Livestock Exhibit Stock Selling Plan

A crack squadron of 20 members of the Portland Chamber of Commerce is being organized by P. Hetherton to join with the sales force of the Kiwanis club, Ad club, Realty board, Progressive Business Men's club and Rotary club in a short whirlwind conclusion of the Pacific International Livestock exposition's

stock selling drive.

The chamber did not take part in the initial drive, and for that reason has pledged itself to a specially vigorous part in the new activities.

An independent team that will be out for first honors will include Will Moore of the United States customs service and George A. Lovejoy. Lovejoy and Moore won the blue ribbon over all the other teams in the initial drive. Working as a Kiwanis club team, they put that organization "over the top" with a margin of better than 5 per cent of its quota. In the resumption of the drive the Kiwanis club will put on new workers while Lovejoy and Moore will work independently, as the "Winchester Ranch" team, honors thus going to Lovejoy's fancy stock farm in Douglas county.
