STANFORD TEAM INVADES OREGON FOR THIRD TIME

Cardinal Warriors to Open Pacific Coast Conference Season Against Oregon Aggies at Corvallis Saturday; Team Handicapped by Inexperienced Players; Train to Carry the Palo Alto Boosters.

By George Bertz

TWENTY years ago Leland Stanford university football players made their second invasion of Oregon and, unlike the first time, went home humbled.

Saturday the Cardinal warriors—back at the grand old American game after 14 years of Rugby football—will invade the Beaver state for the third time, lining up against the Oregon Agricultural college team at Corvallis.

This contest will be Stanford's first since being admitted to the Pacific Coast Intercollegiate conference, and the eyes of the followers of the gridiron game along the coast will be focused upon it.

Portland will have an interest in the battle, in view of the fact that three former interscholastic stars of this city—Preston Holt, ex-Lincoln High player; Lemon Bonney, former Jefferson high, and Paul Campbell and Pallett, who played with the Washington High—will be in the line-up at the start of the contest. Two ex-Medford High players are on the Stanford squad also. Portland will be represented in the Aggie line-up.

Stanford's first game in the Northwest was played in 1893 against the Multnomah club squad, and the Cardinals trimmed the club men in that game, 16 to 6. Six years later they tried to annex another game, but were beaten, 11 to 6.

PLAYERS INEXPERIENCED

This time the Cardinals come north with a lineup composed mostly of inexperienced players, many of whom have been stars in rugby, but despite this handicap Coach Evans, who was formerly mentor at the University of Colorado, is confident of giving the Aggies a battle.

Evans, assisted by "Brock" Mitchell, former star end of the University of Oregon team, has been working with the Cardinals for over a month and has them in shape for a hard struggle.

Eight members of the Stanford team have played the American game three years, not counting their high school contests, while seven members have no experience in the American game.

THE CARDINAL SQUAD

The Stanford squad will consist of 22 players. Following is the list:

Names and weight: Pos. Experience.

R. Stansman, 160	End	Portland, Or.
R. Stansman, 150	Qr. back	Pasadena High, Cal.

HARGISS IS HOPEFUL

While he has taken his time in preparing the Aggie team for the Stanford battle, Coach Hargiss is confident of a victory over the Cardinals. He let his players open up for the first time this season against the Pacific U. team Saturday and they showed good speed.

"Butts" Reardon, who has been out of the scrimmages for about 10 days, will likely be used against the Cardinals because of his aggressiveness, a quality which Schroeder, former quarterback of the James John high, lacks. Hargiss will start the same lineup against Stanford as he did against Pacific.

Though the Aggies are favorites, a surprise may be sprung as the playing of rugby has developed some wonderful kickers among the Stanford players. Should the Cardinals be able to hold the Aggies, it might be possible that a field goal or drop kick will decide the issue. Former Stanford student, among whom are some of the most prominent men in Portland, are being out for a special train to take in the contest. Those who wish to secure accommodations are requested to communicate with E. P. Stott or W. H. Masters in the Yeon building.

Eugene Bolden, winner of the 10-mile swim on the Delaware river, Philadelphia, has joined the Illinois A. C.

VANCOUVER HAS CONTENDER FOR WORLD'S HONORS

Jim Cameron, Who Will Represent Canada in Olympics, Being Groomed for Title.

Vancouver, B. C., Oct. 18.—Vancouver may some day in the not distant future be the home of the world's all-round champion athlete, if Detective John Cameron of the Vancouver police department regains any of the sensational form shown a few years ago, just before the outbreak of the war, when he was starting the West with his remarkable performance on track and field. Cameron is coming back with a rush, aver close students of the track and field sport. Clearing up is practically everything in which he entered in and around this burg during the past summer, Cameron journeyed to Ottawa, Ont., the scene of the dominion championships, and captured the national all-round title, winning a trophy for this feat, a gold watch for scoring the greatest number of points among his Canadian rivals and capturing a dozen gold and silver medals.

