and Ted Gurian. The floor on which the game was played had been used for dancing and was highly polished, making impossible to develop any kind of eam work for either side. The lineups umphreys. ferguson (2) Referce-Leon Fabre.

ver the showing his Benson Tech bas-

ketball athletes made against the High

school of Commerce delegation in the

B'nal B'rith gymnasium Monday after-

oon. The result was Benson 42, Commerce 17, and the Mechanics increased their lead in the Portland Interscholastic

eague standing. Frank Kleinau, the Benson center, registered 11 field baskets for the winners, while Scott was

good for 12 points. The only Stenograohers able to score were Mix GGrider

The mistake of taking but six players on the trip was made by the Spokane Amateur Athletic club basketball team, and there is little doubt but it cost them two hard games. Monday night the Multnomah Guards defeated the stars from the Double-Djamond club, 24 to 16, in the Washington High gymnasium. While playing against the Multnomah Amateur Athletic club Saturday night, one of the star guards, Pete Hupperton, was injured to such a degree that he had to be removed from the match, and he had not recovered sufficiently when the Spokane team was sent onto the floor against the fast Multnomah Guards. The only available substitute had not been working regularly in practice, and it threw the visitors off when it came to team work and passing. As it was, it may be doubtful whether or not the Inland Empire delegation could have defeated either the Winged "M" boys or the Guards, the way they have been going of late. Manager Weatherford of the Spokane team had planned on taking his stars to Seattle before returning home, but he was forced to cancel the side journey, and the party left for Eastern Washington on an early train this

IT IS UP TO YOU 250,000 Babies Are Going to Starve

Unless You Do Your Share Four Days More

Save a Baby's Life

| IS IT NOT | HING TO | YOU | fathers and mothers of rosy, cooing babies of plump, well- fed school children, that overseas 2,000,000 children are dying of starvation? |
|-----------|---------|-----|---|
| DO YOU | HAVE TO | SEE | little human iskeletons roaming the streets, eating bettles, straws, even the marrow from bones found in grave yards? |
| DO YOU | HAVE TO | SEE | little tots with purple swollen stomach caused by eating grass and roots? Oh, mothers of Portland |
| DO YOU | HAVE TO | SEE | other mothers dying of hunger, with starving babies at their breasts? |
| DO YOU | HAVE TO | SEE | before you will give? |

In the name of the Christ of little children, we appealr the first Christian nation. Five dollars a month will keep one little child from starvation. Give any sum, but give at once; only FOUR DAYS MORE.

Skilled Workmanship Necessary

Since the average motor car has approximately 6000 parts, the work of overhauling should be done by experienced specialists and not by partially trained experimenters. All our skilled mechanics meet

the highest tests. Furthermore, we have installed the most scientific labor saving devices procurable. Many of these are exclusive to our shop. This enables us to greatly reduce the time nec-

each car and at the same time do the best repair work that

can be done anywhere. Now is the time for overhauling. Don't wait until the rush starts

team defeated the Y. M. C. A. Students in the Holladay school gymnasium, 18 to 17, Monday night. Cliff Zimmerman made 14 out of the 18 markers scored by

Washington High and James John High are billed to meet this afternoon in the Y. M. C. A. gymnasium, starting at 3:15 o'clock. Coach Dr. W. A. Fenstrrmacher of the Colonials has been handicapped of late, due to the fact that

essary to overhaul and repair

and get turned away. We charge nothing for looking over your car.
