

QUANTITIES ARE RESTRICTED IN THE JANUARY SALES

Our Year-End Half Price Sale

OUR FISCAL YEAR is drawing to a close, and in our stocks we have found many odd lots and incomplete size assortments in merchandise which we are determined not to inventory. This merchandise is all of greater intrinsic value than the present regular prices at which it is marked—practically all of it, at regular prices, represents a smaller figure than the wholesale price for Spring. Every price quoted is the Half Price.

But Out They Go—

—These small lots simply must be cleared, and for that reason we inaugurate this sensational year-end half price sale, being an aggregation of the most remarkable lot of half price items on quality merchandise that we believe any store on the Pacific Coast has ever offered.

Lipman Wolfe & Co.
"Merchandise of Merit Only"

WE CANNOT guarantee that any of the lots will last throughout the day—in fact, we are positive many assortments will be sold out before noon.

—Every sale must be final—No C. O. D.—No phone orders.
