

COMMITTEE TAKES STEPS TO HONOR T. R.'S MEMORY

Members of Oregon Branch of Roosevelt Memorial Association Hold First Conference.

DR. COE IS STATE CHAIRMAN

Small Contributions From General Public, and Not Large Individual Gifts, Are Desired.

Admirers of Theodore Roosevelt in Oregon and throughout the country will be given an opportunity to contribute to a \$10,000,000 fund for the erection of a suitable memorial in his honor. Following a conference at the Benson hotel Tuesday afternoon, announcement of a campaign to raise \$75,000 toward this fund in Oregon was made by Edward H. Brown, district manager of the Pacific coast for the National Roosevelt Memorial association.

Dr. Henry Waldo Coe is chairman of the committee in charge of the campaign in this state. Thomas B. Neuhausen has been named secretary and Edward H. Sensesich, treasurer of the organization. Other members are: Mrs. Frederick Eggert, A. F. Flegal, Arthur I. Moulton, Dr. Andrew C. Smith, Edgar B. Piper and Senator George E. Chamberlain, all of Portland; Bruce Dennis of La Grande; Mrs. Lawrence T. Harris, Salem; and John H. Smith of Astoria.

A conference of the Oregon committee will be held in Portland September 15, when plans for distributing the quota to be raised among the counties of the state will be laid and a district chairman appointed. According to the expressed wishes of the Roosevelt family, no large contribution will be given every resident in the state to add something to the memorial fund.

It is the desire of the officers and members of the Roosevelt Memorial association and of the members of the Roosevelt family that the memorial erected shall be an expression of respect and love from the people of the country and not the gift of individuals," said Dr. Coe. "All the expense of organizing the memorial association and of collecting the fund will be borne by William Boyce Thompson of New York, president of the organization and a lifelong friend of Mr. Roosevelt. Every penny contributed will be actually used in the construction of the memorial agreed upon."

MEMORIAL PARK PROPOSED
Just what form of memorial will be chosen is still a matter of conjecture, according to Manager Brown. It has been proposed that a monument be erected in Washington, D. C., and also that a memorial park be established at Oyster Bay or Sagamore hill, the home of the Roosevelt family for several years prior to his death.

The raising of funds will not be a difficult matter, according to Brown. No attempt will be made to urge contributions and the purpose of the organization is solely to afford opportunity to all who wish to share in the building of the memorial. Committees have been appointed in all the states and wide publicity is being given the movement.

COMMITTEE TO MEET SOON
The Washington committee consists of William H. Cowles, Spokane, chairman; Thomas Burke and D. S. Willis of Seattle; M. C. Moore and H. H. Turner, Walla Walla; H. C. Lucas, Yakima, and George Turner of Spokane. This committee will meet at an early date and devise means of raising the \$100,000 quota assigned to Washington. On September 18, a joint meeting of the Oregon, Washington and Idaho committees will be held in Portland.

Members and officials of the Roosevelt Memorial association include men of every shade of political belief, many of them opponents of the policies of Roosevelt during his lifetime. Honorary presidents are William H. Taft and Charles E. Hughes; honorary vice presidents, Henry Cabot Lodge, John Mitchell, A. T. Hert, Hiram W. Johnson and John T. King.

President, William Boyce Thompson; vice president, William Loeb Jr.; treasurer, Albert H. Wiggin; secretary, Harry M. Blair; assistant secretary, Hazel H. Plate. Headquarters of the organization are established in New York.

Standard Oil Pays \$2000 More Tax In July Than June

Salem, Aug. 12.—A material increase in the use of motor vehicle fuel oils in Oregon is indicated by the size of the check received Tuesday by the secretary of state's office from the Standard Oil company in payment of the tax on the July sales of gasoline and distillate. The July check for \$25,761.80 is approximately \$2000 greater than the check covering the June sales. This represents the tax of 1 cent per gallon on 2,554,864 gallons of gasoline and 1/2 cent a gallon on 442,832 gallons of distillate.

Anemic People Need Blood-Iron Phosphate

Anemic people are usually thin, pale, weak, discouraged, nervous wrecks, showing that lack of iron in the blood is all too frequently accompanied by a run-down nervous system due to lack of phosphorus. Strength, health, vim, vigor and energy depend almost entirely on making up this deficiency in iron and phosphorus.

Unquestionably one of the best things for this purpose is the great Standard Oil company known among our druggists as Blood-Iron Phosphate. Folks who have tried it say that one five-grain tablet with each meal quickly restores depleted nervous energy, enriches the blood, increases strength, vitality and endurance, and those who are thin usually put on pounds of solid stay-there flesh in a short time.

Inasmuch as The Owl Drug Co. and all other druggists are authorized to sell Blood-Iron Phosphate under a guarantee of satisfaction or money back, every thin, weak, nervous or anemic man or woman should give it a trial without delay.

Important—Blood-Iron Phosphate is sold only in original packages, containing enough for three weeks' treatment, at \$1.50 per package—only 60 cents a week.—Adv.

Distinguished Autumn Blouses

A DRESS blouse of black pualette has the new doubled silk threads to represent fringe and jet buttons; it is hip length and there is an elaborately embroidered underbodice of dark blue Georgette.

A FLESH COLORED blouse of Georgette has the new very short peplum slashed in squares and bound with old blue taffeta; the girdle is a rope made of the taffeta and there is further enrichment by means of Valenciennes in a "real" pattern. Largely hand-made.

A DELIGHTFUL blouse of midnight blue Georgette is interestingly draped with a sash and has Paris-like hand-hemstitching and delicious puffings and insertions of coffee colored lace and chiffon.

A DIGNIFIED blouse of dark blue tricolette is embroidered with gray wool and has circles of misty gold work and braided golden girdle.

A CATAWBA COLORED blouse of Georgette has long, loose flaring sleeves and is embroidered discreetly with jet beads.

A FAIRY-LIKE net blouse has touches of turquoise ribbon and the new short peplum.

A FLOWERED chiffon blouse has Pierrette collar.

A GEORGETTE blouse in flesh color has wide upturned ruffles of Valenciennes and insertions of organdie.

A NOTHER adorable model for dress is of Georgette with apron peplum of puffings of chiffon and insertions of lace that looks like real Valenciennes. Largely finished by hand.

FAR TOO MANY other beautiful new blouses to describe. We shall be glad to show them to you. \$10 to \$60
