

GROSS FRAUD IS CHARGED TO U. S. SEN. NEWBERRY

Federal Attorney Palmer to Investigate Campaign Methods of Man Who Beat Henry Ford.

GRAND JURY TO HEAR CASE

Special Prosecutor Assigned to Conduct Hearing; Newberry Refuses to Comment on Charges

Washington, Oct. 18.—(U. P.)—Charges of fraud and unlawful expenditures of large sums of money in connection with the nomination and election of Truman Newberry as United States senator from Michigan will be laid before a grand jury to convene at Grand Rapids, Mich., Attorney General Palmer announced today.

Senator Newberry, when informed of Palmer's announcement tonight, said he did not care to make any comment.

Frank C. Dalley of Indianapolis, who prosecuted the Terre Haute and Indianapolis election fraud cases, has been assigned by Palmer to take charge of the investigation.

Newberry, in the primaries, beat Henry Ford for the Republican nomination for the senatorship. Ford won the Democratic nomination, having entered his name in both primaries, but was defeated by Newberry in the election.

Before and after the primaries complaints were filed with the department of justice and also charges of fraud were made by the lieutenant governor of Michigan and others, Palmer said.

A proposal for a senatorial investigation of Newberry's report to the senate was dropped. Newberry has held his seat since the beginning of the present session. The president in that a member of congress can take his seat upon presentation of credentials unless he is challenged by some other member.

The unseating of Newberry and the seating of Ford in the senate would give each party 48 senators, providing Ford cast his vote with the Democrats.

Previous attempts to insert into the Newberry case were halted when witnesses summoned fought the inquiry on the ground that the federal laws did not cover state primaries.

New Coal Mine Is Opened; Portland Will Get Product

Opening of a new coal mine situated on water grade near Centralia, Wash., and arrangements for the sale of the product to Portland consumers, at price said to be \$1.50 a ton below normal cost, has just been announced.

The vein which has been opened up has a width of 25 feet, and the property is close to the Tono mine. Exceptional advantages for the few mine are claimed because of the water grade conditions, which make the handling of the output from the mine to the railroad cars economical.

Additional advantages for the product are claimed, the name "Seaside coal" having been given to the new variety. Arrangements for the distribution of the coal in the Portland territory have been made with the Edlefsen Fuel company of this city. The coal is said to be available for industrial purposes and residences alike.

It is stated by the owners of the mine that the coal will be sold on its own merit, and that the concern has no stock for sale.

Detectives' Work Is Praised by Mayor

A letter of commendation was sent by Mayor George Baker to Police Inspectors Pat Maloney and Tom Swines covering the work they did in apprehending six alleged burglars and thereby clearing up between 25 and 50 house robberies. As soon as the prisoners are returned from San Francisco and their confessions secured the police expect the total to jump to 50. A large amount of loot was recovered, some of it being found in Washington.

For Those Pesky Pimples

There are Handsome Complexions in Almost Every Village That Prove the Remarkable Value of Stuart's Calcium Wafer.

Nature decreed that every woman should have a clear, smooth, delicate

skin. If it is blotched with pimples, blackheads and other such eruptions, it is simply an evidence that the skin lacks certain elements that promote and preserve skin health. And the greatest of these is the wonderful calcium supplied in Stuart's Calcium Wafer. Calcium is one of the natural constituents of the human body. Your skin requires it to be healthy. It invigorates the skin health, drives up the pimples, boils and blotches, enables healthy skin of fine texture to form and become clear, pink and smooth. Stop using creams, lotions, powders, and bleaches which merely hide for the moment. Get a 50-cent box of Stuart's Calcium Wafer at any drug store today.—Adv.

Side Cars Placed On Motorcycles to Aid Police Officers

Another innovation in local police work took place Saturday, when Chief of Police Johnson placed side cars on several emergency motorcycles. In the past it has been necessary to send two motorcycles whenever two men were needed on an emergency call. From now on the captain can send out one machine with two men, which will leave the second motorcycle man at the station to answer another call.

Within a short time the chief intends to put a tandem seat on the motorcycles. If the officers make but one arrest, both can ride on the machine, and the prisoner can be put in the side-car. Addition of the side car will also add to the officer's safety, the chief contends, as the motorcycles will not be so apt to skid about on the pavement.

Sixteen officers have been ordered. These will be placed on the motorcycles, but the officers will have strict orders to use them only in real emergencies. A siren has been placed on the new police patrol. The rotary gang will be used ordinarily. When answering a burglar, murder or fire call the driver of the patrol will be allowed to use the siren.

Ceremonial at Portland Ad club meeting attends naming of beautiful floral variety, of which 250 specimens were picked in the city park on Wednesday by C. P. Keyser, superintendent of parks, especially for the occasion. Above, left—Mrs. Walter T. Sumner rose. Right—Mrs. Walter Taylor Sumner, wife of the Episcopal bishop of Oregon, patron for new blossom. Below—Group of luncheon guests who introduced Mrs. Sumner rose to lapsels of the coats of Portland men. From left—Charles Berg, Mrs. Rublow of Pittsburg; Mrs. E. H. Holt, E. J. Jaeger, Mrs. John Hilton, E. H. Holt, Mrs. C. H. Lewis, W. E. Conklin, Mrs. J. C. Deyle, New York; Ira L. Riggs.

