Now is the time to order your baby chicks. We are specialists in the chick hatching business and, owing to the high cost of feed, we have made special efforts this sesson to select our best stock for our breeding pens; all our breeders are Hoganized and have been raised on free range rune; our pens are headed with male birds that are from trappested and a very high egg record strain, therefore we do not hesitate to say we can produce the strongest and largest chicks record strain, therefore we do not besitate to say
we can produce the strongest and largest chicks
you can buy in the West; our past experience
sllows us to guarantee all our chicks good, sound
and vigorous; safe delivery anywhers.

Will have chicks March 1.
