Tomorrow Begins a Special 6-Days Featuring of Drugs and Toilet Goods

wherein we emphasize the important part played by the MEIER & FRANK Drug and Toilet Goods Section in supplying the community with requisites of standard quality and tested excellence. The list does not profess to be exhaustive of the possibilities of this great section, the preparedness of which is proverbial: "You can get it at MEIER & FRANK'S." It is, however, representative of the broad diversity of the lines carried and the uniformly moderate prices at which the articles are always marked. And it points out opportunities for special savings all the more important because of the prevailing trend. Check off your requirements from this list. MAIL AND TELEPHONE ORDERS promptly and expertly filled.—MAIN FLOOR.