Commercial and aesthetic values of the rose were discussed by leading Ad club orators at the luncheon of the organization in the crystal room of the Benson hotel Wednesday noon. The favors consisted of 250 beautiful blooms covered from rose bushes in the City park Wednesday morning.

Bootlegging Charge Lodged Against 23 Soft Drink Vendors

Twelve more soft drink vendors were arrested Saturday afternoon on warrants sworn to by Officers Russell and Huntington charging them with selling intoxicating liquors. Ball was set at \$50 in each case. A total of 23 have been arrested. Attorneys for 11 of the men asked to have the trials postponed until Tuesday. The 12 arrested Saturday are:

- Oscar Koek, 44 1/2 North Third street; Clara Clemens, 120 North Broadway; L. Brownlee, 227 First street; A. Hale Herliola, 75 North Third street; John Schaefer, 225 First street; A. Holman, 179 Second street; Steve Makedo, 354 Gilman street; Joe Capric, 255 Second street; L. Oliverio, 255 First street; R. Tamerson, 84 North Second street; Peter Alexis, 255 Second street; Kloviss Alexis, 201 Madison street.

Mayor, Fearing He Might Be Arrested, Lifts Curfew Law

Mayor Baker has issued orders to the police department that the midnight curfew law is not to be enforced Tuesday night against persons holding tickets to the Portland Press club's "Midnight Frolic." Baker said he did this in self-defense, as he intended to attend the show himself, and does not want to be arrested, along with 4000 other cash customers of the frolic. The show opens at 11:30 p. m., Tuesday, at the Hellog, and will be over in time for breakfast. Franklin T. Griffith, under arrangement with the Press club, is to furnish special car service to all points in the city as soon as the show is over. Eight big-time vaudeville acts, staged by Frank Coffinberry, former manager of the Orpheum, will be featured.

NEWEST ROSE AND ITS PATRON

Ceremonial at Portland Ad club meeting attends naming of beautiful floral variety, of which 250 specimens were picked in the city park on Wednesday by C. P. Keyser, superintendent of parks, especially for the occasion. Above, left—Mrs. Walter T. Sumner rose. Right—Mrs. Walter Taylor Sumner, wife of the Episcopal bishop of Oregon, patron for new blossom. Below—Group of luncheon guests who introduced Mrs. Sumner rose to lapsels of the coats of Portland men. From left—Charles Berg, Mrs. Rublow of Pittsburg; Mrs. E. H. Holt, E. J. Jaeger, Mrs. John Hilton, E. H. Holt, Mrs. C. H. Lewis, W. E. Conklin, Mrs. J. C. Deyle, New York; Ira L. Riggs.

Officially, several blooms appearing on a single stem; it is of bright red color and exceptional fragrance. The new bloom was named the Mrs. Walter T. Sumner rose, in honor of the wife of Bishop Sumner. Table favors consisted of 250 beautiful plants per acre can easily be grown in Portland and vicinity.

ALUMNI OF U. OF O. HEAR INTERESTING TALKS AT LUNCHEON

Mrs. George Gerlinger, Frank Branch Riley and Colin Dymont Among Speakers. Interesting speeches, discussion of many vital university topics and a short talk by Frank Branch Riley were enjoyed by 100 or more members of the alumni of the University of Oregon at a special luncheon held Saturday afternoon in the Tyrolean room of the Benson hotel.

Riley's talk was a forerunner to the "Lure of the Northwest" lecture that he will give Friday evening, October 24, in the auditorium of the Lincoln high school. The proceeds of the lecture will be turned over to the woman's building that will soon be under construction on the university campus.

Posture Poor of Big Percentage in Aberdeen Schools

Aberdeen, Wash., Oct. 18.—Results of a recent posture test in the Aberdeen schools, conducted by the principal of the Samuel Benn school, who is also physical director, showed that of 923 children, but 27 per cent have good posture. The tests are to be continued, inasmuch as the pupils are anxious to take them and improve. Aberdeen Levy 74.94 Mills Aberdeen, Wash., Oct. 18.—The tax levy next year will be 74.94 mills, as against 67.67 last year. The county levy has been doubled, state and schools increased slightly and that of Aberdeen is increased about four mills. Woman Given Jail Term Aberdeen, Wash., Oct. 18.—Mrs. Jull Lehto was sentenced to serve 10 days in jail for having liquor in her possession.

COUNTY BUDGETS \$1,000,000 ABOVE 1919 REQUIREMENT

Needs of Roadmaster's Office Are Responsible for Increase in Total for Most Part.

