Congressional Committee Investigating Spruce Production on Its Trip to Lincoln County.

Wilson's Party Due in Portland at 5 o'Clock on Morning of Sept. 15; Remains All Day.

Public Reception and Address at the Auditorium is Arranged; Committee of Citizens Named.

One public address and a reception staged by a large and representative group of Portland men and women is the substance of the early arrangements for the first official visit to Oregon of President Woodrow Wilson, who will arrive with his party at 5 o'clock on the morning of Monday, September 15, to remain in the city throughout the day.

ARRANGING DETAILS

In advance of the presidential party a number of officials are expected in Portland late next week. Among these will be persons whose duty it will be to check up on the local program and assist the local committee.

THE GENERAL COMMITTEE WHICH WILL ARRANGE FOR PRESIDENT WILSON'S VISIT AND PROGRAM COMPRISES C. S. JACKSON, CHAIRMAN; MAYOR GEORGE L. BAKER, FORMER GOVERNOR OSWALD WEST, E. B. PIPER, DR. J. W. MORROW, GEORGE W. JOSEPH AND H. B. VAN DUSEN.

This committee will join the reception committee in welcoming the president and his party at the station the morning of his arrival. The visitors will leave Portland at 11 p. m. the same night for San Francisco where another intensive program is outlined for the executive.

SAYS EMBARGO ON FOODSTUFFS WILL BRING DOWN COST

Washington, Aug. 30.—(U. P.)—Suspension of the embargo on foodstuffs in the face of the present high cost of living will bring down the cost of living within the 90 days truce period established by the armistice, according to William B. Colver, chairman of the federal trade commission.

DEPAUW PROFESSOR DISCHARGED BECAUSE OF RADICAL LECTURE

Greencastle, Ind., Aug. 30.—(I. N. S.)—Wind Socialist, has been relieved of his position as professor of sociology at Depauw university as a result of publication of a letter revealing radical tendencies which Calhoun is said to have written.

RUMOR OF MARRIAGE IS DENIED BY ACE

Chicago, Aug. 30.—(U. P.)—Captain Eddie Rickenbacker, American ace of aces, tonight denied published reports that he was soon to marry Miss Elsie Janis, actress. Rickenbacker asserted he had met Miss Janis only as a member of his aero squadron, and that since that time he had not seen her when she was entertaining the squadron.

Boston, Mass., Aug. 30.—(U. P.)—If the policemen who were placed on trial before Police Commissioner Curtis for joining the policemen's union are discharged a strike affecting practically the entire force is almost certain to be called, union leaders declared today.

Boat Weown Burns, Woman Cook Weeps, It Was Her Home

"That boat was my home and I loved it." That was why Mrs. L. E. Crawford stood last night about the blazing river steamer "Weown" docked at the foot of Ash street, and called to the harbor police. Only after they had answered her call did she and William Winton, watchman, leave the burning vessel.

WOMAN TELLS STORY

Mrs. Crawford stood in the office of C. W. Hooper, of the Hooper Transportation company, owners of the vessel, and wrung her hands. She had been cook on the "Weown." "Oh, Captain, do you think they'll save her?" she asked over and over again. "She was such a pretty thing, and the only home I had."

RAIL EXTENSION IS ASKED TO ST. JOHNS

City Files Petition With Public Service Commission for Railroad.

Salem, Aug. 30.—The city of Portland today filed with the state public service commission a petition asking that the Portland Railway, Light & Power company be required to extend its railway lines to the new St. Johns terminal.

This extension, the petition sets out, is necessary for the present and future growth of the city, 400 persons now being employed at the terminal which is located a considerable distance from any residence district.

According to the application the extension would involve the laying of approximately one and one eighth of a mile of new track at a cost of from \$60,000 to \$35,000 per mile. The commission is asked to issue a certificate of necessity and convenience and the necessary franchise is guaranteed on the part of the city and Multnomah county.

Warning Sounded That Water Supply In City Very Low

The Portland water supply continues on the ragged edge. The low flow at Washtenaw yesterday's dry river has been entirely utilized for the last several years, and Commissioner Mann Saturday reiterated his appeal to Portland water users to conserve their water.

