AT LIBERTY TEMPLE

Main 313

Up to a late hour last night, the registration books showed a total of 741 unemployed. Every man's record is underwritten by the American Legion. Every man enlisted to sacrifice all, "if need be, for liberty and democracy—every man is entitled to preference by an employer, where all things- are equal.

Patriotic employers are responding liberally—in many cases putting on extra men who are not really needed in order to absorb their share of these men who are entitled to employment.