ITEMS ARE ENUMERATED

Amount to Be Expended for Bridges and Ferries Coming Year Adds Another Factor.

Budgets for 1920 so far submitted to the board of commissioners by various departments of Multnomah county indicate that the expenditures for the coming year will exceed those of 1919 by approximately \$1,000,000.

Chiefly responsible for the increase is the demand by the roadmaster's office for \$1,242,154 which is three quarters of a million above what was asked last year. Location and grading of the proposed hospital road on Marquam hill and the grading and macadamizing of the lower St. Johns river road call for \$325,000 of the amount asked.

Widening of the Fairmount boulevard and locating and grading of Boones Ferry road, the Base Line extension and the Columbia boulevard is estimated at approximately \$125,000. COLUMBIA HIGHWAY INCLUDED Maintenance of the Columbia river highway is put in at \$15,000 for 1920. Oiling of the county roads and guard fencing will also cost \$17,000. Acquisition of land at Crown Point will cost \$50,000.

Another cause of the increase of the 1920 budget is the large amount which it will be necessary to expend for the coming year on the bridges and ferries. The amount is set at \$1,212,147 for this year compared with \$253,504.46, which was asked last year.

Of this amount it is expected that \$113,816.05 will be expended in strengthening the Morrison street bridge foundations and \$78,424.25 in work on the approaches of the Hawthorne bridge. On the Burnside street bridge \$44,924.96 will be used and approximately \$40,000 is set on the Steel and Broadway structures.

LIBRARY COSTS JUMP Expenses of the county library jump from \$163,766.60 for 1918 to \$247,474 for 1920, according to the proposed budget. Reason for the increase is given as the advanced cost of books.

Increases in salaries and the advanced cost of printing are responsible for the \$6000 increase in the budget of the county clerk's office. This year it was \$78,340. In the coming year it will be \$85,380. Salary increases are also responsible for the advance of \$6000 in the expenditure of the circuit court division.

Slight increases in the expenses of practically all other departments of the county are attributable to either advance in salaries or the increased cost of supplies. The proposed budgets as submitted by the county commissioners, with that of Sheriff Hurlburt's office lacking, follow:

Table with columns for Department, 1919, and 1920. Includes County Clerk, Board of Health, Board of Public Works, etc.

Young Property in Astoria Purchased For Sixty Thousand

Astoria, Oct. 18.—The Andrew Young property at the southwest corner of Fourteenth and Commercial streets was purchased today by W. F. O'Brien and Austin Osburn, the consideration being \$60,000. The tract is 60x125 feet and includes the brick block occupied by the Brownville Woolen Mill store and the Whitman bookstore. The new owners will make extensive improvements.

CITY FEELS WEIGHT OF HIGH COSTS

(Continued From Page One)

they must necessarily curtail the services now afforded taxpayers of the city.

PUBLIC OPINION DIVIDED ON NECESSITY OF SPECIAL VOTE

Banker, merchant, laboring man and representatives of other callings Saturday joined in expressing opinions regarding the special municipal election called Friday afternoon by the city council. The net result indicated that the trend of sentiment remains divided, while many admit they have not advised themselves of the purpose of the coming elections. Opinions expressed Saturday follow:

LADD IS IN DOUBT

William M. Ladd, Ladd & Tilton bank—I don't know enough about the proposed city election to express an opinion. However, I believe city expenditures are great enough now.

C. J. Mathis, clothes—I believe additional revenue for the city is necessary. I'm in favor of a special election and will vote for the tax increase.

Frank Hennon, president Building Trades council—I will vote for the tax increase.

C. M. Ryerson, editor Labor Press—If the raise in the tax levy is necessary and cannot be authorized by the city commissioners, I am in favor of a special election and the increased tax levy.

W. S. U'ren, attorney for Central Labor council—The people who are working for the city are entitled to an increase in pay. The judges of the state secured an increase of 25 per cent by act of the last legislature. The taxpayers should vote the increased levy cheerfully, if only for that reason.

F. E. Coulter, State Labor Federation Delegate—it appears to me that the good wages or raising taxes. The working people must think deeper and harder.

ANDERSON WILL VOTE FOR IT Harry Anderson, President Central Labor Council—I want to see the men and women employed by the city secure an increased wage. If a city election is the only way to do it, I am in favor of it.

A. R. Smith, 1101 East Sixty-ninth Street—Why can't the city and state collect an income tax like the national government? There are thousands of persons who have an income of between \$1000 and \$5000, yet don't pay anything toward city government. They enjoy the same privileges and protection as taxpayers.

Average wages of men in eight of the leading industries, as measured by the age hourly earnings, increased all the way from 74 to 112 per cent during the period from 1914 to March, 1915.

Commercial Savings Accounts. We particularly solicit the checking account of individuals, firms and corporations. Our Service Includes: 4% interest paid on Regular Savings Accounts. 3% interest paid on Special Savings Accounts subject to check where the minimum monthly balance is not less than \$500.
