TODAY'S FORECASTS Portland and Vicinity-Tonight and Wednes-

Oregot and Washington—Tonight probably rain west portion, fair and warmer east portion; Wednesday probably rain and cooler; moderate southeasterly winds.

WEATHER CONDITIONS A great area of high pressure extends from the Northern Rocky mountain region eastward to the Atlantic coast and southward to the Gulf of Mexico. Low pressure prevails in the Pacific states and along the Mexican boundary. Rain has occurred in the North Atlantic states and in Utah, Southeastern Idalio, Alberta and British Columbia, The weather is much cooler in Utah, Montana, North Dakota and the Middle Western Ganadian provinces, and is much warmer in Minnesota. Freezing temperature is reported from Northern Alberta and British Columbia. The temperature is generally below normal ex-cept over a belt reaching from the Southern Plateau states to Minnesota

Relative humidity at Portland: 1 p. m. yes-terday, 47 per cent; 6 p. m. yes-terday, 24 per cent, 6 s. m. teday, 86 per cent. EDWARD L. WELLS.

THRIFT STAMPS

WAR SAVINGS STAMPS On Sale at Business Office, The Journal

tailors have asked for time to consider dred more women are needed. The Shoe Dealer offered the returned

soldier \$19 a week salary and his shoes at cost for his services as salesman in the dealer's store. "Well, what will you change me for this pair of \$12 shoes?" the ex-soldier inquired. "Five dollars and fifty cents," was the reply. How was that for profileering? According to his own statement there is \$6.50 profit in each \$12 pair of shoes. soldier gave this testimony before the fair price committee. And I make the very best quality men's work shoes for \$7.50-to order, too, of the best leather money will buy. Sadler's Shoe factory, Seventeenth and Marshall streets.-Adv. Fir Wood at \$2.50 Per Cord, coal at \$5

per ton would about equal the expense of operation of an izzard kerosene gas burner in cooking in ranges or heating your home, room or office by a heating stove. And there is no muss around the house, no packing of wood, no ashes to be hauled away and no fear of firing your premises. The Izzard is actually a "safety first" device. It creates no sparks or heat above the damper in the stovepipe to cause a fire from an imperfect flue. Come and see it in operation. Moose temple. Fourth and Taylor. Main 6833 .- Adv.

At Our Own Factory, Third and Columbia streets, we make and sell direct. at wholesale prices, the finest quality of hand, liquid, auto and janitor's soaps. In fact all kinds of janitor's supplies. We therefore save our friends and customers the profits of one or two middle men. Merchants who sell our products buy directly from us, and sell to their customers at wholesale figures plus a single profit. This is why our trade grows so rapidly. Have a complexion that everyone admires

Don't envy a good complexion, have one. Each time you cleanse your face with Resinol Soap you give it a "beauty treatment" with the soothing, healing Resinol medication. If aided, in severe cases, by a little Resinol Ointment, this usually leaves the complexion naturally clear, fresh and free from pimples, redness, roughness and blotches.
