

1919 Opening of Portland Interscholastic League Football Set For Wednesday

SCHEDULE CALLING FOR THIRTY-SIX GAMES ARRANGED

Coaches of Portland Interscholastic League Recommend That but One Circuit Be in Vogue During 1919 Football Campaign; First Game Slated for Next Wednesday.

By Earl R. Goodwin
PORTLAND interscholastic league football teams will swing into action this week if the tentative schedule drawn up by the coaches and faculty representatives of the nine institutions is adopted by the directors of the circuit at their annual gathering to be called by President Fletcher within the next day or two. The coaches met Friday afternoon in the Multnomah Amateur Athletic club and arranged for 36 games.

The big question that was discussed was the schedule, but there were other matters of importance which took up considerable time. Whether or not the Portland Interscholastic league should be divided into two divisions was settled as far as the coaches are concerned, for they feel that it would not be a satisfactory arrangement.

Because there are nine teams to deal with it was decided that no agreeable separation could be made without working a hardship on some of the squads. During the 1918 campaign, two sections were made as a war and flu measure but now that things are in a more settled condition it was thought that it was not necessary to take such action.

None of those present was in favor of the idea and consequently they set to work arranging a schedule to take the nine schools. The institutions which go to make up the league are: Franklin High, Columbia university, High School of Commerce, Jefferson High, Lincoln High, James John High, Benson Tech, Washington High and Hill Military academy.

The first contest was set for next Wednesday afternoon with Lincoln High meeting the James John High contingent on Multnomah field, and from that time on each week will have four games disposed of, according to present plans. Contests were set for each Tuesday, Wednesday, Thursday and Friday.

ONE GAME SET OVER
The big annual High classic was announced for September 30, but the coaches of the two teams, with the consent of the other representatives present, agreed to set it over until November 26, to make it the final match of the season.

ARMISTICE DAY
Armistice day will find the Benson Tech and James John eleven in action, providing the schedule is carried out. The games arranged for this week are Lincoln versus James John on Wednesday, Franklin meeting Columbia on Thursday and Commerce battling with Jefferson High on Friday.

NINE SCHOOLS PRESENT
The coaches and faculty representatives who drafted the tentative schedule and presided over by Harry J. Campbell, coach of James John High, were: L. H. Strong and Dr. W. A. Fenstermacher of Washington; Fred Rehben, Franklin; H. W. Cooley, Jefferson; George W. Cummings, Dean Donaldson, Hill; W. G. Murphy, Commerce; E. G. Harlan and Professor Reynolds of Lincoln, and "Billy" Bryan of Benson.

JEFFERSON HIGH IS SLID TO HAVE the entire pennant winning backfield again this year and Coach Quigley is enthusiastic about his chances of retaining the championship of the Portland interscholastic league. Coach Strong is handling a bunch of huskies at Washington High and his line is going to be one of the heaviest in the circuit, according to present indications.

TEAMS WORKING HARD
Coach Dewey of Columbia is working hard trying to whip his aggregation together but he has very little material from the 1918 team to work with and the same thing happens to Coach Bryan at Benson Tech. Coach Rehben is not saying much but the figures Franklin High will have to be watched. The Hill Military academy delegation started their practice under Coach Donaldson last Thursday, while W. G. Murphy of Commerce and Coach Campbell of James John have been out for more than a week.

BASEBALL

PITCHER Lambert, who has had "bushing" around Eureka, has been signed by the Oakland club for a tryout. He is scheduled to join the Oaks this week.

The Pittsburgh Nationals and the Detroit Americans will play a two-game series. The first game will be staged at Pittsburgh, Monday, and the second game at Detroit the following day.

Pitcher Tom Lukanovic, who was given a trial by the Beavers, has been released to the Columbus club of the American association by the St. Louis Browns.

Firstbaseman Swacina of the Shreveport team of the Texas league recently broke his wrist during the progress of a game and is out for the balance of the season.

Joe Wilhoit of the Wichita team of the Western league, who recently established a record of hitting in consecutive games, has scored 121 runs in as many games.

"Hank" Butcher, former Bear outfielder, is playing a good game at second base for Wichita. He is hitting over the .300 mark.

