Oregon and Washington Embryo Officers Lead Men From All Parts of West.

San Francisco, July 18.—College men from Oregon and Washington representing the Oregon Agricultural college, the University of Washington, Washington State college, and Wentworth M. A., in the reserve officers training corps summer camp at the Presidio, achieved first honors at the record rifle shooting of units of the first battalion of the regiment on the government rifle range at Fort Berry last week, according to official announcement.

The Oregon-Washington collegians comprise Company C, one of the four companies of the first battalion, and were in competition with R. O. T. C. men from colleges throughout the entire west, emerging with both highest company and highest training scores.

The names, official ratings and honors of those men winning special honors and their official designations are as follows, the scores being based on a possible 100 scores of 110 to 125 rating the men as marksmen; scores above 125 rating them as sharpshooters:

- Sharpshooters—
- A. B. Christiansen, Moro, O. A. C. 126
- A. J. Schofield, Seattle, Wash., U. of W. 123
- C. B. Bonfield, Tacoma, Wash., U. of W. 121
- Karl Neuhaus, Ferris, Cal., O. A. C. 120
- B. H. Jennings, St. John, Wash., W. R. C. 120
- H. H. Moore, Corvallis, O. A. C. 120
- N. B. Skyle, Astoria, Wentworth, M. A. 120
- J. Jaeger, Pullman, Wash., U. of W. 120
- Ralph Culver, Seattle, Wash., U. of W. 120
- P. U. Cooke, Bellingham, Wash., U. of W. 120

Unruly Prisoner Is Injured in Battle

Roseburg, July 18.—Not until he had been beaten down with the butt of a revolver was Joe Juvich, a Czecho-Slovak, held in connection with the recent Scottsburg robbery, subdued when he started to clean up the county jail. He attacked S. A. Cramer, charged with appropriating some of the money taken. John Karis, charged with part in the same robbery, called deputy sheriffs to stop the fight. The officers were aided by Patrolman Finn of the Portland police force and State Officer Frank Hopkins. Juvich was seriously cut during the melee.

"TANLAC MORE GOOD THAN ALL OTHERS TOGETHER"

This Is What Farmer Says of Tanlac—Gains 15 Pounds—Had Suffered 25 Years.

"You may know that Tanlac is doing me a lot of good or I wouldn't have come nearly 20 miles to get these three bottles I am buying now," said Samuel Bacon, a well known and prosperous farmer who lives at Boring, Or., while in the Owl Drug Store in Portland the other day.

"I have been trying for twenty-five long years to find a medicine or treatment that would overcome my troubles," he continued, "and Tanlac is the only thing that has ever done me any good at all. During all these years I suffered terribly from rheumatism in my back, and there were times when I was in such bad condition that I couldn't turn over in bed, and after sitting down for a little while I could hardly get up again. My kidneys bothered me a great deal, too, and I would often have to get up four or five times during the night, and the pains in my back were so severe that I rarely ever got any sleep. My appetite was very poor, and what little I did force myself to eat would give me indigestion in the worst way. I lost a lot in weight, and finally got so weak and rundown that I could hardly walk or stand on my feet."

"Then I heard about Tanlac through my daughter who had been greatly benefited by taking it. In fact, she was so pleased with Tanlac that she bought me a bottle of it and told me that she thought it was the very thing I needed. Well, sir, I began to feel stronger and better in every way, and before long I had finished that first bottle. I have taken three bottles so far, and I eat so much that I actually get ashamed of myself sometimes. When I eat again, I eat, too, and I never have a sign of indigestion now. I have gained 15 pounds in weight, and feel like a different man altogether. The pains have left my back, and my kidneys seem to be in first class condition, and I never have to get up during the night any more. I am also free from rheumatism and, in fact, I feel better in every way than I have for many years. I tell you, this Tanlac is a good medicine, and has done me more good than all the rest of the medicine put together I have taken during the last 25 years, and I think that is saying a good deal."

Tanlac is sold in Portland by The Owl Drug Co.—Adv.
