Defeat of McNary Measure by Filibustering Methods Means 25-Cent Sugar, It Is Stated.

Bill Had Already Passed Both Houses, but Senate Was Scheduled to Consider Amendments.

Washington, Dec. 18 .- (I. N. S. A filibuster conducted by Senator Ransdell stopped consideration today of the McNary sugar control bill, which aimed to control the price of refined sugar.

The bill has been passed by both chambers and the senate was scheduled to agree to house amendments.

On motion of Senator Harrison, the senate was considering agreement on the house amendment to provide for itcensed distribution and sale. One and a half hours was set aside for the de-Senator Ransdell consumed all of the time, refusing to let the question come to a vote. 25 CENT SUGAR POSSIBLE

a pound sugar possible, according to Senator Harrison's state is in the zone ing influence with the administrawhich obtains its sugar supply from the tion in Louisiana producers, who are permitted to charge 27 cents a pound for their product. He had been especially active fied only as a lawbreaker with no in urging the passage of the McNary bill to permit the sugar equalization board to buy the 1920 crop from Cuba. The bill as amended by the house per-

mils the establishment of a licensing control sugar prices in all parts of the United States, and Senator Harrison declared that with this feature added the bill would relieve the people of his state from the existing high "SUGAR NOT NECESSITY"

out sugar all the time. Senator Williams said, and could also get along without candy or confectionery without suffer-ing any hardship. He quoted Dr. Har-vey W. Wiley as authority for the statement that people do not need sugar.

M'GINN SCORES POLICE METHODS

Scathing Denunciation Given in Course of Trial of Client in Circuit Court.

Scathing denunciation of the police, police court and police methods was delivered in Circuit Judge McCourt's court this morning by in fact, not in name." torney for Kate Hammer, charged with the appropriation of \$1550 said to have been given her by Andrew Linden to invest in a rooming house. The case went to the jury following

ord concerning the conviction of Kate Hammer on a charge of vagrancy, which was introduced by the prosecution, in bitter terms. He said the case had been dismissed by Judge Kanzler upon recommendation of Municipal Judge Rossman, after the woman had served part

"Does anyone think that any perso who lives in Portland would take a con-viction from the police court as any-thing but a boost?" he demanded. Inspector Tackaberry, who was instrumental in apprehending the murderers of Burgess and Peringer a short time ago, also came in for considerable rest of Kate Hammer.

Inspector Tackaberry got busy with his friends in the underworld when the \$18,000 reward was offered," he said, referring to the murder case. "John Doe appeared. "I'll give you \$7000 if you'll tell who did it," he said. And then he beat John Doe out of \$2000. "The greatest source of crime in the world is the partnership between In-Whenever we hear that a Chinaman has been arrested for gambling, we smile. Why? Because we know that fantan s one of the largest sources of revenue the police have."

Andrew Linden, complainant, declared the robbery occurred October 18. He averred that he gave her \$1550 which he had drawn from the bank with the intention of buying a rooming house and establishing her as housekeeper, and that both she and the money dis-

FROZEN PIPES CONQUEREDBY REED STUDENT

CROZEN water pipes have no terror for Reed college. A week ago, when the pipes first refused to function and Reed's physicist, Professor A. A. Knowlton seems 1 ice, several students specializing in electricity were called into consultation.

Holland Houston, a Reed junior, has been busy ever since attaching a patent ice-melter to whatever pipes have frozen. The melting process is produced by "stepping down" current from high to low voltage and raising the amperage from about 4 to 340. The heat thus developed melts the ice. Houston has been instrumental in melting some hundreds of feet of piped ice.

This Is Answer of Mayor, Who Says All Lawbreakers Look Alike to Him.

Mayor Baker yesterday notified The failure of the bill makes 25 cents the police department that any law from punishment should be classistanding in the community. No law violator has any influence with the mayor's office, he added.

bureau of the police department free from political influence," the mayor declared, "and I want the attention of police officers to be particularly called to the fact that no one has any influence with the administration which will interfere with officers in the proper dis-Senator Harrison's colleague, Senator John Sharp Williams, did not agree with him, however, on this point. Sugar is not a necessity of life. Senator John Sharp Williams of Mississippi asserted Sharp Williams of Mississippi asserted officers with punishment or discharge immune from the law, or that threatens officers with punishment or discharge with the lawbreaker who has no stand-

ing in the community or in this office. I want officers who are discourteous eported but they are not to be inter-

Olcott Term Test Other alleged reasons for strengthen-Case Being Argued In Supreme Court

Salem, Dec. 18.—Arguments in the mandamus proceeding by which G. M. Roberts of Medford, district attorney for Jackson county, is attempting to ompel the secretary of state to include the office of governor in the certification of offices to be voted on at the May primary election, are being heard by the supreme court today.

epresenting Governor Olcott in the case, is basing his arguments against the issuance of the requested writ upon ground that Olcott, as secretary of state, became governor in fact upon the death of the late Governor Withycombe and is to hold that office until the expiration of Withycombe's term. Roberts, representing himself, tends only until the next regular election and that selection of candidates for the office is therefore in order at

forthcoming primary. Borden May Come as British Ambassador

Ottawa, Ont., Dec. 18.—(I. N. S.)—The report that Premier Sir Robert Borden will be made British ambassador to the United States received general credence in official circles today.

Men Need Work Done By Married Women, Urges Mrs. Ahlstrom

ntiment in Portland against young narried women holding good salaried positions when they have able odied husbands, who are also working, and against the employment of aliens, when hundreds of our boys are literally begging for a few hours' work in order that they may eat?"

This question was asked by Mrs. N. J. Ahlstrom, president of the Portland chapter of the American War Mothers, at the regular meeting of that organiza-tion held Wednesday at the new headjuarters, 525 courthouse The question brought out a spirited

discussion, each woman reporting cases of young, childless couples who, between them, are drawing from \$200 to \$400 a month and in many cases the War Mothers supplemented this inforder their observation of worthy young men back from service who are daily haunting the Liberty temple in the hope of a few hours' work at splitting or put-

right them as he said he had not had any work for a week and did not know when he would get another job," said "There is no finer way in which to display-our Americanism than to insist that our boys be given positions in "It makes my heart ache to think how we feasted and feted the boys before they went away and now that they have come back after doing their duty they are not given a fair chance to reestablish themselves. How can our memories be so short?"

WAR MOTHERS HEAR GRIEVANCES The War Mothers will hold regular all day meetings on the first and third Wednesdays at 525 courthouse. A pot luck luncheon will be a feature of each ng and in the afternoon there will business meeting. Any soldier who has a grievance is asked to bring it to the War Mothers and they will do their best to help him solve his prob-lems. The mothers have two relief committees, one to work for mothers and another which cooperates with the Dadey's clup for the soldiers' families. Any war mother is invited to participate in the luncheons. The charter of the Portland chapter closed Wednesday with \$5 members.

The new warehouse will se erected on a site purchased last week at Twenty-elphand Upshur streets, north of the Forestry building. The completed plant will estimated expenditure for the first unit is about \$1,250,000, according to Wells.
