

HOW ELECTRICITY AID LOGGING IS MEETING'S TOPIC Annual Convention of Pacific Logging Conference to Show New Methods in Engineering.

MOVIE FILMS WILL BE USED Pictures Illustrating Methods of Accident Prevention in Camps Are Included on Program.

Gasoline as a motive power is in common use by the loggers of the Pacific coast, and operators now are going further and investigating the application of electricity.

The logging congress embraces in its jurisdiction Oregon, Washington, Idaho, California, Montana and British Columbia. It is the technical conference of the logging operators in this territory and has done much to standardize methods of logging engineering.

The tenth session will consider the results attained in the operation of the Snoqualmie Falls Lumber company, Snoqualmie Falls, Wash., where an electrically driven donkey engine is in use.

The work of the American forest regiment in France will be displayed by a moving picture film entitled, "America's Answer," at several other equally interesting films will feature the convention.

The program covers a wide range of activities of the timber owner, logging operator and their employees. The last day of the convention will be given over to an excursion to Bend and the inspection of the mills at that place.

Officers of the Pacific logging congress are: T. W. Peed, Bureka, Cal., president; T. J. Humbird, Sandpoint, Idaho, vice president; George M. Cornwall, editor of the Timberman, secretary-treasurer.

Only Made Editor Of Alumni Editions

Pacific University, Forest Grove, Oct. 2.—The alumni editions which are to appear throughout the year. The first edition will be issued October 28.

F. W. MCGRAW ALMOST GAVE UP ALL HOPE

Suffered Ten Years—Gains Fifteen Pounds Taking Tanlac.

"I have gained 15 pounds since I commenced taking Tanlac, and the troubles that have been causing me to suffer for 10 years have been completely overcome," said F. W. McGraw, a well known boiler maker for the Standifer Ship Bldg. Co., and who lives at Eagle Creek, Or., while in the Owl Drug Store in Portland the other day.

"From the day my trouble began up to the time I commenced taking Tanlac," continued Mr. McGraw, "my condition gradually got worse. In fact, during the past year I was in misery nearly all the time. My stomach was in very bad condition, and in a short time after meals, what I ate would sour and cause me to be bloated up with gas—something awful. Then, I often had bad cramping pains in the pit of my stomach. At other times I would become so nauseated I could hardly retain what I ate. I was constipated all the time and would have the worst sort of headaches every day as well. I seemed to lose all my energy, and got so nervous I could hardly sleep at all at night. These troubles kept getting worse all the time, and as I had failed to get relief from the different medicines and treatments I had taken, I was very much worried over my condition, and had almost given up hope of ever finding anything that would do me any good.

"My wife had been in a run-down condition for a good while, and not long ago she commenced taking Tanlac, and she had improved so much on it that I decided to give it a trial myself. Well, sir, this medicine just hit the spot right away, and in a short time I was feeling like a different man altogether. I got stronger every day from that time on, and now I am enjoying as good health as I ever did in my life. I never had a better appetite, and everything I eat agrees with me all right. I have gotten rid of the constipation, and I haven't had a headache since just after I began taking Tanlac. My stomach is in the condition and I never am nauseated like I used to be. I sleep like a log every night, and when I get up in the mornings I am ready for a hearty breakfast and a good, hard day's work. Yes, sir, Tanlac has done just what I needed, everything else failed me, and as long as I live I will never lose an opportunity to say a good word for it."

Tanlac is sold in Portland by The Owl Drug Co.—Adv.

Mount Hood Road to Be Constructed to Eastern Oregon

The Mount Hood loop road is to be opened up to Eastern Oregon, through a change in the road plans of the forest service, as announced by T. H. Sherrard, supervisor of the Oregon national forest.

Instead of the completion of the proposed summit road, on the Cascade, which at present extends as far south as Clackamas lake, and which will ultimately open up the Mount Jefferson

country, next year's road work will be devoted to constructing the Clackamas lake-Wapanitia road to connect up with the Deschutes country. This will replace the old Oak Grove road. A short branch road will also be built from the summit road to Government camp.

Streetcar Men on Grays Harbor Out

Aberdeen, Wash., Oct. 2.—Street car motemen and conductors employed by the Grays Harbor Railway & Light company on Aberdeen, Hoquiam and Cosmopolis car lines struck Thursday

following the linemen's strike Tuesday. Car and line workers demand the discharge of a non-union armature winder whose employment they claim was in violation of their closed shop agreement with the company officials.

Fortune to Be Spent In Hotel at Quebec

Montreal, Oct. 2.—Edward W. Beatty, president of the Canadian Pacific Railway company, has just announced that his company will spend over \$2,000,000 in the extension of the Chateau Frontenac hotel at Quebec.

Many Pupils Enroll In Public Schools At Forest Grove

Forest Grove, Oct. 2.—Schools opened here with an attendance of 196 in the high school, 38 more than last year, and 389 in the grade school, an increase of 50 pupils.

Teachers in the high school include John A. Dopp, superintendent; Annabel Taylor, Alice Cole, Mildred Crout, Wilmetta Morse, Donna Mack, Helen Bishop, Mrs. Pearl Edwards, Jesse Day and M. J. Pennega.

In the elementary school they are: Guy Richards, Eloise Watson, Gertrude Allen, Christine Fern, Elizabeth Hatch, Mabel Surret, Anna Dunscomb, Verma Caruthers and Mrs. Vida Bennett.

The Seventh Day Advent school opened with 51 pupils in attendance. Mrs. 1541th Flett and Miss J. A. Eller are the teachers.

Game Is Reported Plentiful in Utah

Salt Lake, Oct. 2.—More than 100,000 ducks and geese were shot in Utah yesterday, the opening day of the duck shooting season, according to the estimate of the state fish and game commission. The limit of 25 birds to a person was bagged in nearly every instance, he says. This was mainly due to a plentiful supply of birds this year.

16 Motorcycles in Endurance Run Are Within Time Limit

Pendleton, Oct. 2.—Sixteen of the 27 motorcycles which left Portland at 7 o'clock Thursday on the Rose City club endurance run reached here before 12 hours allotted them had elapsed. Three Harley-Davidsons which came in together at 4:45 o'clock were ahead. They were driven by Fred Gilbert, Walter Hadfield and Al Williams.

One Cleveland machine with a three hour handicap, piloted by V. C. Short, arrived inside the 12 hour limit. Another suffered slight delay near here.

Repatriation Ends October 3—Washington, Oct. 2.—(L. N. S.)—Repatriation of German prisoners will be completed October 3, the war department was advised from Paris this afternoon. This will make it necessary for America to maintain only two active garrisons in France—at Paris and Brast.