TRAGEDY FOLLOWS OLD STARS

Many Players of the "Spiders" Have Passed Away; Were Rough Players.

ED MCKEAN'S death a few days ago brings to memory many tragedies among players of the old Cleveland team, of which McKean was one of the stars. Chippy McGarr died in an asylum. He played besides McKean on the Cleveland infield. Manager Oliver Tebeau, first baseman, took his own life. Sockalexis, the famous Indian player, ended his baseball career early by trying to destroy more firewater than his syndicate would stand for. He died of a heart attack. He was a rough player. Second Baseman Fatty Childs passed away a short time ago, according to reports, and other members of the team have dropped out of sight.

It was because the public tired of such tactics as were indulged in by the Cleveland and Baltimore players that the American league made a great hit when it became a major body and declared death to rowdiness. Baseball games in those days were in the nature of free-for-all fights. McKean was a very decent sort of a fellow out of the game and not nearly so bad as the other members of the Cleveland infield when he came to fighting and chewing. He managed the Dayton team of the Central league a few years back and served in the minors for several years with fair success. He was the last of the old Cleveland infielders who was only 52 years old at the time of his death.

Cue Artists to Play In National Titles Tourney This Fall

New York, Sept. 20.—(U. P.)—Tournament to determine the national billiard and pocket billiard champions of America will take place this fall. The tournament for the 182 ball-line billiard championship will open here October 20 at the Astor hotel. The entries will be limited to a field of six players with an entrance fee of \$250. The games will be 40-point affairs. The first prize will be \$2500, second \$1750, third \$1250 and fourth \$750. In addition the winner will draw an annual salary of \$4000 as long as he holds the title.

The three-cushion championship tournament will be held at the Moose auditorium, Cleveland, starting November 6. It will be contested by ten players for prize money aggregating \$4500. To the winner goes \$1500 and an annual salary of \$2400; second prize is \$1250, third \$1000 and fourth \$750.

The pocket billiard series will be held at the Parkway auditorium, Philadelphia, starting November 1. Prize money runs the same as the other series with an annual salary of \$2400 to the winner. The national pool artists, who will continue for about four weeks, the length of the tournament depending on the number of teams competing. Entries will close on Wednesday, February 18. The tournament will be conducted in the Peoria Coliseum, the building having been donated by the city of Peoria for the event.

Polo Association Has Big Membership

There are 570 active members listed in the Polo association book for 1919 on the roster of the Army Polo association and it has been a loyal minor branch of the national polo board for 15 years. The Army Polo association controls the game at West Point and army posts and United States possessions.

Dr. Wharton in Charge Now

University of Pennsylvania is to inaugurate a system of athletics for all students supervised by Dr. Charles Wharton. A new athletic field adjoining Franklin field, the famous sporting arena of the Red and Blue college, will include a stridron, a soccer and a lacrosse field.

E. Collins Tops Series Vets Is Greatest Second Baseman

NEW YORK, Sept. 20.—(L. N. S.)—Edward Trowbridge Collins stands today in the threshold of his sixth world's series.

The flyaway little White Sox second sacker, in addition to enjoying the distinction of being called as the greatest player of all time in his position, also tops the list with Jack Barry as a veteran world's series performer.

For 14 years this phenomenal player has been a consistent star in the major leagues. For at least 10 of the 14 years he has been the bell cow of all second basemen, and during those 10 years, including the season of 1919, he has amassed a record for brilliancy and consistency that will probably never be equaled.

HAS MADE FORTUNE
Collins has already made a young fortune out of world's series. He has cut the meien in the big October classic five times, starting with the season of 1910, when he starred as a member of Connie Mack's famous Athletics.

In 1911, 1912 and 1914 Collins cavorted in the world's series wearing an Athletic uniform, and when the White Sox annexed the American league pennant and followed by winning the world's title from the Giants in 1917, Eddie was in on the winner's end of the purse.

Out of the five world's series in which he has taken part he has been a member of the winners of the world's championship four times. In the fall of 1914 he split the losers' end of the foot when the Beavers crushed the Mackmen in four straight games.

