# Rural Pastors to Study Farm Problems at Graduate Schools to Be Operated

## **VILLAGE CHURCH** TO PLAY PART IN **NEW MOVEMEN**

Innovation Designed to Show Close Relationship Between Rural Church and People.

to interest farmers in church work by giving the pastors a scientific knowledge of the conditions and at 30 rural pastors' graduate schools in as many states to be operated churches of America. under the combined auspices of the state agriculture colleges, on whose premises the schools will be conmovement which will furnish the be conducted for a period of three weeks each, between June and nouncement of Ralph A. Felton of the interchurch movement who is aranging the details for the nationwide venture.

FARM TOPICS LISTED

It is the plan to teach the rural pastors how they may help the farmers to get better crops by applying scientific methods, so that the farmers in return may learn better church methods, which will also be one of the subjects taught during the term of the developing a market, community health, roral schools and similar subjects will be required as will the subjects of evangelism, pastoral calling, church finances and religious instruction.

Child welfare will be discussed or the same day as Christianity and world democracy and successful village

Missionary problems of the church will receive attention, as will the subject of the housefly and health. TO CORELATE WORK

The whole course is designed by the promoters to show the very close relationship between the rural church and the everyday life of men and women in rural communities.

Not only will the pastors be given the advantage of these graduate schools, but the pastors' wives will be given studies in a special course on "Home Making for Pastors' Wives." In this the relation of rural churches the organization of county demonwork, with illustrations of how put up preserves, will be one feature. ration, selection and care of thing, recreational activities and

Meyer, secretary of the service department, is handling the details and announces that it is hoped all churches, civic and other similar organizations, will make arrangements for some special features. Many are planning banquets. The bringing of men and boys into closer relationship is the chief object of the week.

The denominational program of the Baptists for February calls for emphasis on the stewardship plan. The application of the laws of the Bible with regard to the making and using of money will be considered in the churches. During March and culminating Easter Sunday, April 4, the evangelistic program will have the place of emphasis. A series of sermons on psychology will be preached on the Sunday evenings 10:30 in the First' Presbyterian during February by Rev. W. T. Milliresiding in the Middle West Dr. Milliken was examiner in psychology for the graduate courses at Ewing college.
