The Electrical House

is naturally equipped with an EDEN ELECTRIC WASHING MACHINE. And why naturally?—Because:

—The Eden possesses innumerable points of superiority. The EDEN is operated with high-grade steel gears, packed in hard grease, eliminating all need of oiling any part of the machinery.

—The EDEN washes with gentlest action. EVERY FEATURE OF THE EDEN HAS BEEN BUILT FROM THE WOMAN'S POINT OF VIEW. The EDEN reduces the family wash problem to a minimum—is distinctly a TIME, ENERGY and MONEY SAVING DEVICE.

—Come, let the modern TWENTIETH CENTURY HOUSEWIFE who presides over the electrical house initiate you into the delights of an electrically operated home.—Seventh Floor.

CEDAR CHESTS

In a Pre-Holiday Sale at

\$23.45

—Genuine Red Cedar Chests redolent of the Tennessee forests, where they have been in the making for a thousand years—cuddled deep in the heart of the Giant trees. And now, under the skilled hands of the wood workers, they have taken the form of beautiful chests in which to keep free from moth and dust Milady's furs—Baby's soft woolens—and the priceless intimates of a young girl's Hope Chest.

—Some are bound with wide strips of copper, some have fancy-hinge decorations in either copper or brass, while others depend wholly on the beauty of the grain, finish and round beveled corners for decorations. All are firmly constructed and have slide or lift trays and strong locks with keys. Medium size.

—We also have a good line of Cedar Chests at other prices.