Cameron, who will go to Belgium as one of Canada's representatives in the next Olympic games, scheduled for 1920, was all primed for the world's all-round competition in the United States when the Kaiser proceeded to turn the world upside down and it was necessary to abandon all plans. Then, two years ago, the crack athlete while running down a colored murderer, had his left eye shot out and for a long time he was out of athletics. But now he is back better and stronger than ever and British Columbia athletic experts regard him as the coming world's all-round champion. Only on one former occasion has Canada ranked high at the all-around meet in the United States, the late John Gillis, a former policeman, running second to F. C. Thomson in 1912 at Chicago.

SYRACUSE TRIUMPHS OVER PITT.

Warner's Panthers Smothered Under Attack of Orangemen; Ackley Is Star.

SYRACUSE, N. Y., Oct. 18.—(U. P.)—Syracuse disregarded "Old Man Dope" today and provided the East with the biggest upset of the season, conquering Glenn Warner's highly touted Pittsburg team by the score of 24 to 3.

Entering the game the underdogs, Syracuse, fought fiercely from the time the referee's whistle sent the two teams into combat until the final play. Bewildered by the strength of Syracuse, Pittsburg fought back wildly, but could not stem the concerted attack of the Orangemen, who three times pierced their goal line and once drove the pliskin between the bars for a field goal. Only the toe of Hastings, who booted a field goal in the second quarter, saved Pittsburg from the humiliation of a shutout.

Terrific line smashes and end runs spelled the downfall of the Pittmen. The assortment of plays which Syracuse displayed dazed their opponents and Pittsburg's defense crumbled.

In an effort to retrieve lost points, Warner's men tried trick plays, straight football and passes. But all of these failed. Syracuse proved herself invulnerable against the Pittmen's attack. Ackley, the Syracuse quarterback, was the star of the backs. He scored 18 of the points and was an important cog in Syracuse's defense.

LOCAL GOLFERS ARE OPPOSED TO ONE-SIZED BALLS

Plan to Standardize Golf Balls Would Meet With Failure, Is the Opinion of Local Followers; Different Type of Players Demand Heavy and Light "Pills"; Pratt Is Opposed.

STANDARDIZATION of golf balls would play havoc with players all over the country, according to the opinions of a number of prominent Portland players.

The St. Andrews club of Scotland started the movement by going on record as being in favor of a uniform ball, but any such action by any of the governing bodies in the United States probably would cause thousands of protests.

Harry Pratt, the professional of the Portland Golf club, is one of the local players who is against the standardization of the balls. One of the main reasons for Pratt's objection is that different type of players require different balls. For instance, a heavy driver likes a heavy ball, while other long drivers like a medium ball.

Rudolph Wilhelm and Dr. Willing, finalists in the Portland Golf club championship tournament, prefer heavy balls. Russell Smith, former Northwest and state champion, plays a heavy ball.

Those who favor the adoption of a uniform ball advance the argument that baseball has succeeded with a uniform ball and that tennis, football and basketball are meeting with great success with a uniform ball, but golf is an entirely different game. At the present time there are about forty different kinds of golf balls, all of which have their supporters.

Harry Varden, many times winner of the British open championship, does not favor standardization. It is believed that if the question is put before the annual meetings of the governing bodies that it will be voted down by a big majority.

Franklin High Team Is Easily Outpointed By Aggie Freshmen

Corvallis, Oct. 18.—Fighting to the end of the game, Franklin high school of Portland was defeated by the Oregon Aggie freshmen, 59 to 0, here today. Though game to the last, the visiting lads were far too light to penetrate the colossians' line for yardage. The rocks kicked off. Hughie McKenna intercepted a forward pass for a 60 yard run, and a few plays later, slipped around the high schoolers' right end for a tally. Working down the field, a completed pass from McKenna to Gus Hixon netted another score. Both attempts at kicking quib failed. Score in the first half: Freshmen 12, Franklin 0. Woods replaced Chisholm at full in the second half and hit the line for two touchdowns. Heavy hammering at the line weakened the visitors, who were unable to stop the plungers. Richards smashed through for another tally, ending the quarter with 32 for the rocks, while the visitors were still in the cellar. Many substitutions were made by the freshmen, Coach W. W. Williams giving his entire crew a chance. On a completed pass Borgeson annexed another touchdown, and a few minutes later, following a 40 yard run by McKenna on an intercepted pass, he again slipped over the goal line for a tally. Walker and Chisholm kicked the line for a final score of 59-0.

