Movement to Reelect Hermann

New York, Jan. 31—(I. N. S.)—There is a movement on foot to reelect Garry Herrmann chairman of the national commission, according to a report in local baseball circles today. Certain National and American league magnates, it is said, are ready to support the Cincinnati man. Herrmann, the report says, will sell his interest in the Cincinnati club should his return be assured.

Wierengen, Holland, Jan. 31.—Friederich Wilhelm, the former German crown prince, informed me that he has taken up boxing. His sparring partner is the son of Wieringen's burgomaster, a local engineer.

The ex-crown prince admits he has developed a useful right upper cut.

A new ornament in his appointment is a piece of polished wood bearing a plate which notes that it is part of the ten thousandth log sawed by the ex-kaiser at Amerongen.

Chinese Pheasants To Be Released Soon

Eugene, Jan. 31—Two thousand Chinese pheasants are to be liberated during the next two weeks from the game preserves at Eugene and Corvallis, Representative L. E. Bean said today. Shipments are being made by crate to Southern Oregon this week, and later will be distributed throughout the Willamette valley and Eastern Oregon, especially in Umatilla county. From the Eugene farm 750 will be shipped, and from Corvallis about 1250. Mr. Bean says that by this time next year the two game farms will be each prepared to ship more than 2000 pheasants. While many pheasants living in the open were frozen during the below-zero weather in December, none were lost at the game preserves.

Bethlehem Team Gets New Players

Bethlehem Steel company soccer team boasts a quartet of new players as a result of their recent defeats. Thore Sundberg is playing left halfback, Sibbald outside right and Starch inside right. They are Scandinavian stars, while Harris at center forward is a former English expert. Sven Kihlberg, right halfback from the Alabama Idrottslubben team of Stockholm, is also available in order to try and retain the National and American cups, the two big soccer classics of this country.

STECHER GREATEST WRESTLER

By Defeating Caddock, Nebraska Boy Wins World's Championship; Better Than Gotch.

By Jack Velock

NEW YORK, Jan. 31.—(I. N. S.)—"Joe Stecher is the greatest wrestler this country has ever produced. His match last night with Earl Caddock was the greatest I have ever seen. It was an honest match and the best man won."

Dr. B. F. Roller of Seattle, who a few years ago ranked as one of the leading grapplers in the game and was himself a contender for the title in three championship matches, paid the above tribute today to the Nebraska farmer boy who gained the world's championship by throwing Earl Caddock of Iowa in 2 hours 5 minutes and 30 seconds.

WEIGHT AN ADVANTAGE

"Stecher is greater than Frank Gotch," continued Roller. "It will be a long time before this country will find any wrestler who will be able to take Stecher's title away from him."

Although according Stecher highest praise, Roller does not belittle Caddock. He asserts that Stecher's 20 pounds in weight and his greater strength were the things that enabled him to gain victory over the agile Caddock. It was his famous body scissors hold, aided by a wrist lock that brought Stecher the victory. For the first hour of the match the men grappled on even terms, Caddock leading in aggressiveness but being unable to clamp a fatal hold on his antagonist. After the first hour Caddock seemed to tire, while Stecher, showing amazing strength, began to gain in advantage.

BREAKS UP HOLDS

After Caddock had obtained good holds on Stecher twice in the final hour and the Nebraska boy had coolly broken both of them, Caddock began to show signs of exhaustion. His final effort came just before the match ended when he succeeded in breaking a body scissors hold which Stecher clamped upon him. After a few minutes Stecher again obtained this hold, however, and with the aid of a wrist lock rubbed the shoulders of the exhausted Caddock on the canvass. The fall was secured in 2 hours 5 minutes and 30 seconds.

Olympic games athletic events are scheduled August 10 to September 10.

Where your tire money goes when you skid—

Every time you skid you wear off miles and miles of tire service. It's like so many dollars being thrown in front of the street cleaner's scraper. Loss of traction always means loss of tire money.

Chief Engineer of the International Motor Company, A. F. Masury, says:

"Sliding the wheels of railroad cars causes flat wheels. If sliding a hardened steel tire over a smooth steel rail for a few seconds can so abrade the wheel that its pounding will crack 150-lb. rails, fancy the damage to a rubber tire in skidding or sliding over a stone or concrete road.

"No matter how carefully and skillfully you drive when roads are wet and slippery, it is next to impossible to avoid skidding unless your tires are equipped with Anti-Skid Chains—such as Weed Chains."

Weed Anti-Skid Chains

For Protection and Preservation

Weed Chains insure safety, economy and tire protection —Always put them on "At the First Drop of Rain."

Weed Chains are also made to meet the demand for an efficient traction and anti-skid device for trucks equipped with single and dual solid tires or with the very large pneumatic tires. They are so constructed that they satisfactorily meet the requirements of heavy truck service in mud, sand or snow.

FOR the third time in as many starts in the 1919-20 season of the Portland Interscholastic league, the James John high school basketball team has lost its game by one or two points. The Benson Tech hoopers defeated the Saints 21 to 20 in the Washington high school gymnasium Friday afternoon before a big crowd, and while the match was nothing sensational, the players put up a great guarding and hard checking contest.

