

# ILLINOIS TO BATTLE STATERS

### Ohio Aggregation and Powerful Illini Eleven to Play for "Big Ten" Title.

CHICAGO, Nov. 21.—(I. N. S.)—Featured by a clash between two of the best teams that have performed on mid-west gridirons in years—Ohio State and Illinois—the 1919 season of the Big Ten conference will come to an end tomorrow. Championship honors are still to be decided and this assures a brilliant climax to the season.

Ohio State must win, or at least hold Illinois to a tie, tomorrow if the Buckeyes are to be called 1919 champions. A victory for Illinois will mean that the honors of the season will belong to the Illini.

The Buckeyes have yet to be beaten, having triumphed over Michigan, Purdue and Wisconsin. Michigan and Purdue were easy, while Wisconsin gave Ohio a terrific run for its money.

Illinois has lost one battle, but it has won five. It has beaten Chicago, Minnesota, Michigan, Iowa and Purdue. It lost to Wisconsin, Illinois, in other words, has played six games and lost but one, while Ohio has played only three games and but one of these has been a real struggle. If Illinois beats Ohio tomorrow Zuppke's men can rightfully call themselves champions.

Ohio will present a powerful, well-balanced team, with "Chick" Harley, all-American halfback, and Pete Stuchcomb, a clever quarterback, as the stars. Illinois, with the hard smashing Crangle, the fast and clever Ralph Fletcher and a line that has been impervious to the assaults of the strongest teams in the conference, will give the Buckeyes formidable opposition. The game at Columbus undoubtedly will be the epic of the 1919 season.

### MAROONS TO MEET BADGERS

Having the title at stake the Ohio-Illinois contest is monopolizing the spotlight, but Chicago and Wisconsin will stage a fuss at Stagg field that is certain to be a thriller. Chicago's record for the season is better than the Badgers, but Wisconsin has an eleven that is keyed to a fighting pitch and capable of some tremendous football. The clash between them is certain to be a battle all the way.

The only other conference game on the grid will see Minnesota opposing Michigan at Ann Arbor, Minnesota

should win as Michigan's showing this year has been a rather sorry one. Two conference teams will oppose crack eastern teams. Indiana plays Syracuse at Bloomington and appears to be in for a trimming, as Syracuse has one of the greatest elevens in the country, while the Hoosiers have shown indifferent strength. Northwestern will play Rutgers on an eastern gridiron and also has only an outside chance to win.

Purdue will meet Notre Dame at Lafayette and likely will find the Catholic crew a tough nut to crack. Iowa will have her hands full at Iowa City, where she will play Iowa State for the championship of the Hawkeye domain.

# BILLIARDS

EXCEPTIONALLY large crowds witnessed the five matches played in the annual three cushion handicap billiard tournament at the Rialto parlors Thursday night. Two contests were played in class B, one in class C and two in class D.

Jake Winston won his first start in class B by defeating A. Kaiser, 25 to 16 billiards. Winston not only won the game hands down, but also ran up a high run of five, which ties the highest run of the tournament of five markers scored by Frank Setrl Wednesday night. Kaiser had an off night in form and his best run was two billiards.

Larry Talbot won from A. Miles, 25 to 17, and ran up a high run of four billiards. They are playing in class B. C. Arthur won from E. Roth, 20 to 15, each making a high run of three; Bob Fennell won from G. Easley, 15 to 7, and A. R. Bowles defeated W. A. Walling, 15 to 14.

One of the best games of the season is expected tonight when Harve Hicks will clash with Joe McClosky, in class A. Both are top cutchers.

### Pittsburg to Land A. A. U. Track Events

New York, Nov. 21.—(U. P.)—Pittsburg seems to be sure of next year's A. A. U. championship games. The selection of a place for the games at the recent annual meeting of the association in Boston was deferred. It has been learned that the smoky city is the lone applicant so far and seems sure of selection.

