

# MULTNOMAH GUARD TO END ITS OFFICIAL EXISTENCE SUNDAY

### Colors of Organization Will Be Given Into Keeping of State With Appropriate Ceremonies.

### REVIEW AT LAURELHURST

### Former Regimental Band Will Play Concert of Patriotic Airs Before Muster Out.

Officially ending its existence, the Multnomah Guard will be mustered out with proper ceremonies at 4:30 o'clock Sunday afternoon at Laurelhurst park. With suitable ceremony the colors of the home defense unit will be given into the keeping of the state as treasured historical mementoes of service.

All officers and enlisted men of the regiment, which ceased its activities some months ago, are ordered to assemble at Laurelhurst Park at 2:30 Sunday afternoon. The former regimental band, now the official band of the Portland Red Cross canteen, will play a concert of patriotic airs from 2:30 to 4:30.

### TO BE REVIEWED

At 4:30 the regiment, its members in civilian attire, will form in review, led by Colonel Levi P. Campbell, passing the stand in which state, county and city officials, together with national guard officers will view the tramping civilian soldiers. At the conclusion of the review the colors will be handed by Colonel John B. Hibbard, its former commander, to Adjutant-General Starlin, representing Governor Olcott and the national guard of Oregon.

City Commissioner Pior has arranged for tables and benches for the accommodation of those who desire to come early and make a picnic of the day. Throughout the afternoon the regimental band will give its concert.

### VALUABLE WAR DUTY

Recognized and officially encouraged by the United States government, the regiment did tedious but valuable duty throughout the war period, guarding the waterfront and essential industries. In the opinion of Colonel Hibbard and other officers, it is fitting that the Multnomah guard, which has never been officially dismissed from service, complete its regimental career in the formal mustering out, tendering its colors to the state for historical preservation.

In this connection Sheriff P. M. Hurlburt, commander in chief, has issued the following general order:

### ATTENTION! MULTNOMAH GUARD

General Order:  
1. Field staff, non-commissioned staff, machine gun company, transportation company, supply company and Companies A, B, C, D, E, F, G and H will assemble at Laurelhurst park, before the stand at 2:30 p. m. Sunday, September 7, 1919, for final mustering out. All members and members of the regiment are instructed to be present at the place and hour named.

SHERIFF P. M. HURLBURT, Commander-in-Chief.

### Postal Clerks Are Demanding Bonus on Threat of Walkout

Chicago, Sept. 4.—(I. N. S.)—A walkout of postal clerks in railroad terminal offices is threatened for October 1. Demanding a bonus of \$500, the Chicago Terminal Railway Postal Clerks' association has notified Postmaster General Burleson, it was announced today, that unless the bonus is forthcoming they will resign en masse on that date.

Associations at Sioux City, Kansas City and one in West Virginia are declared to have taken the same stand as the Chicago clerks.

It is charged that the clerks, who receive approximately \$3 per day, have not had an increase in pay since 1913, with the exception of a \$200 bonus in 1918.

### Japanese Invasion Of California Made Ridiculous by Goto

London, Sept. 4.—(I. N. S.)—My firm belief is that no trouble will arise, much less a rupture between the United States and Japan over the California situation, said Baron Goto, former Japanese minister, writing in the Fall Mail Gazette on emigration.

"Americans maintain a fair and just attitude towards Japanese there," he writes. "Nothing could be a more absurd canard than the suggestion that Japan proposed the invasion of California. Think of such an unimaginable thing as landing in California across so vast an expanse of water as the Pacific."

"Japanese immigrants are a source of benefit to that state (California) just as they are to Japan. I have gained the impression from personal observa-

### Cruelty, Bigamy, Bring Divorces to 3 Unhappy Women

One month after her marriage in February, 1918, Annabelle A. Johnson was compelled to go to work, "something she had never done before," she told Presiding Judge Gatens during the hearing of her divorce action against Clarence H. Johnson. A decree was granted her.

"He told me the quicker I got out the better, and I got out," said Helen Coscomb, who was in court asking for a divorce from Charles D. Coscomb. She was given a decree.

A month after Adrian H. Batchelor married Elizabeth Batchelor in March, 1919, he obtained divorce from a previous Mrs. Batchelor at Astoria. The second wife told this to Judge Gatens this morning and added that Batchelor had been indicted for bigamy by the grand

### Annulment of her marriage was granted. Henry Pierce Love gave Jennie L. Love only 75 cents during the four years of their married life, according to her testimony in the divorce in which she was given a decree.

K. STACHNIEWICZ SAYS THIRD DEGREE METHODS WERE USED. K. Stachniewicz testified to the alleged third degree methods and sweating to which he was subjected at the hands of Steve Kaptur and P. J. Maher, in his \$1000 damage suit against these men, now being tried before Circuit Judge Morrow. The plaintiff says that Kaptur and Maher broke into his house and intimidated him in an endeavor to secure proof of his complicity in an alleged robbery. He says that his wife was made violently ill by the actions of the defendants.

### BERG AND MILLER GO ON TRIAL THURSDAY MORNING

Richard Berg and David Miller, accused of robbing a tire shop at 360 Wil-

lams avenue on June 30, 1919, will go to trial Thursday morning in the circuit court. Four indictments are pending against Berg and Miller for offenses committed shortly before the alleged burglary. Berg was one of the three men who engaged in an open battle with Patrolman Finn on the night of June 30 at the scene of the robbery of the tire shop. During an interchange of shots one of the men was killed. Berg was captured and the third man, believed to have been Miller, escaped. He was caught later at his home. The case will be prosecuted by Deputy District Attorney Earl Bernard.

### Strike of Actors Is Apparently Far From Settlement

New York, Sept. 4.—(U. P.)—The actors' strike, which gave indications Wednesday of being settled on a compromise basis, apparently was farther than ever from settlement today. It was reported that the larger producers had refused to recognize the Actors' Equity association even if the latter will allow open shop in all theatres.