The first half ended 16 to 12, with the Mechanics on the long end, and Coach Billy Bryan sent in four substitutes to start the second half. The Tech school representatives then relied more on keeping the Saints from shooting and although the boys from the St. Johns district made the contest thrilling in the last three minutes of play by coming within one point of making the score a tie, the system worked, Benson winning its second game of the year and forcing the leadership of the circuit into a three-cornered tie between Lincoln, Washington and Benson.

The stars of the afternoon were Winnifred Scott for Benson and "Scrapiron" Toole for the losers, Scott making nine points, while Toole was good for five field baskets. Captain Hiatt of the James John quintet was forced to leave the match in the second half, after he had the fourth personal foul called on him. Referee Leon Fabre kept the contest well in hand throughout.

The lineups:

Those who will represent Portland against the Upper Columbia River district are Willie Beck, "Peanuts" Pander, Oliver, Morris Rogoway, Max Berlant, Seltzer, Ted Guriam and Pommegrant. The match tonight starts at 8:30 o'clock.

Articles have been signed whereby the South Parkway quintet will take a trip to Hood River next Saturday night to meet the American Legion post squad. The Hood River athletes have not been defeated since they were organized last November, and they are going to keep their slate clean for the 1919-20 season.

The Glencoe grammar school quintet won from the Sunnyside school, 11 to 5, in the Glencoe school gymnasium Wednesday afternoon. The winners would like to get in touch with any other grammar school squads of Portland and they can be reached by calling the institution. Miss Schmeer refereed Wednesday's game. The lineups:

Astoria, Jan. 31.—The Oregon Aggie freshmen lost to the Hammond Lumber company hoopers, 23 to 22, here last night. The Columbia club will meet the Corvallis contingent here tonight.

The Dalles, Jan. 31.—No game was played here last night between the Vancouver, Wash., high and The Dalles high because of the "flu" epidemic. Coach Meier I. Newman and his local high schoolers are in Fossil, Or., today waiting to meet the Fossil hoopers tonight.

La Grande, Jan. 31.—With "Toots" Garrity and Stoddard, the two La Grande high school forwards, working in superb fashion, the Baker high quintet lost to the locals here last night, 23 to 50. It was a fast clean game and Coach Charles Reynolds, former star Oregon Aggie athlete, is highly pleased with the showing made thus far during the 1919-20 season by his La Grande tossers.

The South Parkway quintet defeated the Jefferson High five in the B'nai B'rith gymnasium Wednesday night by a 23 to 15 score. The winners led 7 to 2 at the end of the first half and then switched the line-up. The Democrats tied the count soon after the second period opened but the Winged "S" started a scoring streak and from then on kept the lead. Abe Goldstone was the individual scoring star for the Parkways.

'Dutch' Reuther Seeks 3-Year Job

Walter ("Dutch") Reuther, the star southpaw pitcher of the Cincinnati Reds, is seeking a three-year contract at a fancy salary from the world's champions, according to reports received here. Reuther, without doubt, is one of the best southpaws in the league. He led the Red hurlers during the pennant-winning season of 1919, but he is said to be temperamental. The Cincinnati club and Reuther will undoubtedly compromise before the Reds go south.

EX-TIGER PITCHER A HOLDOUT

Cunningham Returns Contract Unsigned; Demands of Players Are Unreasonable.

By George Bertz

PITCHER GEORGE H. CUNNINGHAM, who was recently turned over to the Portland Beavers by the Detroit American league club, is a holdout.

His unsigned contract drifted into the Beaver headquarters Friday afternoon and both Judge McCredie and Walter McCredie were depressed over his failure to sign.

HERE'S THE GANG

He is the fourth holdout on the Portland team, the others being:

No. 1—Clyde Schroeder.
No. 2—Lew Blue.
No. 3—Wes Kingdon.

SALARY NEARLY THE SAME

The contract tendered the ex-Tiger was practically the same as he had with the Detroit club.

"I can't see why major league players who are turned over to the minors always want more money than they receive in the big leagues," said Judge McCredie. "This is true in a great many cases where Portland has dealt with former big leaguers.

BLAME H. C. L.

"We would not mind it if the money was coming in at the gate, but during the past three or four seasons the local club has not made any more than interest on its investment.

"Some of them fall back on the high cost of living. Well, that's natural, but they don't stop to realize that over one half of their living expenses are paid by the ball teams during the season.

"The players pay their expenses only when the clubs are at home. While they are on the road, the teams pay all expenses."

LOOK OUT, WES

McCredie is not worried a great deal over Kingdon. The little fellow, while he appears to be a star in the making, is far from being a major league player. The fact that he is not a strong hitter lessens his value.

In Spranger the Beavers have a promising youngster who will give Kingdon a run any time. He's a fast fielder, can cover a lot of territory, and, while he may not be as brilliant a shortstop as Kingdon, he will outhit the Los Angeles youth.

