

THREE ARE FREED WHEN ANGRY MEN STORM BAKER JAIL

Prisoners Released Said to Be Ex-Service Men; Chief Says Trouble Had Been Threatened.

LEADERS REPORTED KNOWN

Baker American Legion Post Disclaims Part in Demonstration; Several of Police Are Cut.

Baker, Nov. 12.—Forcing the delivery of three men, said to be former soldiers, from the city jail, a mob, led by angry ex-service men, Tuesday evening stormed the city hall, darning a squad of armed police, and threatened to burn the building if their demands were not satisfied.

Several of the police were cut by flying glass thrown by one of the men. The attack was begun shortly after 6 o'clock, and was occasioned by the arrest of the three men who were accused by the police of disorderly conduct.

Noble Redman, one of the police, was the first to suffer at the hands of the mob. He was spirited away to the police station in a passing automobile.

The crowd followed, however, and 300 people created such a demonstration at the door of the station that the three men were finally released.

LEADERS ARE KNOWN
After the window had been broken, W. H. Strayer, city attorney, and state senator from Baker county, called for silence and demanded the reason for the demonstration.

"Give us those soldiers," 100 voices replied.
Even after the prisoners had been released the mob stood by unaffiliated until one of their number had been permitted to explore the jail and had reassured them that no former service men were being detained. An attempt was then made by some of the more ardent members to lead an attack upon the county jail, where some one shouted that there was a sailor, but further efforts to prolong the riot failed.

The police late in the evening made no attempt to arrest any of those who constituted the mob, but said that the names of several of the leaders had been secured. The city authorities are considering action.

GUN FLASHED, CHARGE
Eye witnesses assert that the whole trouble was started when Rodman flashed a gun as several persons attempted to interfere with the arrest of one of the three men, whose release was demanded. Rodman denies that he showed a gun at any time. Two other policemen were simultaneously attacked while they were taking the other two prisoners into custody.

Chief of Police Culbertson said that he is convinced that the disturbance of this evening had been planned for several weeks by a group of alleged bootleggers and other lawbreakers, who had previously threatened that Culbertson would, on Armistice day, be "beaten up, if not killed." Culbertson declares that the three men who were made prisoners at the jail were later released at the instance of the mob, all have police records, as do 30 members of the mob, all of whose names have been placed on the records. Upon their arrival at the county jail, the remnants of the mob that stormed the city hall were

dispersed by Deputy Sheriff William Pierce.

LEGION NOT INVOLVED
The American Legion disclaims any complicity in the affair. It is stated by the police that the three men were released not through fear of the mob, but simply to avert loss of life at the time, for although thoroughly armed and equipped to cope with the situation, it was deemed advisable to await legal action before taking further steps toward retaliation.

"If the law-abiding citizens of Baker want mob rule, we are perfectly willing to let them have it," said Chief Culbertson. "But if we find that the majority of Baker's business and social element is behind us, the offenders will be made to pay the proper penalty."

Misfires thrown by the mob destroyed three windows in the city hall. Excitement was rife throughout the city for several hours, but before 9 o'clock the disturbance had subsided and no more trouble is expected.

Marshfield, Nov. 12.—Coos Bay is taking care of the local labor situation, but there is no reason at this time for men from the outside to come here for work. One hundred and fifty such men could find work here, but other lines offer small chance.

WORRY AND WRINKLES

Despondency is a thing of evil results. Worry produces nothing but wrinkles and wretchedness. Let the reader put a note on her bureau, on her desk, and at the head of her bed, just two words,

"DON'T WORRY"
Worry is the greatest foe to the happiness of any household. An anxious, despondent face, a fretful, complaining voice, will make every one uncomfortable.

A woman's nerves are more truly the cause of worry than outside troubles. The nerves are to a woman's body the telegraph system which surely warns her of any trouble in the feminine make-up. Doctor Pierce's Favorite Prescription is the ideal woman's tonic for such conditions. It cures and builds up.

When a woman complains of backache, dizziness or pain—when everything looks black before her eyes—a dragging feeling, or bearing-down, with nervousness, she should turn to this "temperance" herbal tonic, known as Dr. Pierce's Favorite Prescription. It can be obtained in almost every drug store in the land and the ingredients are printed in plain English on the wrapper. Put up in tablets or liquid. Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., will send a trial size for 10c.

Mary Van Atta will be hostess to the Elks' ladies Thursday afternoon in the Elks' temple.

COMB SAGE TEA IN FADED OR GRAY HAIR

Look young! Common garden Sage and Sulphur darkens so naturally nobody can tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.—Adv.

Use Soothing Musterole
When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief. Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable. 30c and 60c jars; hospital size \$2.50.

This Furnace Burns Wood or Soft Coal

Here is a Richardson & Boynton "Progressive" Warm Air Heater that will burn whichever fuel is cheapest—wood or soft coal. Advance in cost of either need not worry you. It burns both fuels efficiently.

While you do not require heat many days of the year, it is a mighty fine thing to have a central heating plant that is out of the way, instead of using a stove in each room with all the unavoidable dirt it brings into the house. You will use less fuel in the "Progressive" heater, and have more heat, besides the convenience of only one heater to care for.

In writing to the dealer, ask for illustrated literature on Richardson & Boynton heaters for wood or soft coal.

How Fat Folks Reduce Weight

Many Are Losing Several Pounds a Month

Fat persons, particularly those from ten to sixty pounds above normal weight, will be interested to learn that they may reduce their weight without starvation diet or tiresome exercise.

This can best be done by getting plenty of fresh air, by breathing deeply and by taking a few drops of oil of korein four times a day. Also in following the other simple rules that come with the box.
Oil of korein may be obtained from any good druggist in capsule form. Even a few days' treatment is likely to show a pleasing reduction in weight. The step becomes lighter, the flesh more firm, the skin smoother in appearance; work seems easier and a more buoyant feeling takes possession of the whole body and mind as superfluous, unhealthy, fat disappears.
If you are over stout and have tried various methods of fat reduction in vain you may now be very thankful at having found a genuine system. It is safe, pleasant and healthful.—Adv.
