

BOOSTERS TO AID TOWNS IN OREGON

Recommendations Offered at C. of C. Meeting to Support Towns Excursionists Visited.

Confident that the Southern Oregon trade excursion under the auspices of the Portland Chamber of Commerce was eminently satisfactory, recommendations to support needs of the various towns visited were made to the board of directors of the chamber Wednesday afternoon by Nathan Strauss, chairman of the excursion.

In introducing his recommendations Strauss expressed the belief that the excursion should be productive of great benefits, not only to Portland, but to each of the cities visited. The recommendations were approved by the board of directors and the four directors on the trip were pleased to come to the next weekly meeting with recommendations of the personnel of various committees necessary to help solve the problems.

PLANNED TRIP

Prosperous conditions were reported everywhere. More trade excursions were believed necessary, according to the resolution adopted, and the most important needs of the various communities to which it was believed aid was necessary were enumerated as follows: Appoint a special committee to give attention to the request of Medford that larger appropriations be made by the government for Crater Lake National park so adequate hotel facilities and better roads may be provided, and that proper pressure be brought to bear upon congress to gain this end.

Make every effort to assist in the building of the Strahorn road from Bend south to Klamath Falls and have Portland business men visit the forest of Lake and Klamath Falls aggressively. Appoint a committee to urge selling of Indian reservation lands in Klamath county so that the county may secure the benefits of taxes on this land.

PROPOSED OPENING SCHOOL

Numerous other recommendations were made in respect to Klamath Falls, including that freight deliveries and passenger accommodations be improved between Portland and this city.

For Ashland it was recommended that the Ashland Normal school be reopened and that a special committee should be appointed to take up this matter. Special excursion rates from Portland to this city of the same nature that San Francisco excursions were also asked to be investigated.

THE MOST URGENT OF GRANITA PASE'S NEEDS

Is the building of a highway from that city to the Marble caves and a special committee was recommended to help in this respect. The committee further recommended that Roseburg had no special requests for assistance to make.

NEW MAP OF CRATER NATIONAL FOREST IS REPLETE WITH DETAIL

A map of the Crater National forest, containing roads, both automobile and secondary, trails, stores, meals and lodging, gasoline stations, garages, horse feed, huckleberry grounds and distances, has just been issued by the forest service for the use of recreation seekers. Upon the back of the map is detailed information on the Crater National forest, summer home sites, tent frame colonies, permits, forest officers' directory, summer home sites in Lake of the Woods area, Recreation creek, Odessa creek, Dead Indian-Soda springs and the trout areas and public camp grounds, natural bridge and Huckleberry mountain camp grounds, Blue canyon, hunting and fishing conditions and fire prevention. The guide map, which is entitled "Recreation in the Southern Cascades," was prepared under the direction of Assistant Forester C. J. Buck, who is in charge of the recreation activities of the forest service.

Identify Prisoner As Escaped Convict

John R. Hilburn, alias John R. Banks, arrested October 1, at Oregon City by Police Inspector Ackerman, was identified Wednesday as an escaped convict from the government penitentiary at Fort Leavenworth, Kan., according to word received by the police. Hilburn is said to have been serving a sentence of from one to 10 years for forgery, and it is probable that he will be returned to the Kansas institution, as the checks passed here were small ones, the police say.

Teachers and Labor Meet

Spokane, Wash., Oct. 22.—More than three score Spokane school teachers, men and women, were the guests of the Central Labor council at its meeting Tuesday. At the conclusion of the meeting, the routine which the visitors followed with the closest attention. Principal J. A. Burke of the Garfield school was asked to speak.

Telephone Company Operating Without License in Medford

Medford, Oct. 22.—The 49 year franchise under which Phone, Telephone & Telegraph company operates its Medford telephone exchange has expired and the company made no effort to renew its franchise or to get a new one until the last moment, when Gus Newbury, attorney for the company, asked the city council Wednesday for another 10 year franchise, and at the same time submitted for the council's consideration a form of franchise ordinance to be followed.

The council merely received the application and form ordinance which appear to embody all of the provisions of the old franchise. The city officials were surprised on careful perusal to find they made no mention whatever as to the percentage of gross receipts the city is to be paid by the company. Under the franchise which expired the company paid 3 per cent of the gross receipts to the city and the council felt that at least that much should be paid under the new franchise. The council will take its time in drawing up and passing a new franchise ordinance after careful consideration, but in the meantime the company will operate in Medford without a franchise.

Children Privately Cared for Not Under Welfare Commission

Salem, Oct. 22.—Private persons entrusted with the temporary care of children by parents, who work out, cannot be regarded as coming under the jurisdiction of the child welfare commission, according to an opinion prepared by Assistant Attorney General Van Winkle. The law, Van Winkle declares, includes only such agencies, societies and institutions as are incorporated for the purpose of receiving children to care for upon commitment from the courts. In the event, however, that private persons should fail properly to care for children placed in their keeping the child welfare commission can, upon a proper showing, have the child removed from their charge by a commitment from the court placing the child in the keeping of some regularly recognized child caring organization, the opinion states.

