

SACRIFICIAL CLEARANCE SALE

A Mighty Cleanup of the Entire Season's Business

A Bold Disposal of Merchandise Not Undertaken by Any Other Store

Tomorrow begins the second week of the great Clearance Sale. Once more this store has clearly outdistanced all others in great bargain giving. Here is your choice of stylish and wanted merchandise at prices that mean genuine savings.

We have made daring reductions because we want to stand by our well-known policy of "Clean Up Every Season." Everyone knows that we

have no room to carry over goods from season to season — we need every foot of space we have. These great price reductions represent actual cash savings. The public well understands that a bargain at "Levitt's" is a true bargain and the lowest price in the city. You must not delay—quantities are moving fast. While this is going to press prices are soaring—but the Clearance Sale must go on just the same.
