TOYTOWN

Is Ready for the Last Three Days Before Christmas
With Plenty of Toys, Dolls and Games

No child's Christmas shall be spoiled for lack of toys or dolls or games if parents come to the West's Greatest Toytown, where there are still plentiful assortments of all these, where the range of prices is broad enough to suit every purse and where there are plenty of experienced salespeople to help grown-ups in selecting such things as will appeal to the children's hearts.
