"Merchandise of Merit Only"

A Woman Came in From Out of Town Yesterday

—She stopped at one of the best hotels in the city and this is what she told us:

—Even with my railroad fare and hotel expenses, I find I have saved on my Fur!

—That is the sort of enthusiasm we are meeting on every side—and it has been renewed to the intensity of the enthusiasm shown in the very opening of this sale. Women who have been shopping around appreciate what extraordinary offerings and splendid savings are being offered here. The

August Sale of Furs Ends Saturday

—And if you are contemplating having new Furs this winter, we **urge you to buy now!** It will be a long time before such values can be repeated.

—In two short days this sale ends and you will regret having waited too long if you allow them to pass without selecting your fur.

—Many furs that have been received during the past week have been included in the sale—and if we were to buy these same furs today, we should HAVE TO PAY MORE THAN THE SALE PRICE IN ALMOST EVERY INSTANCE.

Every Green Ticket Bearing The August Sale Price Will Be Removed Saturday

—And by comparing the price on the green ticket with that on the white (the regular price) you can figure the splendid saving you are effecting for yourself.
