Beginning Today Rigid Investigation to Determine Causes of Accidents Will Be Inaugurated

MAYOR GIVES INSTRUCTIONS

Policemen Will Be Dispatched to Gather Evidence; To Hold Guilty to Account.

Commencing today, a cause will be established, through police investigation, for every automobile or other traffic accident that occurs in Portland. Orders to dispatch a police officer to study every accident were accordingly given verbally by Mayor Baker to Chief of Police Johnson.

Records of 15 accidents a day during September, with a total for the month of 458, aroused both the mayor and the police chief.