# JUNIORS TO FIGHT FOR NATIONAL TITLE SATURDAY NIGHT

### "Happy" Kuehn of Local Club Favored to Win; Swimming Events Arranged.

OUT-of-town entries to the annual National A. A. U. Junior and fancy indoor diving championships to be held in the Multnomah Amateur Athletic club swimming tank Saturday night are expected to arrive here some time today. Eugene Field, the Spokane Athletic club wonder, has been working out for the last week in Portland but he was under a physician's care for several days due to a bad cold. He has recovered sufficiently, he says, to battle with the rest of the springboard artists.

Entries from San Diego, San Francisco and Los Angeles have been received by O. J. Hoster, chairman of the Winged "M" swimming committee, and Jack Cody, swimming instructor, and they are confident that the greatest junior diving exhibition in the history of the championships will be in store for the spectators.

A program has been arranged to precede the main event and the first number has been set for 8 o'clock. "Happy" Kuehn, the Winged "M" champion and holder of various titles of the state and Northwest, is the big "bet" for honors being brought to Portland. Earl Smead and Don Stryker, teammates of Kuehn, will be ready to give all they have to force the issue.

### Eugene Will Play Salem Saturday

Eugene, Nov. 21.—Fred Chess, manager of the Eugene high school football team, is anxious to schedule a game with the Jefferson high of Portland. This season the Eugene high eleven has a score with its six games of 253 points to its opponents' 4. Next Saturday the Eugene players will go up against Salem, and on Thanksgiving day Marshfield.

P. Chappell Brown was named president, Judge Cameron vice president and Robert Rankin, former coach of the Washington high soccer team a few years ago, secretary-treasurer.

Four teams were listed to start the season and efforts are being made to have three or four enter squads. It was decided to open the schedule December 7, regardless of the number of clubs represented and a schedule will be drawn up within the next week. Mt. Scott, Kerns, Peninsula and the Artisans will battle for the trophy, while teams from the Canadian War Veterans, Woodmen of the World, Waverley Athletic club and the Multnomah Amateur Athletic club are expected to see their way clear to battle for the beautiful silver trophy.

# FRANKLIN ELEVEN PLAYS SCORELESS WITH JAMES JOHN

### Quarterback King of Quakers Returns Punt 83 Yards; Jefferson Cinches Title.

By Earl R. Goodwin. JEFFERSON high school won the 1919 J football championship of the Portland interscholastic league Thursday afternoon when the Franklin High eleven held the James John High aggregation to a scoreless tie on Multnomah field. There were only a scattering of fans on hand to witness another great game and three or four of those in the grandstand were members of the Jefferson contingent.

One more contest remains on the Democrats' schedule and the same number is listed for the James John representatives. No matter what the result of each may be, the leadership of the circuit will not change, consequently Coach Harold Quigley is apt to send in a switched line up against the Hill Military academy delegation Monday on Multnomah field, in order to give several of his second raters a chance to make the coveted "J."

### MAKES GREAT RETURN

In Thursday's clash long runs featured and the sensation of the afternoon occurred in the second quarter, when Quarterback King of Franklin returned a 75-yard punt by Girt 83 yards to

James John's 12-yard line, where he stumbled and was downed. Both squads had chances to score, that is as far as getting within 10 yards of the goal line is concerned. Coach "Crash 'em Doble" Rehbein's pets had the ball on James John's 10-yard line or better on four occasions while the Northeast Siders threw themselves in the Quakers' vital territory once, not counting the time King started his remarkable return of a punt.

### PUTTING DUEL CLOSE

Forward passes came frequently on both sides and intercepted shots were staged, once Girt getting one for a 25-yard sprint. Throughout the match there was a punting duel between Dick Girt and Captain Harry Thomas, Girt making the longest boots, but Thomas gained more each time, due to the fact that his ends were down and stopped the Saints before they could get started most of the time.

Poulson, King, Thomas brothers, Bailey and Kingsley featured for the Franklinites, while Girt, Jessup, Brown and Cochran looked good for Coach Campbell's outfit.