Blue is expected to come down off his high horses in the near future.

SPEAS SIGNS OSCAR HARSTAD

Billy Speas, the former Portland outfielder who will manage the Regina team of the Western Canada league this season, is making good progress in lining up his ball tossers.

Here are some of his accomplishments of the week:

Purchased Pitcher "Rubs" Evans from Salt Lake.

Purchased Paul Strand from the Joplin club of the Western league.

Signed Oscar Harstad, who was secured from Portland in exchange for Carl Spranger.

Delivered an ultimatum to Pitcher Joe Dailey, also involved in the Spranger deal.

WANTS BERT WHALING

Billy believes that if Evans is handled right he will win a great number of games this year. Evans has a lot of stuff, but you've got to know how to handle him. The same is true of Al Zweifel, the local pitcher, who will try out with Regina.

Speas is after Solyan, a local hurler, and is dickering for Bert Whaling to be his mainstay behind the bat.

Pitcher Oscar Horstman, former Los Angeles hurler, who was a member of the Columbus club of the American association team last season, will come to Seattle from St. Louis in exchange for Pitcher "Lefty" Thomas. Horstman was offered to San Francisco, but the offer was rejected.

Manager Killefer of the Los Angeles baseball team is now in the East endeavoring to trade "Curly" Brown and Bill Pertica for some talent that will strengthen the Angels for the 1920 season.

Manager Wares of the Seattle team, accompanied by President Brewster, will make another invasion of the East in search of talent to bolster up the Siwashes for the coming baseball season.

Seattle Goes Into Lead

Victoria, B. C., Jan. 31.—The Seattle Mets now hold first place in the Pacific Coast Ice Hockey association, due to the fact that the Victoria septet lost out in the game last night here, two goals to four. Tommy Dunderdale, who played with the Portland Rosebuds when that city was in the circuit, registered both goals for Lester Patrick's team and thereby increased his mark as leading scorer of the circuit for the 1919-20 season to date. Frank Foyston counted three times for Seattle and assisted Riley in making the fourth.

BOXING

TOLEDO, Ohio, Jan. 31.—(U. P.)—A 12 round bout between Frankie Mason of Fort Wayne and Jimmy Wilde, English flyweight champion, for the world title will be held here some time next month. Mason has agreed to enter the ring at 105 pounds, the flyweight limit, either at 3 o'clock or at the hour of the fight.

A. C. Thatcher's Toledo Athletic culb, the organization through which the Dempsey-Willard fight for the heavyweight title was held, will stage the bout.

Astoria, Or., Jan. 31.—Oscar Koch, the former Astoria policeman, won a decision from Joe Bonds in a 10-round boxing match Friday night. Koch had Bonds on the defensive during the entire fight, although Bonds apparently was not affected to any great extent at the close of the tenth round. Koch outweighed Bonds 35 pounds. Billy Nelson and Al Byers fought six rounds to a draw.

Savannah, Ga., Jan. 31.—Jack Britton, welterweight champion won a decision over Jimmy Conway in a hard fought 12-round bout Friday night.

San Francisco, Jan. 31.—(I. N. S.)—Jimmy Darcy of Portland easily won the decision over Al Sommers, also of Portland, in the main event bout here last night. Darcy nearly put Sommers away in the second round, but Sommers recovered and finished strong. Fred Murphy, former amateur welterweight champion of the coast, lost a close decision to Sal Carlo in the semi-windup.

Walter Hufford Is Head of Warden Assn.

Spokane, Wash., Jan. 31.—Charles R. Clumpner, Spokane county game and fish commissioner, was elected first vice president of the Washington State Association of Game Commissioners and Game Wardens in the final session of the state body at the Davenport hotel. W. G. Hufford of Stevenson, Wash., was reelected president of the body and E. B. Palmer of Seattle was chosen second vice president; I. H. Dills, Yakima, third vice president, and A. J. Burch of Seattle was elected secretary for 1920. The body adjourned last night to meet again at Olympia, Wash., in December.

Vindicating Is Common Thing in Milwaukee, Wis.

Chicago, Jan. 31.—(U. P.)—Hyde Park post No. 34, American legion, today made public objection to the "vindication" of Heavyweight Champion Jack Dempsey by a Milwaukee post.

"Milwaukee also vindicated Victor Berger," Commander F. B. Flannery said. "Vindicating seems to be one of the best things they do up there."

Dempsey's appointment to honorary membership and officership in the Milwaukee post was illegal, according to Flannery. Legion rules prevent issuance of honorary memberships, he said.

Oregon Aggies Lose To Washington, 22-20

Seattle, Wash., Jan. 31.—(I. N. S.)—University of Washington basketballers won a 22-20 victory over Oregon Agricultural college here last night in the first of a two game series being played on the university floor.

Washington took the offensive in the first half and ran up an 11-2 score before the invaders got started. The Beavers tied the score in the second period. From then on it was a close race with the teams scoring alternately.

The second game will be staged in the university gymnasium tonight.