Sioux City Police Trap Five Bandits With \$4500. Loot

Sioux City, Iowa, Oct. 22.—(U. P.)—Five bandits who held up and robbed a State bank at Westfield, near here, Wednesday morning, were captured late today on the outskirts of Sioux City by a squad of Sioux City police. The capture was made without firing a shot. The police placed an automobile across the road, and the bandits, realizing they were trapped, surrendered. The loot total \$4500 in cash, was recovered. The five arrested gave their names as Harry Smith, Seattle; W. Cullen, San Francisco; James O'Keefe, San Francisco; Leo Barrington, Sioux City, and Kennedy Culver, Sioux City.

Easy to Make This Pine Cough Remedy

Thousands of families are helped by the prompt results. Inexpensive, and saves about \$2. You know that pine is used in almost all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membrane of the throat and chest. Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup. There is a famous pine cough remedy that money can buy, but 2 1/2 ounces of Pinex in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey or corn syrup, instead of sugar syrup. Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and very pleasant—children like it. You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistent only to lose its force, formation of phlegm. The cause is the same—irritated membrane—and this Pinex and Syrup combination will stop it usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment. Pinex is a highly concentrated compound of genuine Norway pine extract, and the famous pine cough remedy for its prompt effect upon coughs. Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pinex with directions" and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind. (Adv.)

PROGRESS OF MINING INDUSTRY IN OREGON OUTLINED AT MEETING

F. A. Olmstead Made Permanent Member of State Bureau of Mines and Geology.

Progress of the mining industry in Oregon during the past year was outlined in the report submitted by Director Parks of the state bureau of mines and geology, at a meeting of the members of the state commission, Monday night. F. A. Olmstead, recently appointed to fill the vacancy made by the resignation of H. N. Lawrie, was made a permanent member of the organization. Those present were: W. B. Dennis of Carlton, chairman; H. M. Betts, Corvallis; O. S. Blanchard, Grants Pass; F. A. Olmstead, Portland; P. L. Campbell, president of the University of Ore-

gon, and W. J. Kerr, president of the Oregon Agricultural college. Betts was appointed delegate to the national gold conference at St. Louis, November 17 to 21, in conjunction with the American Mining congress. Important legislation affecting the welfare of the gold mining industry will be discussed at the St. Louis meeting. Among the important activities of the bureau reported by Parks was the examination of road making materials for the state highway commission, in compliance with provisions of an act passed by the last legislature. Proposed reservoir sites for the Medford irrigation district and the Sparker irrigation district in Baker county were also examined by the bureau.

Old Volunteer Fire Fighters at Albany Are Now Disbanded

Albany, Oct. 22.—The Albany Volunteer Fire department, almost as old as Albany itself, has disbanded. Furniture and clubroom fixtures were sold to the members of the paid department. The numerous trophies won in years gone by in many hotly contested firemen's tournaments will be preserved at the engine house and the city recorder's office.

Baker Man Killed In South Dakota N. P. Train Wreck

Baker, Oct. 22.—William Travillion, aged 31 years, and a native of Baker, was killed Tuesday in South Dakota, according to a dispatch received here. Particulars were not given, but it is reported that a railroad accident was the cause of his death, for Travillion was employed on the Northern Pacific as a brakeman. He is survived by his mother, Mrs. W. W. Travillion, now at Pendleton, and a brother, Claire, of Portland. His father, who died nine years ago, was at one time county assessor and sheriff of Baker county, and was an Oregon pioneer. The body is expected to arrive here for burial next Saturday.

Restock Reservoir

Baker, Oct. 22.—Twenty cans of black bass received here from the state fish and game commission have been placed in the Camp Creek irrigation reservoir by local sportsmen. Not one dead fish was found in the consignment, which had traveled more than 300 miles.

Women Escapes Injury

Baker, Oct. 22.—Mrs. James Weatherman of Durkee escaped injury when the automobile in which she was driving toward a bridge approach near Durkee ran off the approach and down an embankment, resting upon the top, which was badly damaged. Mrs. Weatherman was in the car until extricated by her husband, who was following in a wagon.

Washington County Road Work Pushed

Beaverton, Oct. 22.—The Warren Construction company has more than two miles of bitulthio pavement completed on the Canyon road in eastern Washington county, and will be through to Beaverton in a short time. A. Guthrie & Co., inc. completed the Beaverton highway today, after four weeks of work. The road will be opened for travel directly to Portland.

Varsity to Feed Thousands

University of Oregon, Eugene, Oct. 22.—A luncheon is to be served to 6000 people before the big game during Homecoming week. A bonfire made by the freshmen, a football rally and stunts given by the men's organizations will be other events. The big dance on Saturday night will be held in the Armory.

Forest Ranger Shot Accidentally by Dr. Day While Hunting

Dayton, Wash., Oct. 22.—Forest Ranger Kendall was perhaps fatally shot by Dr. W. W. Day, with whom he was hunting in the Blue mountains 50 miles from Dayton. He was mistaken for a deer. Dr. Day had wounded and was in pursuit of it. He was struck in the shoulder by a spent bullet. The accident occurred 25 miles from any road. Kendall was carried over mountain trails by relay parties from town.

Man Murders Woman Then Ends His Life

Los Angeles, Oct. 22.—(U. P.)—Detectives today believed Mrs. Zola Schmidt, who was found dead Tuesday was murdered by George S. Crossman of Nevada, in a fit of jealous rage. Crossman was found dead in another room of the apartment. He was clad in a vivid red kimono and one hand held a revolver. A letter was found addressed to Mrs. Schmidt, in which the writer made love to her. It is believed Crossman found the letter while Mrs. Schmidt was sleeping.
