WEATHER CONDITIONS

A shallow depression overlies the central portion of the country, and the barometer is relatively high on the north Pacific coast and over the middle and north Atlantic states, the highest reading being at Marshfield, Oregon. Rain has fallen on the Western Washington coast, and in portions of the Mississippi valley and Texas; the greatest amounts in the last 24 hours were 1.32 inches at St. Paul, Minesota, and 1.10 inches at St. Louis, Missouri. The temperature is above normal in central districts, and below normal on the middle Pacific, Gult and Atlantic coasts. OBSERVATIONS

# Will Complete Course Begun 35 Years Ago

University of Oregon, Eugene June 23.—After an absence of nearly 35 years, Miss Anna Coffin of Seattle is returning to the university this summer to complete her course. Miss Coffin entered the university in 1883 but, after completing two rears, left school to teach at The Dalles. Later she went to Washington state, continuing her work through correspondence. She will be able to obtain her degree with the courses she takes this summer.

Mrs. Grigsby obtained a modification Preston said Sunday that men who of the decree at Oregon City and the had quit their desks and gone to work child was to have been turned over to in the shippards reported that they were her aunt, Mrs. Truax. When the aunt getting higher wages than before and went to claim the child she was told she had mysteriously disappeared. Miss Walters declares the child went to bed Friday night a week ago and was not found the next morning. The supposition was that the girl had been kidnaped. The mother now believes some moneyed person has adopted her, as she is a beautiful child. It is be-lieved from the condition of the letter

# It's Your Eyes!

Hundreds of men and women suffer untold hardships and pain without knowing the cause. Of no comfort to themselves or others, enjoying nothing, they are in constant distress. They resort to medicine without relief.

Headaches, stomach ailments, indigestion, brain fag, and other disorders are often directly traceable to improper vision. If your eyes are at fault, and this cause is not removed, you cannot be cured permanently.

If you suffer without apparent reason, if your nerves are unstrung, look-to your eyes! Correcting them may tone up your health, giving you new life and

free of charge.

My third of a century practical experience in eye examinations and correct fitting of glasses assures you of an unexcelled quality of service. I guarantee satisfaction in every respect.

I use no drugs, as drugs are dangerous. I exchange your glasses, when necessary, for one year

FACTS NO. 451 IT COSTS MONEY

Oregon's available road fund for 1919 totals more than \$20,000,000 yet when taken into comparison with Illinois spending \$85,000,000 on 4600 miles of road, while Oregon's State Highway system totals 4300 miles, it is not excessive. As a modern sage says, "It costs like hell to live, but it's worth it," is applicable to roads when paved with
