### TOWN TOPICS

TODAY'S FORECASTS

WEATHER CONDITIONS

Low pressure prevails in the extreme Southwest. Over the remainder of the country the pressure is high, the highest readings being in Saskatehewan. Precipitation has occurred over three areas, one reaching from the Texas coast to New England, one from Utah to lowa, and one in Northegn Saskatehewan. The heaviest rainfall reporetd in the United States was 1.32 inches at Meemphis, Tenn. The weather is much cooler in Northern Alberta, over parts of the South Pacific slope, and in the upper Mississippi valley, and is generally somewhat warmer in the East and South. The temperature is generally above normal in the East and South, and below normal in the Western states. Freezing weather extends from Middle Western Canada southward over Montana and the Dakotas.

Helative humidity at Portland: 1 p. gn. yesterday, 78 per cent; 6 p. m. yesterday, 61 per cent; 6 a. m. today, 96 per cent. WEATHER CONDITIONS

### Men, Your Life Work Will It Endure?

Will the estate which you have accumulated through years of toil and planning remain an unfailing source of income to you and your dependents?

Are the results of your daily toil taking permanent form in an estate, its safety guaranteed to you and yours?

While building your business success, are you building also an independent estate as a bulwark of safety for yourself and family?

In its long and varied experience the Security Savings and Trust Company has had am-ple opportunity to ob-serve the ebb and flow of the tides of human fortune.

Out of this experience has come a plan which any man of fair income may adopt, which will keep him clear of shoals on which many fortunes have been wrecked.

It is called the "Security Savings and Trust Plan" for creating and enlarging an estate. It is well worth y o u r consideration. Write, call or phone for a copy of booklet describing the plan.
