In the suits with one pair of pants will be found Sampeck, Dubbelbilt and other brands identified with high-grade clothes for boys, but it is about the TWO-PANTS SUITS—200 of them, and all new—included for good measure that we enthrall most. Suits for school, dress, year-round wear. Well tailored garments with all seams taped, pants fully lined and due consideration paid to SERVICE in every detail. All shades of gray, brown and green. "BIG"! YOU TELL 'EM

200 Men's and Young Men's SUITS \$29.95

No time to waste on rhetoric—here are the straight facts:

We took stock in the Men's Clothing Store a little more than a week ago. Various lines were thus discovered to be "broken" or incomplete. Rather than fill in sizes at the prevailing higher prices we've determined to make short work of the 200 garments which compose the several lots. This price will do it. Our loss in material profit will be more than offset by the liberal measure of good-will the sale is sure to bring us.

Please Read What Follows Carefully

"Half today's prices" is more truth than poetry in the case of many of these suits. All are from regular stock. The most of the suits are ALL WOOL in such fabrics as worsteds, chevots and tweeds, and in all regular sizes 34 to 44, and there are some

of special interest to stout fellows who take 40 to 46 sizes.

The styles are those that are being worn now and will be popular for spring and summer wear. One and two-button double-breasted suits in plain or all-around belted styles are featured.