World's series playing has netted Collins about \$15,000, and with the White Sox annexed Cincinnati Reds to come he will add to his grand total. A player of sound habits, the White Sox star ranks today as one of the wealthiest players in the game.

Collins is by no means a youngster. On the second day of last May he celebrated his thirty-second birthday, having been born at Millerton, N. Y., in 1887. But he is showing no sign of falling. Over a stretch of 150 or 140 games, as the case may be, he is a wonderful performer, day in and day out. But put him in a world's series and you have chain lightning running rampant. His lightning records show that his fielding, hitting, base running and thinking in the cash classics are almost uncanny. He is one of the greatest money players that ever lived.

Portland Wrestler Honored Receives Croix De Guerre

James Thores, Portland's soldier-wrestler, has been officially awarded the French Croix de Guerre in recognition of his bravery in the Argonne sector in September, 1918, when the famous 21st division was running rough shod over the Germans.

Thores, who came to the United States in 1910 from Greece to vie with American athletes for the national polo honor, was greatly surprised when he opened the little package containing the medal.

He was almost sure that he had accomplished the deed that won him honor from the French government. It was another case of a drafted man being a hero.

BAGGED GERMANS IN TRENCH
Thores was a member of the 262d Infantry and was an expert rifleman. Thores' explanation of his deed follows: "We were waiting for sunrise to continue our advance against the Germans, when the outpost heard some Germans talking in a dugout about 85 yards away. A French lieutenant, who was with our company, asked for volunteers to throw some hand grenades in the dugout. I volunteered to go with my corporal, a San Francisco boy, and we crawled on our hands and knees about 80 yards, throwing about six or seven grenades into

American Bowling Congress Dates Set

Peoria, Ill., Sept. 20.—Dates for the 1920 American Bowling congress, which is to be staged in this city, have been announced by Secretary A. L. Langtry of Milwaukee. The tournament will open on Wednesday, March 10, and will continue for about four weeks, the length of the tournament depending on the number of teams competing. Entries will close on Wednesday, February 18. The tournament will be conducted in the Peoria Coliseum, the building having been donated by the city of Peoria for the event.

DOXING

Jimmy Dundee, the San Francisco featherweight, who was barred from participating in ring contests here last winter for failure to go on with a scheduled event, will likely get a new chance to show his wares. Jack Grant, matchmaker of the commission, has invited Dundee with a view of matching him with some local boxer. The Shade brothers of San Francisco may also get a chance to display their talents here next month.

Tom Cowler, the English heavyweight, whom Jim Corbett thought would develop into a world beater, is headed north, according to reports from San Francisco. Cowler was in Portland a couple of years ago, but failed to make any great impression. Cowler may have improved some under the instructions of Gentleman Jim, however, and he may get a chance to display his wares.

Although Billy Gibson, manager of Benny Leonard, the world's lightweight champion, is keeping him rather busy in the East, Joe Benjamin, the Spokane lightweight, is homesick for the Pacific coast. If Joe comes back to the coast, he may get a chance to appear in the main event of one of the local or Milwaukee smokers.

Bobby Harper, the coast lightweight champion, may be one of the main events at the initial smoker to be staged under the auspices of the Milwaukee Boxing commission. Harper is just recovering from the grip. Earl Baird is also sought as one of the boxers for the opening card at Milwaukee.

George Ingle, the Seattle lightweight, lost his first start in Manila to Francisco Flores, Ingle was given a greater credit for his showing against Flores, who is one of the crack lightweights of the islands.

Mayor Snyder of Milwaukee will appoint a fourth member of the Milwaukee Boxing commission in the near future. According to the state law, a registered promoter must be a member of the commission.

B'NAI B'RITH CLASSES ARE LARGE

Miss Wey and Leon Fabre Jr. are in Charge of Gymnasium Work; Basketball Practice On.

THE largest gymnasium classes in the history of the B'nai B'rith building are greeting Physical Director Miss E. Wey of the women's and girls sections and Leon Fabre Jr. of the men's and boys' divisions, according to the announcement of Herman Politz, chairman of the gymnasium committee of the institution.