### SCORE BY QUARTERS

James John	0	0	0	0	0
Franklin	0	0	0	0	0

Substitutes for Girt, Girt for Williams; Darrand for Miller; Williams for Poulson. Official—Earl A. Harmon, referee; Andrew J. Feichtinger, umpire; Earl R. Goodwin, head linesman; J. F. Kaimbach, James John, and H. A. Johnson, Franklin, timekeepers. Time of quarters—12 minutes each.

# CENTER COLLEGE HAS BEST SCORING TEAM ON GRID THIS YEAR

### Kentucky Eleven Has Piled Up 352 Points; Stevens Lead on Defense.

NEW YORK, Nov. 21.—(U. P.)—Center college, Kentucky, has obtained a strangle hold on the gridiron spotlight. Noted for its defeat of West Virginia, that wee Danville school has other reasons for attracting attention. With 352 points to its credit the team leads the entire country in scoring. Not another team has reached the 300 mark and only five have counted above 200.

The scoring fit the Navy threw against Colby Saturday with 121 points put the Middles out in front of the eastern elevens with a total of 277. West Virginia is second with 264. Then comes Pennsylvania 257, Georgia Tech 250, and Harvard 212.

Stevens leads on the defense with only 5 points scored against her. Washington and Jefferson is next with a lone touchdown by Pittsburg. Colby is at the bottom of the list. She had scored only 7 points while the opposition has scored 259.

# Too much Turkish or Just enough Turkish?

IN one way, at least, smoking is exactly like eating.

The more rich and delicious a certain food is, the more care people take to avoid eating too much of it—for instance, plum pudding or candy.

The same rule applies to smoking.

Cigar smokers, for example, are today more careful to avoid too many rich, heavy Havanas. (In fact, more and more cigar smokers now smoke cigarettes too, to help cut down the number of cigars.)

In the same way, cigarette smokers are learning that Turkish tobacco, delicious as it is, is so over-rich or heavy that a man can easily smoke too much of it.

But they are learning also that, instead of cutting down the number

of cigarettes per day, they can cut down on the proportion of Turkish in each cigarette.

How to reduce on Turkish

THEY can do this by switching from straight Turkish to part Turkish, or "Turkish blend," cigarettes.

The first Turkish blend cigarette ever made—and the one which has always held first-rank importance—is Fatima.

Fatima contains more Turkish than does any other Turkish blend cigarette.

Perhaps this is the main reason why so many smokers of straight Turkish cigarettes keep switching to Fatimas.

Less worry about "too many"

ANOTHER reason undoubtedly is the fact that Fatimas treat

smokers so kindly. The Turkish is so perfectly "balanced" by the other tobaccos in the blend that Fatima smokers never have any worry about smoking "too many."

AT any rate, whatever the reason

may be, Fatima keeps on attracting more and more of those smokers who, if they preferred the fancy, expensive, straight Turkish cigarettes, could easily afford them.

This is shown, of course, by Fatima's record in having won the top notch in sales at so many of the fashionable clubs and hotels and other prominent places all over the country (see below).

How much is "just enough"?

DOES not Fatima's record seem to prove that this is the one cigarette containing just enough Turkish? Not too much, nor too little Turkish, but just enough. Make a test for yourself.

Liggett & Myers Tobacco Co.

### Fatima's Record

At scores of places where one would expect only fancy, straight Turkish cigarettes to sell, Fatima is today the leader.

For example, Fatima is the largest seller at:

- Atlantic City: Hotel Marlborough-Blenheim, Hotel Traymore.
- Boston: Hotel Copley Plaza, Stock Exchange, Hotel Touraine.
- Chicago: Auditorium Hotel, Congress Hotel.
- Narragansett Pier: Casino.
- New York: Hotel Astor, Stock Exchange, Hotel Vanderbilt, Waldorf-Astoria.
- Palm Beach: The Breakers.
- Philadelphia: Ritz-Carlton, Stock Exchange.
- Washington: The Capitol Building.
