

DILLY-DALLYING OF REPUBLICANS IS PUBLIC LOSS

Representative Aswell of Louisiana Moves for Investigation of Some of the Investigators.

USELESS WASTE IS CHARGED

Says Big Sums of Money Are Being Spent in Noisy Effort to Gather 1920 Campaign Thunder

Washington, Oct. 21.—Charging the Republican majority in the house with "squandering great sums of money in noisy effort to find campaign thunder for 1920," Representative Aswell, Democrat of Louisiana, has introduced a series of eight

resolutions proposing an investigation of the investigators.

While the people demand real constructive legislation, Mr. Aswell declares, "the Republicans refuse to act and fritter away the time with irrelevant political matter to the discouragement and disgust of the country."

One glaring instance of the majority's inactivity, the Louisiana representative said, is the undisturbed slumber of soldiers' relief measures, "on which they can secure action any day they have the courage to tackle them."

INFORMATION IS ASKED

The resolutions offered by Mr. Aswell call for information as to the time spent by congressmen, expenses for clerical help, incidentals and attorneys' fees by the following investigating committees: "Committee on military affairs, select committee on expenditures in the war department, committee on expenditures in the treasury department, select committee on the United States shipping board and the United States Emergency Fleet corporation, committee on expenditures in the navy department, ways and means committee, committee on merchant marine and fisheries and select committee on waterpower."

"The attitude of Republican leaders on legislation in this house," said Mr. Aswell, "would be amusing were it not tragic."

NOTHING DONE YET

"That this congress should be in session five months and nothing done," the Republican leaders have cold feet on their own proposed legislative program. It is practically untouched at this late date.

"The expense to the people of their inaction has approximated \$20,000 a day

or \$2,000,000 already expended in the current session of this special session, to say nothing of the vast additional expenditures through the protracted operations of the various investigating committees."

"The Republican leaders in this house, although wholly responsible for the legislative program, hesitate, sidestep, duck, dodge and quibble among themselves. They know, as the country knows, that the Republicans of the West and the Republicans of the East can never agree on any permanent, serviceable, constructive legislation program."

DISCORDANT ELEMENTS CONTROL

"The country sees with no hope as long as the Republican party with its discordant elements is in control of the government."

"Afraid to move forward, they fiddle away the time by investigating everything that might give promise of campaign material for 1920, which is intended to divert the attention of the country from their own shortcomings to the departments, nag the administration and hinder the efficiency of the government."

"Why do they remain inactive? Why are they afraid? The country has a right to know who is directly responsible for the disgraceful failure of this congress to act on these measures."

"My resolution will reveal to the congress and the country the amount of time wasted and money squandered on these political investigations. The Republican party must later answer to the country."

"The shipping board has taken over five of the eight former German passenger ships, title to which is subject of diplomatic discussion between the United States and Great Britain."

Lady Astor Might Sit in Parliament

London, Oct. 21.—Lady Astor, wife of Viscount Waldorf Astor, may sit in

RELIABLE METHOD OF HAIR CARE

Hair is by far the most conspicuous thing about us and is probably the most easily damaged by bad or careless treatment. If we are very careful in hair washing, we will have virtually no hair troubles. An especially fine shampoo for this weather, one that brings out all the natural beauty of the hair, that dissolves and entirely removes all dandruff, excess oil and dirt, can easily be used at trifling expense by simply dissolving a teaspoonful of canthrox (which you can get at any drugist's), in a cup of hot water. This makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. This chemically dissolves all impurities and creates a soothing, cooling lather. Rinsing leaves the scalp spotlessly clean, soft and pliant, while the hair takes on the glossy richness of natural color, also fulfines which makes it seem much heavier than it is. After canthrox shampoo, arranging the hair is a pleasure.—Adv.

parliament in place of her husband, who, as a result of his father's death, becomes a member of the house of lords. Astor's constituents in Plymouth, according to a dispatch from that city to the Daily

News, are considering inviting the new Viscountess Astor to take her husband's seat in the commons as a conservative member.

USES COMMON YELLOW MUSTARD FOR CHEST COLDS AND SORE THROAT

Old Fashioned Simple Home Remedy Much Used by Doctors and Nurses for Inflammation, Congestion, Aches, Pains and Swellings.

Mustard, real yellow mustard, the kind you use at home, is being used more than ever to banish distress and misery and free mankind from agony and suffering.

Not very long ago people used to make yellow mustard into a paste, spread it on a cloth and apply it to that part of the body where pain or inflammation was present.

It surely did do the work it was expected to do, but it was messy and bothersome and often blistered the skin. People still use yellow mustard when they get a cold in the chest or have pleurisy, lumbago or rheumatic pains and swellings.

which is known to millions as Begy's Mustardine, is sold at drugstores all over America and one box will do the work of 50 mustard plasters and it cannot blister the tenderest skin.

Begy's Mustardine is the original mustard preparation used to take the place of blistering mustard plasters and is known among druggists as the quickest pain killer on earth.

It will pay you to keep a box of Begy's Mustardine in the house, for it is good for so many ailments that you will need it often.

Just rub it on, that's all you have to do, and headache, backache, earache and toothache will disappear almost instantly. Don't fail to use it for neuritis, neuralgia, sciatica, lumbago, gout and rheumatic pains and swellings. You will quickly find that there is nothing so good for sprains and strains, sore muscles, stiff neck and cramps in legs. Heat eases pain and Begy's Mustardine made of real yellow mustard with other helpful ingredients added, contains more concentrated, non-blistering heat than can be found in any box of the same size.