The schedule for the 1919-20 season calls for Monday and Thursday evenings to be used by the men's and young men's classes under the direction of Leon Fabre, while the boys will be in the gymnasium between 4 o'clock and 5 o'clock on Monday and Thursday afternoon.

Miss E. Wey, who has been physical director for the girls at both Jefferson High and Washington High for several years, has taken over the women's and girls' work at the B'nai B'rith, but it does not conflict with her activities at the high schools. The women's classes have been set for Tuesday and Saturday evenings between 8 o'clock and 9 o'clock, while the girls will be in the gymnasium between 3 o'clock and 4 o'clock each Tuesday and Friday afternoon.

BASKETBALL NEXT ON PROGRAM

The call for basketball players already has been sounded and a strong aggregation is expected to be formed. Chairman Politz has announced that in all probability there will be two quintets making their headquarters in the B'nai B'rith building, one of them to be known as the first B'nai B'rith squad and the other, perhaps, as the South Parkways. The South Parkways will be rivals of the first team in some hot battles can be expected, it is believed.

As soon as the 1919-20 season gets well under way social swims will be held once or twice a month.

Columbia to Have Strong Football Eleven This Year

New York, Sept. 20.—(U. P.)—Columbia's football candidates were called to report Thursday by Coach Fred Dawson. Even better results are expected for the coming season than last year, when the eleven, captained by George S. Brown, with a lone defeat and that to the unbeaten Syracuse team.

Houlahan, captain, and Shaw, last year's back field, are returned to the university as well as the following linemen: Eccles and Scott, of last year's freshman team; Robinson, Modarelli, Klenninger, Grace, Parks and Tower. Joe Brown, center, and Jack Kennedy, end, of the 1916 team, will probably be out of the service in time to train with the squad. The loss of Robb, last year's captain, and Hal Back, Collins by graduation, will be felt keenly.

All of the eight games on the following schedule will be played on South field here. October 11, Termont; October 18, Williams; October 25, Amherst; November 1, Union; November 8, Stevens; November 15, Wesleyan; November 22, New York University; and November 27, Brown.

Long Beach May Be Race Track Center

A new race track may be constructed at Long Beach, L. I. The enterprise is being fostered by Senator Reynolds of New York, who has a number of wealthy men associated with him. It will probably be ready for racing in 1921 and will give New York enthusiasts a racing season from April 15 to November 15.

Ross Is Leading Field
J. K. L. Ross of Montreal bids fair to head the list of winning owners on the American turf again this year, Sir Barton, Cudgel and other horses in his stable having earned more than \$128,000 since the opening of the season.

LOCAL GUN CLUB WILL HOLD FINAL SHOOT OF SEASON

Out of Town Shooters Expected to Participate in Final Registered Tournament; Handsome Prizes Offered by Club for Winners in Handicap Events; Local Shooters at Walla Walla.

PORTLAND'S final registered trapshooting tourney of the 1919 season will be staged next Sunday on the Everding Park traps of the Portland Gun club. Shooters from various parts of the Willamette valley are expected to be among the participants for the honors in this event, which marks the close of a very successful year in tournament shooting.

In addition to the registered target events, Herb Newland, chairman of the tourney committee, has scheduled two 25-target yardage handicap events, for which President Felix Friedlander and Henry R. Everding have offered trophies. The program calls for 120 registered targets to be shot in eight events of 15 birds each.

The entrance in the registered targets is \$3.50 and \$12 as entrance for the optional sweepstakes. Money division will be under the Rose system, 5-3-2-1. In addition to the cash prizes, the club has offered five trophies for the five high guns. Ties for places will be shot off, losers being eliminated.

In the handicap events, the entrance fee is \$2.00, the high gun to become permanent holder of the trophies. The money will be divided between every five entries. Shooters will have their final opportunity of the season to better their American Amateur Trapshooting association averages in this tourney.

HOOHAN AMONG LEADERS
Rush Bates of Curtis, Neb., leads the professional trapshooters of the United States and Canada in the averages with a mark of 9801, and Bates has picked no easy targets, either. Two other state leaders have better than 90 per cent average. Here is a list of the leading professional in every state who has shot at 1250 or more targets, registered with the American Trapshooting association:
