YOUTHS CONFESS POOL HALL THEFT, SAY INSPECTORS

Clarence Vandoly and Ed. Ring Admit Taking Cash and Tobacco, Declare Detectives.

MANY ROBBERIES REPORTED
Complaints to Police Indicate City Is Swamped by Wave of Petty Peculations.

Two alleged burglars were captured and two burglaries cleared up Thursday night, when inspectors Goltz and Howell arrested Clarence Vandoly, 17, and Ed Ring, 19, whom they say have confessed to robbing the Multnomah poolroom, 347 Morrison street.

The place was entered Wednesday night and a quantity of cigarettes and \$17.50 in cash were stolen. About \$22.50 was stolen two months ago. The officers have recovered nearly all the cigarettes and part of the money. They report the boys made a full confession. Vandoly will be tried in the juvenile court.

G. F. Sullivan of 144 First street reported to the police that a storage battery had been stolen from his automobile truck while it was parked for a few minutes Thursday at East Twenty-second and Salmon streets.

APARTMENT IS ENTERED
Someone evidently with ulterior motives broke the Yale lock of the front door of the Grand-Oak apartments, Wednesday night, according to a report made to the police by the manager, J. M. Brown. Inspectors Goltz and Howell scout the burglary theory, believing a tenant lost his key and used this means of gaining access to the apartments.

Inspectors Hellyer and Leonard hurried to 199 Blandina avenue Thursday night in response to a burglary call at the home of R. Mason, but when they arrived they found that nothing had been stolen. Someone had entered the house during the family's absence and ransacked things, but nothing of value was stolen.

TIRES ARE STOLEN
Inspectors Van Dusen and Russell located several tires and inner tubes stolen from the Broadway Tire Shop Wednesday night, when about \$200 worth of automobile accessories were stolen. The cache was found behind a sign board about 200 feet from the shop. This is the third time this place has been robbed recently.

The thief who entered the home of Mrs. Barr at 731 Everett street chose the basement for his scene of operation, making away with part of the family laundry. Another tried the room of R. H. Clark in the Barton hotel and was rewarded with a beating. The thief, while a third slipped up to the home of F. A. Kenny of 852 Depauw street, while the latter was eating supper, and stole his bicycle. Captain Circle has assigned detectives to each of the above cases.

Inspectors Mallet and Tichenor located a vacuum cleaner in a pawn shop yesterday which was stolen several days ago from the home of M. C. Davis, who has moved to The Dalles since the robbery was committed.

Act of Streetcar Held Reckless; 2 Collisions Result

Alleged reckless driving of an Irvington streetcar resulted in two collisions at the corner of Multnomah and Grand avenue Thursday afternoon. The streetcar was approaching the turn from Multnomah into Grand avenue and slowed down as if to stop for passengers who were waiting at the curb, but instead of making the stop, witnesses declare, the car suddenly shot forward at full speed, colliding with a motorcycle and later with an automobile going north on Grand avenue.

Jack Harper, 1168 East Seventeenth street north, who was riding on the motorcycle, was seriously injured and taken to St. Vincent's hospital. Mrs. L. E. Reed, of Ridgefield, Wash., driver of the automobile, was taken to Emergency hospital and later removed to St. Vincent's, where it was found that she had suffered painful injuries. Frank Swartz of Ridgefield, who occupied the auto with Mrs. Reed, received cuts and bruises about the head. The streetcar was driven by A. D. Kidd.
