**Prineville Building
Collapses; Narrow
Call for Postmaster**

Prineville, Dec. 18.—The Lippman building, leased by the A. Guthrie company, for use as a warehouse and office, collapsed Monday, completely wrecking the building and nearly catching Postmaster C. D. Fuller. Stock losses in this section are con-

siderable. William Owen of the southern part of Crook county is reported to have lost 17,000 sheep and may lose more be-

fore the flocks can be taken to feeding lots. City streets have been closed by the

use of tractors and snow plows. The wood shortage is being overcome as roads are broken.

To the Man Who Is Considering His Wife's Christmas

Give her, as usual, the things of special holiday appeal. But give her, also, the foundation of a **PERMANENT ESTATE**—a foundation that you and she can build upon from year to year, until it will make her **INDEPENDENT**.

Start for her, this Christmas, with a nucleus of cash, liberty bonds or other securities already owned, a Trust Estate under the "Security Savings and Trust Plan." It will influence her entire life. It will provide an income in her own right. It will add to her proficiency in financial matters. It will prepare her for eventualities.

The time is short. Come in and see what an admirable Christmas gift for your wife the "Security Savings and Trust Plan" offers. Booklet on application.
