WOULD YOU LIKE TO SAVE A DOLLAR? "OF COURSE"

THEN HOW WOULD YOU LIKE TO

You can do it by buying your used car from us. We are not in the used car business and do not derive our profit from that source. Our used car stock consists of cars taken in as part payment on a recent shipment of new Chevrolets. The sales on new Chevrolets are so heavy this we can afford to handle these cars without profit,

We feel that our reputation and future su cess is just as much at stake in selling used cars as in selling new ones. Your choice of following list will be found as represented.

1919 Chevrolet sedan, only run about 2000 miles. Equipped with bumper, new spare tire and cover and several other extras, \$1150. Ford touring. This car was sold once. The purchaser could not keep up payment. We will sell it for the balance due, which is \$325. 1918 Chevrolet touring, good tires; good paint, good upholstering, demountable rims and several extres. \$675. 1916 Chevrolet touring, good tires, fair paint our LOSS mechanically. \$425.
