Said She Found What She Had Been Looking For Seattle Woman Sought Relief For Seven Years—Gains 20 Pounds Taking Tanlac.

"Nothing ever helped me until I got Tanlac and that's why a good deal for I have been trying for seven years to find relief," said Mrs. Peter Broe, residing at 1518 Bigelow avenue, Seattle, Wash., recently.

"But," she continued, "Tanlac has given me everything I had hoped for. I have not only been relieved entirely of my pains, but I feel perfectly strong and well and have actually gained 20 pounds in weight. I had suffered terribly from indigestion for fully seven years. I would hardly get my food down before I would begin to have awful cramping pains in my stomach, which were so bad sometimes that I would almost double up. Finally my appetite left me entirely and I would simply suffer agony from what little I did eat. I would blow badly with sour gas and had a very disagreeable taste in my mouth all the time and was extremely nervous. I was constipated all the time and never went through a day in years without a headache. These headaches would almost blind me at times and I would just have to leave my housework and everything go and lay down. I lost weight continually and felt tired and worn out all the time. My condition gradually became more distressing in spite of all I could do and I became discouraged as it looked like nothing could help me.

"I read so much about the good Tanlac was doing for others who suffered the same way that I decided to try it and it certainly has given me that long hoped for relief. It just seemed to tone my bowels right up. My appetite is just fine now and I can eat just anything and enjoy it and never suffer a particle with gas, pain or any other signs of indigestion. I am no longer constipated and have not had a headache since right soon after I began taking Tanlac. I now feel strong, healthy and well in every way now and am glad to recommend Tanlac to everybody who has any reason whatever to take any kind of medicine.

Tanlac is sold in Portland by The Owl Drug Co.—Adv.