Badley, Thomas and King featured for the high school, completing several pretty passes.

Redskins Are No Match for Oregon Freshman Eleven

University of Oregon, Eugene, Oct. 18.—By a score of 34 to 0 the University of Oregon freshman football team defeated the Chemawa Indians in a one-sided game played here this afternoon.

The teams were well matched in size, but the Redskins plainly showed the lack of practice and coaching. They were unable to check the advance of the heavy Oregon backs and the other hand failed to get within striking distance of the Oregon goal a single time during the game. Frank Hill, former Eugene high school star, was the individual star of the game with his long yardage making end runs.

The line-up:

White	LTB	Johnson

Oregon Eleven Trims Idaho Football Team

Moscow, Idaho, Oct. 18.—"Shy" Huntington's University of Oregon football aggregation won its opening game of the Northwestern conference season this afternoon from the University of Idaho eleven, 27 to 6. The Lemon-Yellow team's offensive was too strong for the Gem Staters during the last half of the game when the visitors put over three of their four touchdowns.

Each team scored in the first period. Oregon coming back after the Gem Staters had put over their lone touchdown. The Idahoans scored in the first few minutes of play.

Hollis Huntington, who carried the ball over for Oregon's first touchdown, scored again in the third period and five minutes later he bucked his way over for the third touchdown. Steers converted both goals.

In the fourth period, Huntington scored again. The Washington State college freshmen and the Idaho frosh played a 6 to 6 tie.

Colgate Continues Rush for Grid Title By Beating Cornell

Ithaca, N. Y., Oct. 18.—(U. P.)—Colgate continued the rush toward the eastern football championship here this afternoon by downing Cornell, 21 to 0.

Fritz Shaverick, captain of the Rush eleven and winner of last Saturday's game with Williams, made three attempts to work his trusty toe for goals to stem the tide, but he failed each time.

Cornell fought furiously on the defense and was so successful in staving off rushes of the Bankart machine that Colgate had to resort to air methods, which worked for two touchdowns. Watkins was the bright star, scoring both on short passes over the line. Anderson cut in for a slice of glory when he got under one of Shiverick's punts and raced 50 yards for a touchdown.

Of the offensive the Rush eleven was almost useless.

Princeton Eleven Wins Easy Contest

Princeton, N. J., Oct. 18.—(U. P.)—Princeton defeated Rochester here this afternoon, 24 to 0. The game was nothing more than a good workout for the Tiger crew. In the first four minutes of play Garrity circled the end for 50 yards and scored. Strubbin kicked goal.

Trimble scored two touchdowns on runs of 35 and 40 yards.

Rochester braced in the second half and the Tiger substitutes were unable to score.

Yale Eleven Downed In Close Contest

New Haven, Conn., Oct. 18.—(U. P.)—Eventually Yale may "come to."

The big team of Coach Al Sharpe and the students of the noted New Haven institution were dazed and floundering around groggily from the knockout punch administered to their hopes when a lowly Boston college defeated them this afternoon, 5 to 3.

Acosta, the Yale center, was a wild as the bush league pitcher. Twelve he made passes high over Franch's head. The second offense gave the visitors their first score, when a wild heave put the ball behind the bars for a safety.

In the final quarter Boston came out with a rush and worked the ball to the 45 yard line. With the score 3 to 2 against them, Captain Fitzpatrick called for a kick. The big captain caught a perfect pass, took measured steps and booted the ball squarely between the posts.
