

CONFESSED SLAYER DECLARED INSANE

William Riggins, Who Made Sensational Admission, Is Transferred From Prison to Hospital.

Salem, Dec. 4.—William Riggins, sent up from Yamhill county in 1915 on a sentence of from one to seven years for larceny, and who insists that he is the man who murdered William Booth of Willamina in 1915, for which crime William Branson and Mrs. Anna Booth, wife of the slain man, are serving time, was transferred from the state prison to the state hospital for the insane today.

His transfer is the result of continued evidences of insanity on the part of the prisoner, which are said to antedate his incarceration, and for repeated threats of violence against his fellow inmates.

SENTENCED IN 1905

Riggins was first sentenced to the state prison May 21, 1905, from Josephine county, for three years for burglary. At that time he was 23 years of age, but his previous record contains several commitments to the state reform school for minor infractions of the law.

At the time of his second commitment to the state prison, Circuit Judge Belt expressed the opinion that Riggins was weak mentally and perhaps should be in the insane asylum instead of the penitentiary.

On May 10, 1915, Riggins was taken from the state prison to aid in clear-

ing up a safe and postoffice robbery at Hillsboro.

CONFESSES TO MURDER

On his way to the scene of the crime he is said to have told the sheriff that he knew what he was wanted for and to have told of his connection with the murder of William Booth, who he claimed to have shot down in cold blood.

His story is said to have gone so far as to indicate to officials and others the exact spot on which the crime was committed, as well as other details. All the details in his story are said to have tallied with the circumstances surrounding the crime. Riggins is said to have repeatedly insisted on the truth of the confession at that time.

BOOTH MURDER DENIED

Both Branson and Mrs. Booth, wife of the murdered man, who were convicted of the crime to which Riggins confesses, have steadily maintained their innocence.

Riggins is also said to have confessed to complicity in the murder of the Hill family in Multnomah county several years ago, in which an entire family was wiped out, the murderer terribly mutilating the bodies of his victims with an ax. With his confession of his connection with this crime, Riggins is said to have told of remaining on watch outside the home while another man committed the murder. For this he claims to have received \$10, according to a statement made by his father, who describes the son as a "bad man."

Man Carrying Booze Arrested on Vessel And Lands in Jail

Marshfield, Dec. 4.—T. E. Johnson, formerly with a United States geological survey engaged in this part of the state, was arrested Wednesday when he got off the steamer Curacao from San Francisco. He carried a suitcase which seemed heavy and was stopped by the officers. It was found he had 11 bottles of whiskey in the suitcase. Another man be-

lieved to have liquor in his grips escaped.

Johnson was first taken before City Recorder Butler and fined \$100 on a city case. This Johnson paid, but he was immediately arrested again on a state warrant and arraigned before Justice Joehnk, who fined him \$20 and sentenced him to 20 days in jail. Johnson could not pay the second fine, so was taken to the county jail at Coquille. He said he had bought the whiskey in Sacramento and had it for his own use.

Marshfield, Dec. 4.—The port of Coos Bay commission had decided to build a terminal dock on Coos Bay. This is final action in a matter considered for some time. It was also decided to build

a dredge for use on the bay. A bond issue of \$250,000 will be necessary to defray the expenses.
