Continuing the Two Great August Sales

Both Sales Offer Articles That Women Are Buying for Future Use — Act Now!
Both Sales Bring Savings That Will End With the Month—When Usual Prices Will Prevail

Furs

*At Prices Not to Be
Repeated After August*

—August Sales of Furs were announced all over the city the moment our Sale was put into motion. But most of them have died out. "Up like a rocket—and down like a stick"—that's what one clever woman said about them!

—The real reason for the continued success of our August Sale of Furs is Value Unusual—Prices that can not be repeated after August 30th are in effect during this August Sale!

—The most fashionable pelts—some of them very difficult to obtain at any price now—have been used in these handsome garments. All are beautifully lined and tailored.

—Coats, Coats, Animal Scarfs, Stoles, Throws, of Hudson Seal, Scotch Mole, Lynx, Mink, Jap Mink, Cooney—all the most wanted and most fashionable furs here at August Sale Prices.

—Convince yourself of the savings. Compare the prices quoted on the green tickets—those in effect during August with those on the white cards that go into effect on the first day of September. You will instantly see the advantage of buying now. Prices range from \$18.50 to \$800.

—Convenient Terms of Payment May Be Arranged If Desired and We Will Hold Your Furs Until You Are Ready for Them.

—Third Floor, Lipman, Wolfe & Co.

Blankets

*At Savings That Must
End With the August Sale*
