

REED, FORMERLY OF PORTLAND, IS INDICTED AS RED

Thirty-eight Men and Women Are Charged With Conspiracy to Overthrow Government of U. S.

Chicago, Jan. 22.—Thirty-eight organizers of the Communist Labor party, including William Brock Lloyd, millionaire and avowed revolutionist, and John Reed, the writer, formerly of Portland, Or., were indicted by a special grand jury before Judge Crowe Wednesday. With the exception of three women, all were indicted on two counts, charging conspiracy to advocate the overthrow of the government through violence, and advocating the disruption of the government.

Margaret Freney, delegate to the national convention of the party from Cleveland, and Clara Rofsky and Helen Judd, heads of local chapters, were indicted on the latter count only. Their bail was fixed at \$10,000, while bonds for the rest were set at \$10,000 each.

The bills were drawn under the state sedition law which was enacted last summer.

HEARING NEXT MONDAY
Arraignment of the Communist leaders will take place next Monday at 2 p. m.

Those indicted on two counts were: August Wagenknecht of Cleveland, national executive secretary of the Communist party;

John Reed, editor of the party organ, the Voice of the People;

L. E. Katterfeld, Alexander Bilan, Max Bedact, Jack Carney and Edw. Lingren, members of the national executive committee;

Harry Shipman and L. K. England, members of the state executive committee;

Edgar Owens, state secretary; Samuel Ash, Harry E. Greenwood, James A. Meisenger, Samuel Harkin, Edwin Birch, John Vogel, Arthur Proctor, Jacob Schiff, Niels Kjar, Morris A. Stelar and Charles Krumbine, members of the Cook county executive committee.

CHARGE OF CONSPIRACY
Robert Neiberger, Robert Horseley, Charles Claraham, Walter Wolf, J. Kunat, Paul Bernofm, Albert B. Stone and Charles Katz, secretaries of local chapters;

Alfred Shuster, G. A. Engelken, John Nelson and Meyer Dobrowski, members of the propaganda committee;

William Brock, Lloyd and Charles Baker, named as "active organizers and agitators."

The conspiracy, according to the indictment, was entered into in Chicago on September 2, the time of the convention here.

Permanent Chief of Staff Idea Opposed
Washington, Jan. 22.—(U. P.)—Secretary of War Baker today opposed the provision in the senate army reorganization bill, making General Pershing permanent chief of the general staff. Appearing before the senate military committee, Baker said such legislation would be "impolitic."

Rail Men Consider Rate Readjustment in Portland District

Reduction of freight rates on iron and steel shipments from Midvale, Utah, to Spokane and Eastern Washington and readjustment of rates between Portland, Seattle and the interior, were considered Tuesday by the Portland district freight traffic committee. The request for changes in rates was made by the Utah Iron & Steel company.

Two Men Who Stole Auto Are Sentenced To Term in Prison

For stealing an automobile from Lee Potter on the night of November 10, Harold Walsh, 25 years of age, and Jack Fuller, 21 years old, were sentenced to six and four years respectively in the state penitentiary, by Presiding Judge McCourt in the circuit court Wednesday.

Walsh and Fuller told Potter who was a taxicab driver, they wished to go to Columbia beach, and when they had reached a deserted stretch of road, Fuller pulled a gun on the driver and forced him in the back of the car. They drove to Chehalis that night and there relieved Potter of \$12 and made him

get out. At Centralls the two men got stuck with the machine and succeeded in trading it for another car which they drove to Tacoma, where they were captured.

Walsh has been in two previous escapades, but Fuller's record has herebefore been clear and he has served three and one half years in the marine corps.

In imposing the sentences Judge McCourt remarked that he expected the parole officers to exercise their privilege of releasing the men, upon good behavior, after one fourth of their term had been served.

Acute Car Shortage Brings Box Makers Here for Conference

The shortage of cars for handling lumber products will be the principal problem discussed at a conference of box manufacturers at the Mulholland hotel Monday. Reservations have been made for 100 representatives of the box manufacturing interests of Oregon, Washington, California, Utah, Idaho, Montana and British Columbia.

Six associations of box manufacturers will be represented at the conference and the meetings will be in charge of W. C. Strong, secretary of the box department of the West Coast Lumbermen's association. The conference will open at 9 a. m.

The car situation will also receive attention of lumbermen at the annual meeting of the West Coast Lumbermen's association, scheduled for January 30, at Seattle. The meeting will be held at the Washington hotel.
