing on the case had not yet been received from Washington. He stated that the government could not present its case without these papers. Mr. Vanderveer attempted to disprove the importance of this evidence from Washington, but P. Monahan, of the immigration service, was called to refute his argument.

WHEAT GROWERS TO GET RETURNS

Max Houser, Continuing in Dollar Job, Says Producers to Be Treated Fairly.

Every wheat grower in the Pacific Northwest will be given every portion of every cent to which he is entitled on the government's guaranteed price for wheat this season. This is the big reason that Max H. Houser, second vice president of the grain corporation, with headquarters at Portland, retains his dollar a year job with the government. Mr. Houser went east on a recent trip with the view of severing his connection with the grain corporation, but was persuaded by Mr. Barnes, head of the organization, to continue during the 1919 season. "The grain corporation here will be maintained at even a greater efficiency than it has been in the past," Mr. Houser said. "Owing to war conditions, with consequent lack of man power, we were compelled to get along as best we could, and therefore, had to stomp. "This season we are going to make doubly sure that every wheat grower will get every cent he is entitled to, and we will have field agents to see that no sharp practices whatever are practiced upon the grower. He will get the government price on whatever grade of wheat he has to offer. During the last two years wheat growers in the older grain sections received quite fair treatment, but many complaints were received from growers in sections that had never before grown any grain for sale to outside points. These latter sections are now being treated as follows: "The grain corporation here will be maintained at even a greater efficiency than it has been in the past," Mr. Houser said. "Owing to war conditions, with consequent lack of man power, we were compelled to get along as best we could, and therefore, had to stomp. During the last two years wheat growers in the older grain sections received quite fair treatment, but many complaints were received from growers in sections that had never before grown any grain for sale to outside points. These latter sections are now being treated as follows: "The grain corporation here will be maintained at even a greater efficiency than it has been in the past," Mr. Houser said. "Owing to war conditions, with consequent lack of man power, we were compelled to get along as best we could, and therefore, had to stomp. "This season we are going to make doubly sure that every wheat grower will get every cent he is entitled to, and we will have field agents to see that no sharp practices whatever are practiced upon the grower. He will get the government price on whatever grade of wheat he has to offer.
