policeman Thursday night. He succeeded so well that he paused to snicker behind his hand, and in that maneuver

lay defeat. The policeman came to life after taking the count and so surprised Murnane that he hobbled along to police

headquarters "right peaceably like."

It all came about when Harry argued

with a taxi driver at East Eighth and

Hawthorne streets, at 1:30 o'clock this

called. Murnane resisted arrest vigor-

ously. Murnane now faces a charge of

disorderly conduct.

Portland, November 17 to 22.
Logging congress. October 8 to 11.

TODAY'S FORECASTS

Portland and vicinity: Touight fair and warmer; Saturday rain; winds mostly southerly.

Oregon: Tonight fair and warmer; Saturday fair east portion; rain west portion; gentle winds mostly southerly.

Washington: Tonight and Saturday rain; an excellent musical program under the outherly, ington: Tonight and Saturday rain tonight; moderate southerly winds.

WEATHER CONDITIONS

Low pressure prevails over the Southwest, in the extreme Northwest, and in the upper Lake region and middle Mississippi valley. In other sections the pressure is high, the highest readings being in South Dakota. Precipitation has occurred in the extreme northern Plains region, in the Southern Plains and west Gulf states, and from Illinois eastward to the north Atlantic coast. The heaviest rainfall reported in the United States was 1.26 inches at Chicago, Ill. Snow is falling in Manitoba. The weather is much warmer in New York and Pennsylvania, and is much cooler in the Plains and southern Rocky mountain states. The temperature is generally above normal east of the Mississippi river and below normal over the West. The deficiency in temperature is greatest in the Dakotas. Freezing weather extends southward to Kansaa, Colorado and Southern Utah.

Relative humidity at Portland: 1 p. m. yesterday, 57 per cent; 6 p. m. yesterday, 54 per cent; 6 s. m. today, 58 per cent.
