

VETERAN OFFERS HIMSELF AND GUN TO RESERVE CAUSE

Old Soldier, Armed With Springfield Rifle, Presents Himself at Liberty Temple in City.

ENLISTMENTS MOUNTING UP

Centralia I. W. W. Tragedy Has Been Indirect Reason for Increase in Enlistments.

Carrying an old Springfield rifle of the vintage of '61, and wearing a decoration received in the Civil war, a G. A. R. veteran appeared at the headquarters of the American Legion in the Liberty Temple several days ago, requesting the privilege of enrolling in the civilian reserve, which is being organized to combat all anti-government forces, radicalism and I. W. W.ism.

Many G. A. R. veterans have expressed a desire to be the first to be called in case of any emergency, but this was the first old soldier to come under arms.

Tremendous impetus was given the movement by the recent armistice day atrocity in Centralia.

ENLISTMENTS ARE GAINING

The daily average for the past week has approximated 300, and prospects are excellent for a fine enrollment next week. Total enrollment to date approximates 4800, with every indication that the 5000 mark will be passed before the week is over.

Over 600 men are now working for the civilian reserve enrollment. Buildings throughout the city are being canvassed and over 400 business houses and private individuals have secured cards for increasing the enrollment.

Canadian veterans have come through 100 per cent. At a meeting Monday they endorsed the idea, and all present signed up. Cards were taken for absent members and a follow up campaign will be conducted to secure their enrollment.

One member of the American Legion, who was out of the city, wired to the headquarters of the Portland post, requesting them to enroll his name in the reserve.

VANCOUVER PLANS RESERVE

Attracted by the success of the movement in Portland, a committee headed by T. L. Hendricksen and J. L. Sutherland, from Vancouver, Wash., called at the Liberty temple to get data concerning the civilian reserve. Vancouver is contemplating a similar organization.

At the annual convention of the Oregon State Bar association, recently held in Portland, resolutions were adopted endorsing the civilian reserve and commending the principles for which it stands. Their endorsement read as follows:

"Resolved, That the Oregon State Bar association and its members vigorously endorse the civilian reserve, its organization, purpose and aims, and align themselves with law and order and constituted government and 100 per cent Americanism."

ASSISTANCE IS PLEDGED

Resolved further, That the Oregon Bar association and its members thereto make this pledge to assist the law enforcing officers in the prompt and efficient carrying out of the principles of the Declaration of Independence and the organic and state laws of the national and local government."

C. Y. Tengwald of the Medford post of the American Legion called at the Liberty temple for data concerning the reserve.

The Medford post has been considering a similar organization and wishes to keep the movement uniform.

IS 67, BUT WORKS HARD EVERY DAY, SAYS BROWN

Seattle Man Feels as Strong as He Did at Fifty Since Taking Tanlac.

"My health has been so restored by Tanlac I feel as well and strong as I did at 50," said J. Brown, of 3405 Rainier Valley avenue, Seattle, recently. "My rheumatism and kidney trouble are gone entirely," he continued.

"For the past three years I had suffered so much from rheumatism and kidney trouble without being able to obtain any relief that I had about concluded I would never be my old self again. I had no appetite and what I did manage to force down soured on my stomach and caused such a tightness in my chest and cramps in my stomach I could hardly breathe. I had such bad dizzy spells that when I closed my eyes everything seemed to jump in front of them. My liver was sluggish and my head ached so it was almost more than anybody could stand. My kidneys were in such bad shape I had pains in the small of my back nearly all the time, and would have to get up four or five times every night. My arms and shoulders would throb with rheumatism until they almost drove me wild. Between the headaches, rheumatism and kidney trouble I could sleep only a little at a time, and often spent half the night walking the floor in torment. I tried everything anybody suggested, but nothing gave me any relief at all, and I got in such bad condition it was very hard for me to do my work."

"I read in the papers about Tanlac, and I can't help but say it was the most profitable reading I ever did in my life. I owe my health to it. I have taken 12 bottles of Tanlac and feel like a new man. I eat, I have a fine appetite and enjoy every bite I eat, and I don't know what headache, dizziness and stomach trouble are any more. My rheumatism and kidney trouble are entirely gone and I sleep so good I hate to get up in the morning. And I feel so strong I don't have the least bit of trouble doing my work now."

"Tanlac is the best medicine I ever saw, and it is a genuine pleasure to give it an unqualified endorsement."

Tanlac is sold in Portland by The Owl Drug company—Adv.