Prince Tired From Much Handshaking

Ottawa, Ont., Aug. 30.—(U. P.)—Wearied yesterday's busy day for shaking at the city hall when he shook the hands of 2500 persons at the rate of 45 a minute, the Prince of Wales sought rest today and refuge from the public eye. This afternoon he played golf at the links of the Royal Ottawa club.

Governor Would Readjust Wages of State Workers

State Executive Calls Conference for Friday at Salem to Consider New Plan.

Salem, Aug. 30.—Standardization of salaries and wages of clerical and stenographic employees, the elimination of competition between departments in the employment of clerks and stenographers and general working conditions in the various departments, will be considered at a conference in the executive office next Friday morning, at which all state departments, boards and commissions are expected to be represented.

Indianapolis Jury Indicts Packers as Health Violators

Indianapolis, Aug. 30.—(I. N. S.)—Twelve cold storage concerns, packers and commission houses, including Armour & Co., were indicted today by the grand jury for violation of the Indiana cold storage law and the state health law.

Paving Crews to Start Tuesday on Hood River Road

The laying of pavement on the Columbia river highway between Cascade Locks and Hood River will begin this week and notice is given by the contractor that on and after Tuesday the road will be closed to traffic between 7 a. m. and 11 p. m.

Pershing Issues a Statement on Eve of His Departure

Paris, Aug. 30.—(U. P.)—On the eve of his departure from France, General Pershing issued a statement to the French press in which he said, "The records of the American expeditionary forces furnished a foundation upon which the future relations of France and America will be tested."

Heavy Downpour of Rain Blesses Bend

Bend, Aug. 30.—For more than 49 days and 40 nights Central Oregon has been without a drop of rain until this morning when the country for miles around Bend was drenched with the heaviest rain in months. The time covered by the downpour was not long, but it was heavy enough to do a great deal of good in sections where water has been badly needed.

Wilson's Recommendations Embodied in Cold Storage Regulation Prepared in House

Washington, Aug. 30.—(U. P.)—A cold storage bill along the lines suggested by President Wilson in his high cost of living message was agreed upon today by the house agriculture committee.

Aim Is to Prevent a Corner on Commodities by Regulating Time They May Be in Storage

The provisions already agreed upon will be part of one of the most far-reaching bills to bring down the cost of living congress has ever handled. The bill will be framed by the committee late next week, and will be considered in the house soon thereafter.

FOOD BILL'S ORIGIN

Washington, Aug. 30.—(U. P.)—A cold storage bill along the lines suggested by President Wilson in his high cost of living message was agreed upon today by the house agriculture committee.

SALARIES NOT UNIFORM

"As now constituted, there is no uniformity or attempt at uniformity in the salaries paid by the various departments. It is every department for itself, losing sight of the fact that all are working for the same body, the state of Oregon. The result is that the departments bid against each other in the employment of help and the department having the greater salary appropriation usually wins out. It is to say the least, unbusinesslike and represents a condition that would not be tolerated by a good business firm."

SUGAR PROFITEERING HALTED

The committee that beef should not be kept longer than four or five months. Chairman Haugen said that probably the only objection to the bill would be cheese, which it is believed can be stored longer than a year without affecting its quality.

HEAVY FINE IMPOSED

"I believe all dealers have decided it is best to conform to the reasonable price," said Judge C. B. Ames, assistant attorney-general in charge of the department. Ames made clear, however, the department will continue to watch retail prices, and will levy a fine of more than 11 cents per pound retail will be investigated by the department.

Warning Sounded That Water Supply In City Very Low

The Portland water supply continues on the ragged edge. The low flow at Washtenaw yesterday's dry river has been entirely utilized for the last several years, and Commissioner Mann Saturday reiterated his appeal to Portland water users to conserve their water.

Extradition Papers For Roseburg Youth

Los Angeles, Aug. 30.—(U. P.)—Extradition papers have been prepared to bring back to Los Angeles Willis E. Carter, 19, alleged bandit, automobile thief and leader of a local gang, which has eluded the police for many weeks.
