

AUTO LICENSE LAWS OF STATE ABUSED BY PURCHASERS, CHARGE

State Officials Say More Stringent Laws and More Rigid Enforcement Necessary.

Salem, Aug. 22.—More stringent state laws and more rigid prosecution under state laws now existing are the only solution for the ever mounting number of automobile thefts and various abuses of the automobile registration law reported from every section of the state, according to Sam A. Koser, deputy secretary of state, and Chauncey Butler, in charge of the automobile registration department in the secretary of state's office.

An instance has just come to the attention of the automobile department in which a purchaser of a second-hand automobile had been presented with a pair of license plates which had been found. The purchaser was using these plates, thus avoiding the necessity of registering.

Dealers in junk, it is stated, oftentimes salvage the license plates from old cars, which they sell at a mere pittance, thus robbing the state of its rightful license fee, without any recourse by any present existing laws.

Present laws regulating the sale and transfer of automobiles, they say, are not sufficiently stringent to prevent numerous abuses of the state license laws.

STATE LAWS PROVIDE FOR NAVAL MILITIA IN OREGON

Salem, Aug. 22.—In spite of the fact that all federal laws pertaining to the organization and maintenance of naval militia have been repealed, the laws of Oregon still provide for the organization in this state and money appropriated for its use by the state legislature is still available for naval militia purposes. This is the gist of an opinion prepared by the attorney general's office in reply to a query from Adjutant General Conrad Staffin as to the status of the Oregon naval militia. The organization in this state consists of but two men at this time. Both of these men are commissioned officers, Captain George S. Shepherd and First Lieutenant Harold C. Jones of Portland, neither of whom are recognized by the federal authorities.

ALL STOCKHOLDERS MUST GIVE CONSENT TO ISSUE OF STOCK

Salem, Aug. 22.—The Log Cabin Baking company of Portland must secure the unanimous consent of its stockholders before it can increase its capital by issuing \$50,000 in preferred stock with a guaranteed dividend of 8 percent, according to an opinion by the attorney general's office, for the guidance of the Corporation Commissioner and the Board of Equalization. A guarantee returned to the purchasers of the new preferred stock, the opinion holds, would be a discrimination against the holders of the common stock, and could not be made without the consent of all present stockholders. The Log Cabin Baking company is now capitalized at \$100,000.

LOGGING COMPANY MAY BUILD SPUR ACROSS COLUMBIA ROAD

Salem, Aug. 22.—The right to construct an industrial spur railroad track across the Keystone road in Columbia county is granted to Pulliam & Rice, a logging company, in a public service commission order issued Thursday. The track is approximately 250 feet in length and connects with the logging railroad of the Benson Timber company, about four miles south of Clatskanie. It is designed for loading logs, and could be hauled to this point by motor trucks. Locomotives will not pass over the road but cars will be moved with cables and a donkey engine. The spur will be used only temporarily.

District to Be Inspected

Salem, Aug. 22.—Attorney General George M. Brown, State Engineer Dean A. Cupper and State Superintendent of Banks Will H. Bennett, constituting the state irrigation securities commission, will go to Malheur county Saturday for the purpose of inspecting the Warm-springs irrigation district, which has made application for the guarantee of its entire bond issue of \$1,350,000.

Rotary Club Plans Are Made in Salem

Salem, Aug. 22.—The preliminaries to the organization of a Rotary club in Salem were staged at a luncheon at the Marion hotel, Wednesday, attended by Nelson Pike and J. H. Joyce, members of the Portland club, and six other Salem business men. A second meeting is to be held today, when definite plans for the organization are to be formulated. It is estimated that a membership of 50 can easily be secured here.

Machinists' Strike Stops 26 Factories

Akron, Ohio, Aug. 22.—(I. N. S.)—Production in Akron's huge rubber plants was admittedly handicapped today while several machine shops were at a standstill as a result of a machinists' strike called in 26 Akron factories at 9 o'clock this morning. Between 2000 and 3000 workers are out. The men want a 44 hour week and higher wages ranging from 60 cent an hour for helpers up to \$1 an hour.

Separator and Hay Crop Are Destroyed

Cottage Grove, Aug. 22.—Spontaneous combustion in the separator of a threshing machine Wednesday night at the home of Henry Yost, three miles east of Cottage Grove, caused an explosion and the burning of the Yost barn, a stack of oats and the crop of hay for this year. The machine belonged to Wes Christmas and his son-in-law, Glen Scott.

A movement has been started by the California land settlement board to purchase of 12,000 acres of land, to be sold to discharged soldiers.

—Third Floor, Lipman, Wolfe & Co.

School Shoes For Boys & Girls

THE BEST KINDS AND STYLES

—Shoes must be most carefully chosen. If you want your boy and girl to go through the school year successfully, you must guarantee them comfort and ease. These shoes are chosen to help through the little pupil. Our stock of children's shoes is extensive and experts that are trained in the fitting of children's shoes are here for your accommodation.

**Little Boys' Shoes
\$4.75, \$6.00, \$7.00**

—Shoes that are just the kind for the active outdoor boy. These are made of real leather in brown calfskin with a Goodyear welt sole and cap toe. In sizes 8 1/2 to 11, 1 1/2 to 2, 2 1/2 to 6.

**Boys' and Youths' Shoes
\$4.50, \$5.00, \$5.50**

—The ideal shoe for the school boy is one like this that can stand the hard knocks and steady wear of active feet. In black gunmetal, these shoes have the Blucher cut on a medium wide toe last. Sizes 9 to 13, 1 1/2 to 2, 2 1/2 to 6.

**Little Boys' Shoes
\$4.00, \$4.75, \$5.50**

—School shoes that are made on a wide nature shaped toe last with a heavy, well wearing but pliable sole. These we can show you in both lace and button styles. Sizes 5 to 8, 3 1/2 to 11, 1 1/2 to 2.

**Children's and Misses' Shoes
\$5.75, \$7.00, \$9.00**

—A shoe that is both serviceable and very attractive. It is fashioned from black kid and comes in lace style with wide nature toe and Goodyear welt sole. Sizes 8 1/2 to 11, 1 1/2 to 2, 2 1/2 to 6.

—Second Floor, Lipman, Wolfe & Co.

**Infants' and Children's Shoes
\$4.50, \$5.25, \$6.00**

—A school shoe for the little sister that is made on the same comfortable wide nature toe last that brother has. In brown calfskin with 1/4-inch block heel and extra high top, these school shoes are just the thing. Sizes 6 to 8, 8 1/2 to 11, 1 1/2 to 2.

**Children's and Misses' Shoes
\$4.50, \$6.00, \$7.50**

—A splendid shoe in black gunmetal that is built with a wide roomy toe with extra good quality of calfskin uppers. These shoes are high, giving particular service on stormy days. In sizes 8 1/2 to 11, 1 1/2 to 2, 2 1/2 to 7.
