

Kingdon and Schroeder Return Signed Contracts

BEAVERS WANTED BY K. C. TEAM

American Association Club Makes Cash Offer for Two Players; Kingdon, Schroeder Sign.

By George Berts OFFERS to purchase Pitcher Carroll Jones and Outfielder George Maisei, or both, were received by Judge McCredie of the Portland Beavers Friday from the Kansas City club of the American association.

Manager Walter McCredie has announced his intentions of holding both these players, but if he could fix up a deal to strengthen the Portland team by a capable hurler in exchange for Maisei it is likely that he will pull it across.

MAC HAS CONFIDENCE

Maisei, though a dandy ball player, was not of great value to the Mackmen last season, but the Beaver pilot believes that he will deliver in grand style this season.

Kansas City has Wilbur Good and Beals Becker, two heavy hitting outfielders, who would add strength to the Portland club. Wilbur Haines has a consistent pitcher. It is hardly possible that any of these players would be swapped by the Blues.

The signed contracts of Wes Kingdon, shortstop, and "Lefty" Schroeder are safe in McCredie's roll-top. They were received Friday afternoon, Kingdon's coming by mail and Schroeder attaching his name after McCredie had met his terms.

FIVE HURLERS SIGNED

The signing of Schroeder gives Portland five regular pitchers, the others being Carroll Jones, "Suds" Sutherland, Harry Polson and Richard Dunlap.

Catcher King the Omaha recruit, sprung a new one on the judge by declaring in an offer from a Southern league club and one from the General Tire & Rubber company of Akron, Ohio, and that both of them were above McCredie's terms. There is a little likelihood of King getting away from the Beavers, as the local club accepted his services at the figures named.

SPEAS GETS WHALING

Billy Speas, manager of the Regina club of the Western Canada league, has signed Bert Manning, a former National catcher. He also received an offer from the Seattle club for Joe Daley. Speas will part with Daley if the Rainiers give him Ray French and another pitcher.
